Superintendent's Corner

Dear Students, Parents, and Guardians,

Welcome back to Jackson County Central Schools for the 2023-24 school year! As your Superintendent, I am thrilled to begin another year of learning, growth, and achievement in our exceptional school district.

I hope this letter finds you well and filled with anticipation for the upcoming school year. Over the summer, our dedicated staff has been working diligently to prepare for an extraordinary year ahead. We have been busy refining our curriculum, enhancing our facilities, and implementing innovative programs to ensure that our students receive the highest quality education possible.

Throughout this school year, we will continue to emphasize the development of critical thinking, problem-solving, collaboration, and creativity. Our goal is to equip our students with the skills they need to succeed in an ever-changing world. We will also place a strong emphasis on promoting literacy and preparing our students for the challenges and opportunities.

Parents and guardians, your partnership is crucial to the success of our students. We encourage you to engage actively with your child's education and maintain open lines of communication with our teachers and administrators. Together, we can create a strong support system that ensures our students reach their full potential.

I invite you to take advantage of the various opportunities for involvement in our school district. Attend parent-teacher conferences, participate in school events, or consider volunteering your time and skills. Your active engagement will not only benefit your child but will also contribute to the overall success of our school community.

Throughout the year, we will keep you informed about important updates, events, and initiatives through our district website, newsletters, social media channels, and automated notification systems. We encourage you to stay connected and remain updated about the exciting happenings in our schools.

Thank you for entrusting us with your child's education. I look forward to working closely with all of you as we embark on this remarkable journey of learning and growth.

New Student Registration

Families new to Jackson County Central School District are encouraged to register their children as soon as possible for the upcoming year. Registering early allows school personnel to properly place students and formerly orientate students & parents to our District. Ready to register? Call our District Office at 507-847-3608.

Get Connected!

Updates and School notices will be posted on our website: www.jccschools.com, on social media, and via calls/texts/emails. Did your information change? Let us know!

Want to talk with staff? Their emails are up-to-date on our website.

Parent Portal: Your online access to grades, attendance, and lunch balances.

Already have one? Please log-in and update!

Need to get set up? Contact your child's main office.

Infinite Campus

A one stop destination for parents. Using your portal account, you can view your child's grades, check lunch balances, and sign up for alerts.

To register: go to www.jccschools.com and click on the Parent Portal tab on the District's Home page.

Already have an account? Please take a few minutes to update any new contact information.

Church Night

Wednesday is designated as church night in Jackson & Lakefield. Activity advisors are to be certain that no school activities occur after 6:00 pm.

Every effort has been made to avoid scheduling any events which involve JCC students on Sunday. Any exceptions must be approved by administration.

NSF Charge Back Fee

Checks & Electronic Transfers:

In the event of a returned check, or electronic transfer from a lending institution, said individual will be charged a \$20 fee per check by the school district.

Returned Credit Card Payments:

In the event of a returned credit card payment, the district will electronically debit the Household's account in the amount that was charged. Additionally, the individual responsible for the returned payment will be charged a \$40 fee per returned payment by the school district.

Nurse's Corner

Medications- Prescriptions- A physician's order & a written parent/guardian authorization are required to give prescription medications at school. The physician order must be completed before medication can be administered. Please note the directions on the prescription bottle must match the physician order. Please ask the pharmacy to separate medication into two bottles, one for home and one for the school.

Over-the-Counter medications- require a parent signature and will only be given per the directions on the container. An Alternate dose will be given only after submission of a physician's order. For elementary students, over-the-counter medications must be kept in the school health office and administered by a trained staff member. Middle and High school students can carry their own over-the-counter pain medication, but a signed parental consent and student agreement must be signed and on file in the health office.

Inhalers- Students using asthma inhalers at the school will need an Asthma Action plan completed by the physician.

Epi-Pens- Each school building does stock epi-pens for emergencies. All staff are trained on epi-pens. Students requiring an epi-pen for a life-threatening allergy will need an Allergy Action plan completed by a physician.

Food Allergies- All food allergies do require paperwork filled out by the child physician. Each year allergies will need to be reviewed with the parent and the schools kitchen. Please contact the school prior to school starting to discuss allergies and complete appropriate paperwork. This is to confirm food substitutions can be ordered in time. Lactose free milk only requires a parent signature, form is found online.

Immunization - Immunizations are important to keep all our students safe and healthy. Please check to make sure your child's immunizations are current with the Minnesota Department of Health's school requirements. Students entering Kindergarten, 7th grade and 12th grade need to receive immunizations.

