A job description is not a contract of employment or a promise or guarantee of any specific terms or conditions of employment. The school district may add to, modify or delete any aspect of this job (or the position itself) at any time as it deems advisable.

Organizational Chart

ADOPTED: April 13, 2006 SUMNER COUNTY BOARD OF EDUCATION
 REVISED: February 7, 2018

BOARD POLICY
 School District Organization Plan

Descriptor Code: AC-E

Office of the Superintendent

Sumter County School System Job Description

Superintendent of Schools

Work Schedule: 240 days

Organization: Office of the Superintendent

Retirement System: TRSGA

Reports to: Board of Education

FLSA Status: Exempt

Primary Function

To direct and supervise all activities and personnel of the system in order to develop and maintain the best possible program within the policies of the Board of Education.

Essential Duties

Attends and participates in all meetings of the Board and its committees, except when own employment or salary is under consideration.

Advises the Board on the need for new and/or revised policies and sees that all policies of the Board are implemented.

Prepares the annual operating budget recommendations and implements the Board's approved budget.

Prepares and submits the Board recommendations relative to all matters requiring Board action, placing before Board such necessary and helpful facts, information, and reports as are needed to insure the making of informed decisions.

Informs and advises the Board about the programs, practices, and problems of the schools and keeps the Board informed of the activities operating under the Board's authority.

Secures and nominates for employment the best qualified and most competent teachers, supervisory, administrative, and other personnel.

Assigns and transfers employees as the interest of the district may dictate and recommends appropriate action.

Reports to the Board the case of any employee whose service is unsatisfactory and recommends appropriate action.

Holds such meetings of teachers and other employees as necessary for the discussion of matters concerning the improvement and welfare of the schools.

Essential Duties - continued

Keeps the public informed about modern educational practices, educational trends, and the policies, practices, and problems in the district's schools.

Delegates at own discretion to other employees of the Board the exercise of any powers or the discharge of any duties with the knowledge that the delegation of power or duty does not relieve the Superintendent of final responsibility for the action taken under such delegation.

Keeps informed of modern educational thought and practices by advanced study, by visiting school systems elsewhere, by attending educational conferences, and by other appropriate means and keep the Board informed of trends in education.

Studies and revises, with the staff, on a continuous basis, all curriculum guides and course of study.

Makes recommendations with reference to the location and size of new school sites and of additions to existing sites; the location and size of new buildings on school sites; the plan for new school building; all appropriations for sites and buildings; and improvements; alterations; and changes in the buildings and equipment of the district.

Recommends to the Board for its adoption all courses of study, curriculum guides, and major changes in texts and time schedules to be used in the schools.

Submits to the Board a clear and detailed explanation of any proposed procedure which would involve either departure from established policy or the expenditure of substantial sums.

Maintains adequate records for the schools, including a system of financial accounts; business and property records; and personnel; school population; and scholastic records. Acts as custodian of such records and of all contracts, securities, and documents, title papers, books of records, and other papers belonging to the Board.

Makes recommendations to the Board concerning the transportation of pupils in accordance with the law and requirements of safety.

Provides suitable instructions and regulations to govern the use and care of school properties for school purposes.

Attends, or delegates a representative to attend, all meetings of municipal agencies at which matter pertaining to the public schools appear on the agenda are expected to be raised.

Additional Responsibilities

Adheres to all District policies and procedures

Ensures all rules and regulations are followed

Performs other duties as assigned by the Board of Education

Education and Experience

Education Level: Doctorate Degree

Minimum 3 years of experience working in an educational leadership position, preferably at the District Level – Required
Successful classroom teaching experience – Preferred

Minimum Qualifications:

Certification/Licensing: GAPSC Leadership Certificate

Strong background in school administration and supervision

Strong background in curriculum and instruction trends and techniques

Must be able to perceive the needs of the total school program

Strong decision-making ability, budget experience, proven performance and resource management skills

