

AP Exam Access for Ada District Residents Not Enrolled in Ada Schools

In accordance with Oklahoma law (70 O.S. § 1210.704), Ada Public Schools provides access to Advanced Placement (AP) examinations for students who reside within the boundaries of the district.

Students do **not** have to be enrolled in Ada Public Schools or in a district AP course to request access to an AP examination. This opportunity is available to eligible district residents, including students attending public schools, nonpublic/private schools, virtual schools, homeschools, or other educational settings as long as they reside within the boundaries of the Ada school district.

AP Exams Available

For the 2026-2027 school year, Ada will provide access to the following AP examinations:

Testing locations and reporting times will be communicated to registered students before the examination date.

Registration

Please complete the AP Exam Request Form by **March 1, 2027**, if you reside within Ada Public Schools district boundaries, are not currently enrolled in Ada school, and would like to take an AP examination through the district.

After submitting the request form:

1. The district facilitator for Advanced Placement will contact you with additional information and instructions for completing the registration process.
2. You will be asked to provide documentation verifying residency within Ada Public Schools district boundaries.
3. All required registration materials must be completed by November 13, 2026.
4. All applicable examination fees must be submitted by November 13, 2026. Requests submitted after March 1, 2027 will be considered based on district procedures, College Board ordering deadlines, testing capacity, and exam availability. Late fees will apply.

AP Exam Fees

The estimated fee for each AP examination is \$99.00.

Late exam orders or unused exams will incur an additional \$40.00 fee.

Students who are not enrolled in Ada will be responsible for an additional \$30.00 administrative fee to cover additional proctors and related testing costs.

AP Exam fees must be submitted on or before November 13, 2026 to not incur a late fee. The last day to pay for the AP exam is March 12th with an additional \$40.00 late fee.

Testing Accommodations

Students requesting testing accommodations must follow College Board procedures for AP examination accommodations. Students or families who anticipate needing accommodations should indicate this on the AP Exam Request Form. The district facilitator will contact the family regarding documentation, applicable College Board procedures, and required timelines.

Testing Expectations

Registered students will receive information regarding:

- Testing location
- Arrival and dismissal times
- Required identification or materials
- Technology requirements for digital AP examinations
- Items permitted and prohibited in the testing environment
- Other College Board and district testing procedures

Students are expected to follow all College Board and district testing requirements.