Health Screenings- Vision and Hearing screenings are done in the fall. JCC schools follow the most current MDH guidelines on what grades get tested for hearing and vision. If your child does not pass a screening a letter will be mailed to your home for further evaluation by their primary care provider.

Head lice- Please let the health office know if your child does have head lice. All information is confidential but we need to know so we can help control the spread of head lice. If we do not know about it, we cannot help control lice.

When to keep your child home: Fever over 100.3 degrees or higher. (Your child should be fever free for 24 hours, without the use of fever reducing medicines, before returning to school); **nausea and vomiting; diarrhea; a rough night** (for example, if your child was up all night coughing, having pain, or having trouble breathing); **listlessness or lethargy.** Any health information though out the school year is very important to your child's learning. Please call and talk to the health office with concerns throughout the school year. Any questions, please contact Nurse Alyssa Anderson at Alyssa.anderson@jccschools.com

*Please refer to the Wellness policy listed on the JCC district website. It was recently updated to reflect our goals to lead a healthy district, with healthy students & staff.

Principal's Corner

Husky greetings from Riverside Elementary! I hope everyone is having a fantastic summer break and looking forward to the 2023-2024 school year! As we prepare for the upcoming school year, I am excited to share a few updates with you.

Next year, we continue to incorporate Social-Emotional Learning (SEL) into our classrooms using our Second Step Curriculum, PBIS (Positive Behavioral Interventions and Supports), and Zones of Regulation. We will have a separate SEL room in the school that provides a structured and safe calming area where students can go to "reset" and work on strategies to regulate the level of their emotions with healthy coping skills. We will also be incorporating a School Wide Information system (SWIS) that will allow us to collect referral data and make active, data-driven decisions to support students and help them to be successful.

There will be a few changes to our JCC Riverside staff. We will not be offering Transitional Kindergarten as originally planned, but will instead have five regular kindergarten classes. We would like to welcome the following staff members to our Riverside family: Kathryn Hein, who will teach one of our kindergarten classes, and Katie Robillard, who will teach third grade special education.

We plan to purchase new playground and outdoor area equipment/materials which will be purchased from our generous Color Run fundraiser donations. Thank you to all who donated and/or participated in our Spring 2023 Color Run. It was a BLAST!

PK-5 Elementary Early Entrance Conferences are scheduled for Tuesday, September 5 and Wednesday, September 6. Fall Lifetouch pictures will be held during both conference days, so students will be able to have their pictures taken before or after their scheduled conference times. Lifetouch picture information will be shared on our school website and the Riverside Newsletter closer to the beginning of school. Pk-5 students will begin their first day of classes on Thursday, September 7. In August, parents/guardians will receive information regarding their child's classroom teacher and conference registration.

We are looking for parents/guardian volunteers to help with our school lunch/recess supervision. If you are interested in volunteering, please contact the school office during the month of August. All volunteers will need to complete a JCC volunteer background check.

I look forward to seeing everyone in the fall as we continue to provide a safe, positive and productive learning environment for students! As always, please contact me anytime if you have any questions at 507-847-6649 or kim.meyere@jccschools.net.

Have an amazing summer!

Principal's Corner

Hello from the JCC Pleasantview/Middle School!

I hope everyone is enjoying the well-deserved summer break. Before we know it the beginning of a new school year will be here and I couldn't be more excited! The start of a new school year brings about a fresh start and a lot of excitement and some nervous feelings as well. We get to start school with all the construction business behind us and what a relief that is.

Staffing Updates

We will have a few new staff members this year which we are very enthusiastic about!

1. Tom Schuller: yes that's right head football coach Mr. Schuller will be joining the middle school staff replacing Mr. Kocak who retired.
2. Missy Entrinken: she has been teaching 5th grade in the district for a few years. This year she will be working with students in grades 4-8 as our PBIS and MTSS coordinator.
3. At the time of this printing we still have a few new positions to hire: Art, Music, 5th Grade, Counselor)

Pleasantview back to school conferences

- September 5 from 11am-7pm
- September 6 from 8am-3pm
- September 7 First day of school for grades 4 and 5

Conference registration sheets will be sent out in August. Also happening at conference time will be our fall pictures. Student schedules will be made available in August as well.

Middle School Back to School Orientation

Back to school orientation night will be August 31 from 4pm-8pm. Students can come meet their teachers, tour the new school, find their locker and get their fall pictures taken.

Student schedules will be out sometime in August. Please look online for those or pick them up at the back to school night.

Enjoy what's remaining of summer vacation we can hardly wait to see everyone. As always, if you have any questions please give me a call at 662-6625 or send me email at Chris.Naumann@jccschools.com.