Ability to articulate best practices in standards-based instruction, implement, and monitor alternative education models
Ability to effectively lead, organize, and direct the work of others

Knowledge of school and school district policies and practices

Demonstrated ability to implement the District’s strategic plan

Ability to relate to a wide variety of people and to observe, listen and provide leadership which results in the best possible work environment
Excellent verbal and written communication

Pleasant personality, cooperative attitude, physical skills and stamina to perform responsibilities and duties

Note: This is not necessarily an all-inclusive list of responsibilities, skills, duties, requirements, efforts, functions or working conditions associated with the job. This job description is not a contract of employment or a promise or guarantee of any specific terms or conditions of employment. The school district may add to, modify or delete any aspect of this job (or the position itself) at any time as it deems advisable.

School Nutrition

Sumter County School System Job Description

Director of School Nutrition

Work Schedule: 240 days

Organization: Operations - School Nutrition

Retirement System: TRSGA

Reports to: Superintendent

FLSA Status: Exempt

Primary Function

The District School Nutrition Director will oversee all aspects of the district Child Nutrition Program (CNP) operation. The job functions include administrating, planning, directing assessing, implementing, and evaluating the program in order to meet the nutritional and educational needs of children, as they relate to the CNP. The school nutrition professional shall partner with others in the school district and community to solicit support for the development of a sound nutrition assistance food program while following federal, state, and local guidelines. The CNP is to provide an environment that supports healthy food habits while maintaining program integrity and customer satisfaction.

Essential Duties

Establishes quality standards for the presentation and service of food.

Implements a district-wide customer service driven philosophy that focuses on value and satisfaction.

Sanitation, Food Safety, and Employee Safety

Establishes procedures to ensure that food is prepared and served in a sanitary and safe environment.

Develops and integrates employee safety regulations into all phases of the school foodservice operation.

Establishes procedures and policies for risk management.

Establishes measurable financial objectives and goals for the CNP

Manages the CNP using appropriate financial management techniques.

Implements efficient management techniques to ensure all records and supporting documentation are maintained in accordance with local, state, and federal laws and policies.

Develops procedures to ensure the food production system provides safe nutritious food of high quality.

Ensures operational procedures for efficient and effective food production and distribution.

Develops and enforces HACCP Plan for the school system.

Essential Duties - continued

Implements a cost-effective procurement system.

Develops purchasing guidelines to ensure purchased food and supplies reflect product knowledge, customer preferences, district needs, policies, and nutrition objectives.

Establishes standards for receiving storing, and inventorying food and non-food supplies based on sound principles of management.

Ensures CNP compliance with all local, state, and federal laws, regulations, and policies.

Provides technical assistance and training for school foodservice personnel, school administrators, and other school support staff.

Develops guidelines for providing services in response to disaster or emergency situations.

Develops cost-effective menus that maintain nutrition integrity and meet all local, state, and federal guidelines and regulations.

Assesses customer preferences, industry trends, and current research to plan menus that encourage participation in the CNP.

Works with school staff, teachers, parents, and physicians to plan menus for children with special nutrition needs.

Employs management techniques to maintain an effective and efficient CNP.

Develops short and long term goals through strategic planning for the district school foodservice program that supports the philosophy and policies of the Board of Education.

Implements policies and procedures to ensure the effective operations of CNPs.

Develops a long-range program for establishing professional status for the CNP's role in the education community.

Reviews current research information to determine health and nutrition-related trends and foodservice management developments; and develops innovative program changes and expansions based on this information.

Implements personnel policies and procedures for the CNP according to local, state, and federal regulations and laws.

Develops job performance standards that provide for performance improvement.

Develops methods for hiring, training, and evaluating personnel that recognize education, experience, performance, and certification.

Essential Duties - continued

Establishes procedures to implement employee contract agreements, progressive discipline, and formal grievances.

