TAWAS STUDENT MOMENTS

### Be the Reason Someone Smiles

Every day is a new opportunity to make a positive impact. Hold the door for someone, include a classmate who feels left out, or offer a few words of encouragement when someone needs them the most. You never know what someone else might be going through, and even the smallest act of kindness can make a big difference. This week, challenge yourself to be a leader through your actions, lift others up, and show what it truly means to be a Brave. Remember, your character matters just as much as your accomplishments!

WHATS HAPPENING

### NHS Blood Drive: Give Blood, Save Lives!

Did you know one blood donation can save up to 3 lives? More than 4.5 million patients in the US and Canada would die each year without lifesaving blood transfusions. Now, students and community members have an opportunity to make a difference! NHS is hosting a blood drive on Wednesday, October 21 from 9AM-2PM at the school. Anyone 18+ can donate; students ages 16-17 may donate with parent permission. Appointments are required through [versiti.org](https://www.versiti.org). Contact Mrs. Mejeur with questions or to get a permission form. One small act can make a life-changing difference. Sign up, roll up your sleeve, and help save lives!