Have a Great Summer!

Principal's Corner

Hello from JCC High School!

I hope everyone is having an awesome summer. It will be great to see everyone again this Fall. If you are a new family moving into JCC HS, we are excited to meet you! We would encourage you to attend the 5 PM session on April 17th for 9th grade and New Students. Here are some of the new and exciting things that are happening at JCC High School next year.

We have two new staff members joining our team at JCC HS next year. We would like to welcome the following new staff: Kim Haburn will be replacing Tracy Steiner in the English Department. Ross Wargula will be replacing Tom Schuller in the HS Special Education Department. Mr. Schuller will be moving to the Middle School to teach Health/PE. We are looking forward to the educational opportunities and enthusiasm that they will add to our already amazing staff!

In April, we broke ground on our new Career and Technical Education Addition. The space will be around 5400 square feet when it is completed and will be used to continue to develop our Husky Career Pathways. Each year students take a Husky Career Pathways curriculum that is embedded into 9th grade Health. The purpose of the class is to learn about careers in the following areas: Business Management and Administration, Agriculture/Natural Resources, Arts/Information Systems, Manufacturing/Engineering/Technology, Health Sciences, and Human Services. Students will take interest and aptitude surveys, learn about 21st Century skills, take field trips to local businesses, and listen to speakers on various careers. At the end of the class, students will select a Career Pathway that fits their interests. Students will review their Husky Pathway every year to see if it is still the best fit for them and select elective classes based on their pathway.

We are adding several new courses this year. Our new College In the Schools (CIS) classes for this year are as follows: (the classes are taught by our JCC HS Staff and students receive college and high school credit):

Introduction to Composition, Mythology, Intro to Literature, Government, Psychology, Western Civilization, and US History. We are also adding the following new high school only credit classes: Robotics, Sociology, Conceptual Physics, History of Pop Culture, and Landscape Design.

Students will also have two unique class opportunities this year that will be taught in a double block. The first class is CEO (Creating Entrepreneurial Opportunities). It is taught in our local businesses by a class facilitator and students create their own individual business. Students will also promote their business at a local trade show at the end of the year. The class is composed of students from Jackson, Windom, and Mountain Lake. Students had to apply and be selected for the program. Out of the 20 students participating in the program this year, eleven students are from Jackson. Our second double blocked class is Construction and Geometry. It will be team taught by Adam Manderfeld and Rhonda Schmidt. Students will learn geometry concepts and then use those concepts to build shop projects. We currently have twenty-four students who have enrolled in this class.

Mark your calendars for August 17th for our Back to School Night in the HS Auditorium. Instead of having three different nights, we have decided to combine them into one night. Please see the schedule listed below. We will have a parent/student meeting to discuss the handbook and any other changes for the new school year. After the student/parent meeting, all students will be able to pick up a copy of their schedule and their assigned locker, pay class dues, put money into their lunch account, and pick up their Chromebooks.

8/7/23	5:00 PM	FFA Back to School Parent Meeting

LOCAL FOUNDERS OF THE ONE HUSKY PACK CAMPAIGN WITHIN JCC SCHOOLS

Our Mission

Uniting our communities to inspire all learners to live a healthy, positive lifestyle with a focus on reducing and preventing alcohol, tobacco, and other drug (ATOD) use.

Our Campaign

Our One Husky Pack campaign was founded to share that most Huskies are choosing NOT to drink alcohol and/or vape, and to keep growing the good that is already happening at JCC!

Our Events

Throughout the year, we sponsor or participate in events to give middle school and high school kids a safe, chemical-free environment to have fun. So far, we've been a part of things like outdoor movies, swim nights, sand volleyball, bonfires at the fair, chess tournaments, and covering admission to post-prom.

Follow us online to learn more about our upcoming events and meetings!

JCC Nutrition Services Mission Statement : “TO FUEL OUR STUDENTS FOR THE SCHOOL DAY BY PROVIDING NUTRITIOUS MEALS AND PROMOTE HEALTH AND WELLNESS THROUGHOUT THE DISTRICT. OUR STAFF STRIVE TO DISPLAY EXCELLENT CUSTOMER SERVICE AND CREATE A WELCOMING ENVIRONMENT FOR OUR STUDENTS.”

2023-2024 MEAL PRICING

On Friday, March 17, 2023, Governor Walz signed the Free School Meals bill into law. This will take effect with the July 1, 2023 - June 30, 2024 school year. This legislation provides the reimbursement for a free breakfast and lunch to students who receive meals through their school’s participation in the National School Lunch Program (NSLP) and the School Breakfast Program (SBP). Schools that participate in the United States Department of Agriculture’s (USDA) National School Lunch Program (NSLP) must now participate in the state funded Free School Meals Program.