Establishes standards for the professional development of the district's CNP personnel

Assists with designing and planning facilities that ensure high quality customer service, wholesome food production, and efficient workflow.

Determines equipment needs and specifications consistent with program needs and budget.

Develops and implements policies and procedures to ensure environmental responsibility.

Establishes a waste management system for the CNP that is effective, economical, and environmentally safe.

Develops a marketing plan to attract students, parents, teachers, administrators, support staff, and community.

Conducts an on-going evaluation of the marketing plan.

Communicates program information to encourage and secure support for the school food and nutrition program from the Board of Education, administrators, faculty, students, parents, and community.

Implements a plan for providing foodservice for special functions consistent with Board of Education policies.

Implements management information systems that increase the productivity and efficiency of the school food and nutrition operation.

Trains staff to use computer technology in individual school sites to improve management techniques.

Develops and implements a comprehensive nutrition education program using school cafeterias as learning laboratories.

Establishes role of the CNP as a resource for expertise in the development and presentation of nutrition education materials and activities.

Additional Responsibilities

Maintain open lines of communication with other department administrators within the district

Submit all required reports and budgets in a timely manner

Adheres to all District policies and procedures

Ensures all rules and regulations are followed

Additional Responsibilities - continued

Performs and directs job related proficiency with the highest ethical integrity.

Performs and directs with a commitment to promote a quality CNP that meets the nutritional needs of the customers served.

Performs and directs with an overall nature that is committed to the goals and visions of the school district.

Performs and directs any activities as required by Superintendent.

Minimum Qualifications

Education Level: Masters Degree in the area of Family and Consumer Science Education, Nutrition or a related area.

Georgia Educator Certificate in the area of Family and Consumer Science Education, Nutrition or related area. (Type T, Level 5)

Certification/Licensing: Georgia Educator Certificate in the area of School Nutrition Director (P-12), (Type S, Level 5) Membership in the American School Nutrition Association, the Georgia School Nutrition Association, District School Nutrition Association and Local Association.

Proficiency Skills: Written and oral communication skills, administrative, supervisory and leadership skills. Ability to deal with multiple tasks, computer competence, organizational and interpersonal skills.

Personal Skills: Pleasant personality, cooperative attitude, physical skills and stamina to perform responsibilities and duties.

Note: This is not necessarily an all-inclusive list of responsibilities, skills, duties, requirements, efforts, functions or working conditions associated with the job. This job description is not a contract of employment or a promise or guarantee of any specific terms or conditions of employment. The school district may add to, modify or delete any aspect of this job (or the position itself) at any time as it deems advisable.

Knowing, caring for and maintaining your assigned vehicles.

Operating your vehicle properly.

Maintain a current CDL license with the necessary endorsements for operating a school bus.

Essential Duties - Continued

At times, transport students on a bus (as a substitute bus driver, for evacuation purposes, etc.). When doing so, you will be required to adhere to the policies and procedures outlined in the bus driver's handbook that pertain to the transporting, loading and unloading of students (Appendix A, Sections 6-10).

Assign spare buses to drivers whose buses are out of service (this will include maintaining a record of which spare bus is assigned to which driver).

If you unlock a door to a storage area or to the shop, lock it back before you leave at the end of the workday.

Your shop work area should be in a clean and orderly state before you leave at the end of the workday. If you make a mess in some other area of the shop, clean it up.

Any valuables found on or in a vehicle should either be left where found or turned in to the transportation department secretary.

Tools should be cleaned, put away and your tool box locked before you leave at the end of the workday.

You are responsible for all tools assigned to you.

You are not to obtain tools from another technician's toolbox without that technician's (or the shop foreman's) knowledge and consent.

You are responsible for the care and return of tools you borrow from the tool room or from someone else.

Keep an accurate record of work completed and materials used and the applicable inspection records.

Know, abide by and enforce school system policies.

Carry a phone for designated two-week periods for on-call/after hours service calls.

