**Our mission is to
provide free
primary and mental
health care to the
working uninsured
of Coffee, Franklin
& Moore Counties**

DID YOU KNOW...

Primary care is a vital part of a person's overall health and wellbeing.

1 in 10 individuals in the state of Tennessee are uninsured.

1 in 5 people visit the emergency room when they could have visited a primary care physician.

Early screening and treatment are essential in the prevention and diagnosis of cancers and other chronic illnesses.

WE NEED YOUR SUPPORT

Your donation will go directly to Partners for Healing to benefit the Manchester clinic and is tax deductible. Will you commit to a weekly donation to make sure people in our community have healthcare?

GET INVOLVED

You can get involved with Partners for Healing by volunteering your time: maintenance, office support, case management and technology support are several areas where help is needed. We also encourage you to refer a friend or employee who might need assistance.
