Parents and Students,

In an effort to decrease the number of vaping incidents by students on campus, buses, or school affiliated events, WCSSD would like to remind parents of the handbook, board and state policies on vaping. Board policy 1.803 states, "All uses of tobacco, electronic/battery operated devices, vapor products, and all other associated paraphernalia are prohibited in all of the school district's buildings and in all vehicles that are owned, leased, or operated by the district. Employees and students in the school district will not be permitted to use these products while they are participants in any class or activity in which they represent the school district." In accordance with TCA 39-17-1505, any student found to be in possession of any tobacco, smoking hemp, or vapor product will be cited in Carroll County Juvenile Court effective March 23, 2023.

Thanks,
WCSSD