Make road service calls during regular work hours and at other times as necessary.

Direct the work of other skilled or semi-skilled staff.

Additional Responsibilities

Ensures all rules and regulations are followed

Adheres to all District policies and procedures

Performs other duties assigned by Director of Transportation Maintenance

Minimum Qualifications

Education: High school diploma or completion of a General Education Development (GED) testing program;

Certification/Licensing : Valid Georgia Class B CDL Driver’s License with P & S endorsements: to be acquired within 90 days of employment or as scheduling permits.

Experience: Minimum of two years experience as a Technician or equivalent work experience in medium/heavy duty truck repair.

Proficiency: Availability to answer emergency calls at all hours, including off-hours. Desire to advance in ASE School Bus Technician Certification. Must be willing to work in undesirable locations/conditions. Must be able to follow both written and verbal instructions and perform work assignments in a timely and effective manner. Must be able to work well with others. General computer skills required.

Level 1

-Capability of performing manual labor involved with washing buses or other cleaning chores around that may be required at the Transportation Department. Maintain a CDL with the appropriate endorsements in order to be available as a substitute bus driver when necessary. Be able to shuttle buses back and forth to outside shops. Be able to pass random DOT drug screenings. Other duties as assigned.

Level 2

-Must have at least one year mechanical background/experience and be able (physically, mentally) to repair, diagnose, and inspect school buses and other system vehicles. Must be willing to work to attain ASE certifications in the School Bus area. Will be responsible for some supervision of Level 1 shop personnel and mentor other new hires or lower level transportation employees. Be able to pass random DOT drug screenings. Other duties as assigned.

Level 3

-Show documentation of having attained certification in ASE standards S1 through S3 and have met all the standards outlined for Transportation Shop Personnel, Technician, **Level 2**.

Transportation - Technicians

Level 4

-Show documentation of having attained certification in ASE standards S4 through S7 and have met all the standards outlined for Transportation Shop Personnel, Technician, **Level 3 and Level 2.**

Level 5

-Show documentation of having attained ASE Master School Bus Technician certification and have met all the standards outlined for Transportation Shop Personnel, Technician, **Level 4, Level 3 and Level 2.**

Note: This is not necessarily an all-inclusive list of responsibilities, skills, duties, requirements, efforts, functions or working conditions associated with the job. This job description is not a contract of employment or a promise or guarantee of any specific terms or conditions of employment. The school district may add to, modify or delete any aspect of this job (or the position itself) at any time as it deems advisable.

Ignite College and Career Academy

CEO Job Description

Chief Executive Officer (CEO) of Ignite CCA

Work Schedule: Full Time/At Will

Organization: Ignite College and Career Academy (a Georgia Nonprofit Corporation operating a public school program as a business/K-12/higher education partnership)

Reports to: Ignite Board of Directors/Superintendent

FLSA Status: Exempt

Primary Function

The CEO ensures the continuous improvement of the community partnership and programs at the college and career academy. Additional responsibilities include but are not limited to directing the administrative, curricular and instructional services at the college and career academy, securing additional public and private assets of the nonprofit organization in support of the CCA's mission, and working well with the chief executives of the respective partners. The CEO will manage public assets with the assistance of the public funding fiscal agent (Sumter County Schools) and a private funding fiscal agent (One Sumter Economic Development Foundation, Inc.) under the oversight of the public-private Ignite CCA Board of Directors. Ignite is envisioned to become a regional partnership serving more than one public school system; Ignite already partners with regional post-secondary partners and employers from an 11-county area.

