# Adding a College to GaFutures Funding Application

*Sign into your GaFutures account

*On the left side of the page click on the My Dual Enrollment Profile Box

*On the right side of the page click the blue Apply Now box.

*Click the Add College(s) box

*Start typing the name of the college in the box. The drop-down box will take you to the college you typed in. Click on the name of the college. After the college shows in the box click Add College(s).