Meal Account Payments

- CASH or CHECK payments should be given to the administrative assistant in the school office.
- Place CASH PAYMENTS in a sealed envelope with full name of student(s) written on the outside.
- For CHECK PAYMENTS, please write your student(s) full name in the memo section of check.
- If you would like the PAYMENT SPLIT between family members, please let us know how you would like it split.
- Payments turned in after 9:00 a.m. may be processed the following day.

Low Balance/Negative Reminders

- During the School Year automated reminders will be sent via text/email when a students account is below \$15.00. This applies to students who purchase a la carte items or second meals or additional milk.
- Insufficient Funds Policy: It is the parent’s responsibility to keep a positive balance in the student’s account.
- Students are not allowed to purchase any a la carte items if their account balance is zero or negative.
- A la carte items include extra entrees, extra milk or milk only, side items, or any other items not included in a reimbursable meal.
- Purchases cannot be made using a friend’s account.
- For student accounts with negative balances, the food service director or building administrator may make calls or send emails to parents.
- Meal account balances carry over year to year.

Annual Application for Educational Benefits (Free/Reduced Application)

Parents are strongly encouraged to read the Application for Educational Benefits information thoroughly and fill out if they may qualify. Applications need to be completed yearly. The application and information are included with this newsletter, at the building offices, or available online at www.jccschools.com. Questions about this form should be directed to

Kari Rubitschung at kari.rubitschung@jccschools.net or 507-847-6637.

APPLICATION FOR EDUCATIONAL BENEFITS

Who should complete this application? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can qualify without reporting household income. Alternatively, children can qualify if their household income is within the maximum income shown for their household size on the instructions.

COMMON QUESTIONS:

I get WIC or Medical Assistance. Can my children qualify? Children in households participating in WIC or Medical Assistance do not automatically qualify. Children may be eligible depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for you to fill out an application.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the income information or case number I give be checked? It may be. We may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval will be protected as private data. For more information see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

If you have other questions or need help, email kari.rubitchung@jccschools.net or call 507-847-6637.

How to Complete the Application for Educational Benefits

Complete the Application for Educational Benefits form for school year 2023-24 if any of the following applies to your household:

- Any household member currently participates in the Minnesota Family Investment Program (MFIP), or the Supplemental Nutrition Assistance Program (SNAP), or the Food Distribution Program on Indian Reservations (FDPIR) or
- The household includes one or more foster children (a welfare agency or court has legal responsibility for the child) or
- The total income of household members is within the guidelines shown below (gross earnings before deductions, not take-home pay). Do not include as income: foster care payments, federal education benefits, MFIP payments, or value of assistance received from SNAP, WIC, or FDPIR. Military: Do not include combat pay or assistance from the Military Privatized Housing Initiative. The income guidelines are effective from July 1, 2023 through June 30, 2024.

Maximum Total Income

Household size	\$ Per Year	\$ Per Month	\$ Twice Per Month	\$ Per 2 Weeks	\$ Per Week
1	26,973	2,248	1,124	1,038	519
2	36,482	3,041	1,521	1,404	702
3	45,991	3,833	1,917	1,769	885
4	55,500	4,625	2,313	2,135	1,068
5	65,009	5,418	2,709	2,501	1,251
6	74,518	6,210	3,105	2,867	1,434
7	84,027	7,003	3,502	3,232	1,616
8	93,536	7,795	3,898	3,598	1,799
Add for each additional person	9,509	793	397	366	183

Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- **Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- **Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly. Do not include occasional earnings like babysitting or lawn mowing.
- **Adult income.** Report the names of adult household members and income earned in this section.
 - List all adults living in the household not listed in Step 1, whether related or not, such as grandparents, relatives, or friends.
 - **Gross Earnings from Work.** This is usually the money received from working at jobs where a paycheck is received. For each income, check the box to show how often the income is received: weekly, bi-weekly, twice per month, or monthly.
 - List gross incomes before deductions, not take-home pay. Do not list an hourly wage rate. For adults with no income to report, enter a '0' or leave the section blank. For seasonal work, write in the total annual income.
 - **Are you Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
 - **Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

Step 4: Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4.

Optional: Please provide the information on ethnicity and race that is requested on the second page of the form. This information is not required and does not affect approval for school meal benefits. The information helps to ensure we are meeting civil rights requirements and fully serving our community.