Essential Duties

Visionary, Innovative Leadership and Management

- Serves as Chief Executive Officer of Ignite College and Career Academy
- Shows initiative as a proactive leader to define and instill the culture and climate of the school
- Creates annual operating plans that support strategic goals and objectives set by the Ignite Board of Directors
- Demonstrates prior experience in vision and strategy development in a partnership environment
- Builds, modifies and maintains effective teams through focused leadership and the resolution of conflicts, barriers and differences among all partners, encouraging all partners to give primacy in spirit of the partnership and the mission of Ignite
- Recommends personnel actions to the superintendent(s), Board of Directors and higher education partners
- Provides leadership seamlessly connecting secondary education and post-secondary education to real jobs
- Develops Ignite's Annual Budget blending public and private investment

Workforce Development with Stakeholders and Implementers

- Collaborates with the principal(s), superintendent(s), and stakeholders to define and articulate the CCA's vision and to develop strategies for achieving that vision
- Builds workforce culture by promoting positive working environments and exercising consistent values that reflect the organization's mission
- Works with principal(s), CTAE Director and faculty to ensure the integrity of each program
- Leads the development of plans and specifications for new and renovated facilities for CTAE and academic programs
- Works jointly with the principal(s), ramps down projects/programs that are not meeting workforce development needs
- Coordinates the Industry Program Accreditation/Certification effort

- Researches, tracks and informs partners about legislation which impacts secondary and post-secondary environments
- Works with staff to ensure innovation and compliance

Partnership Building - Relationships and Funding

- Interacts with the business community and stakeholders to identify and secure/enhance sources of funding for projects and programs; primarily responsible for soliciting and managing private funds in support of Ignite
- Collaborates with area businesses, post secondary institutions and state agencies to provide workforce development in consideration of needs documented by the partnership under the CEO's leadership
- Coordinates the development of board-approved endowment and the initiatives supported by the proceeds of that endowment
- Practices data-driven decision-making utilizing private sector input and student performance information
- Assures that the academy and its mission, programs and services are consistently presented in a strong, positive image to relevant stakeholders
- Serves as the primary spokesperson and representative for the CCA to all stakeholders
- Routinely measures and reports progress to all stakeholders

Minimum Qualifications

Education: Bachelor's Degree or higher in business-related field or education required. Master's Degree or higher in business-related field or education preferred.

Experience: Required - Leadership experience in business, management and/or secondary or higher education— 7 years minimum. Preferred - Progressive leadership experience in a corporate environment for ten or more years; business experience combined with Middle-Secondary School (grades 6-12) instructional and leadership experience is a plus.

Certification/Licensure: Leadership Certification if an educator, and/or equivalent training if in the private sector. Must be or commit to become a Georgia Certified Economic Developer within five years.

Knowledge/Skills/Abilities:

Superior written and verbal communication skills

Knowledge of local, state, federal and/or private employment programs and grants preferred

Additional Information

Salary and benefits will be commensurate with experience. Healthcare and other benefits offered through public fiscal agent (Sumter County Schools). Teachers Retirement System of Georgia pension plan is offered through same fiscal agent, but candidate is free to suggest and/or negotiate an alternative solution with the Ignite Board of Directors. CEO will be evaluated primarily by the Board of Directors, who will work in conjunction with the Superintendent of Sumter County Schools. CEO will be the only employee of the nonprofit; all other faculty and staff connected with Ignite will continue to be employed and evaluated by their respective public education institutions.

Sumter County School System Job Description

Sumter County School System Job Description

Assistant Principal

Work Schedule: 220 days

Organization: Building Level - Certified

Retirement System: TRSGA

Reports to: Principal

FLSA Status: Exempt

Primary Function

The Assistant Principal is a member of the school leadership team. This role supports the Principal in providing the instructional and organizational leadership of the K-12 schools. The role serves as the school's advocate and works with all stakeholders to create a common vision for the school that best positions the school for success and engages students and their community. The Assistant Principal also works with others to execute a school improvement plan and allocates resources to continually improve student achievement. The Assistant Principal is also committed to building a talented instructional team and working with the Principal to ensure a safe, engaging learning environment for all students.

Essential Duties:

Demonstrates prompt and regular attendance

Assumes responsibility in the absence of the principal

Assists in the enforcement of policies concerning student discipline and attendance

Keeps the principal apprised of activities, situations, and developments that affect the school operation

Participates in the supervision and evaluation of professional and classified personnel

Assists in the supervision, observation and evaluation of staff

Assists in the supervision of the extracurricular program

Assists with safeguarding the health, safety and welfare of students

Assists with the maintenance and operations of the school facility

Assists with the supervision of student orientation, registration, and scheduling

Assists with the administration and supervision of the total school program in accordance with applicable regulations

Essential Duties continued

Serves as a member or facilitator of District Student Disciplinary Due Process Tribunal Hearing panels, as needed

Works with the principal, counselors, and faculty to establish and maintain an educational program consistent with the District’s philosophy, goals, objectives, policies, and procedures

Builds an environment that fosters collaboration and continuous improvement

Manages school financial, physical, and personnel resources to support optimal instruction

Serves as school’s advocate and regularly communicates with all stakeholders

Conducts routine administrative duties as assigned by the Principal

Additional Responsibilities

Performs other duties as assigned by the principal

Minimum Qualifications

Education: Master’s Degree in Education is required; higher degree is preferred

Certification/Licensure: Must hold or be eligible for a provisional or clear renewable Leadership Certificate Experience

Experience: Minimum of 3 years certified school experience required; experience as a classroom teacher at the applicable grade level preferred

Note: This is not necessarily an all-inclusive list of responsibilities, skills, duties, requirements, efforts, functions or working conditions associated with the job. This job description is not a contract of employment or a promise or guarantee of any specific terms or conditions of employment. The school district may add to, modify or delete any aspect of this job (or the position itself) at any time as it deems advisable.

Sumter County School System Job Description

Teacher - CTAE-Early Childhood Education

Work Schedule: 190 days

Organization: Teaching and Learning

Retirement System: TRSGA

Reports to: Principal

FLSA Status: Exempt

Primary Function

Provides instruction for teaching the theoretical and practical concepts, strategies and techniques associated with the field of Early Childhood Education within the Career, Technical and Agricultural Education (CTAE) framework.

Essential Duties:

Teaches students the fundamentals of Early Childhood Education including the applications and laboratory techniques commonly used in the industry.

Instructs students using effective instructional strategies such as research projects, group discussions, cooperative learning, project and problem-based learning.

Prepares engaging and challenging lessons for a balanced program of instruction, demonstration, and work time that provides students with opportunities to observe, question, and investigate.

Presents and leads students in demonstrations and laboratory experiments utilizing appropriate procedures and protocols.

Teaches the proper use of equipment and instruments and the relevant industry safety measures and OSHA workplace requirements.

Prepares, administers, and grades tests and assignments to evaluate students' progress.

Administers various types of assessments to monitor student's comprehension of content.

Administer and/or supports state and local testing processes and policies.

Attends in-person faculty meetings and professional learning sessions (GACTE Summer Conference, Cluster Drive-ins sponsored by the Georgia Department of Education, APS Professional Development, etc.).

Examines careers in Early Childhood Education and effectively guides students through industry career exploration.

Makes industry connections for the purpose of facilitating real world experiences for students such as classroom guest speakers, job shadows, service learning, and work-based learning.

Assists students as an advisor for CTAE student organizations.

Enhances course content in the form of remediation, modification and enrichment.

Analyzes data to improve instruction and models instructional strategies which promote student achievement.

Works collaboratively with Middle/High School teachers to vertical align curriculum and best practices, where applicable.

Effectively manages the learning environment, so that it is conducive to learning.

Additional Responsibilities

Attends school and District-level professional learning activities as directed

Prepares adequately for responsibilities to be assumed when absent

Seeks and maintains professional learning opportunities through State endorsed professional organizations. i.e., ACTE, GACTE

Facilitates home-school communication by such means as holding conferences, telephoning, and sending written communications

Integrates appropriate technology into classroom instruction
