Dear St. Anne Families,

It was wonderful to experience true spring-like temperatures at the beginning of this week. Our students were excited to get outside for recess and enjoy the bright sunshine and warm air. Recess is always a fun and important part of the day at St. Anne, and it was nice to see students making the most of the beautiful weather. Some were tossing a ball with friends, while others used brightly colored chalk to create cheerful drawings on the playground. We were even able to take advantage of Tuesday's warm and sunny weather to hold a fire drill.

A friendly reminder to our St. Anne families that our Tricky Tray will take place this weekend in the Community Center. The event will be open during the following times:

- Friday, March 13: 5:00 p.m. - 8:00 p.m.
- Saturday, March 14: 12:00 p.m. - 8:00 p.m.
- Sunday, March 15: 9:00 a.m. - 1:00 p.m.

Tricky Tray is always a wonderful event for our school and parish community and a great opportunity for families and friends to come together while supporting St. Anne School. We hope to see many of our families there throughout the weekend.

Congratulations to our eighth grade students who received the Sacrament of Confirmation on Monday evening. This is a very special milestone in their faith journey, and we are extremely proud of them. A special thank you to Mrs. Amy Lisson, our Director of Religious Education, and Ms. Sue Bennett, our middle school religion teacher, for the time, care, and dedication they gave in preparing our students for this important sacrament. Their guidance helped ensure that our students understood the meaning and significance of Confirmation.

We would also like to thank our parents and families for supporting your child's faith journey and for the encouragement you provide each day. Your partnership plays an important role in helping our students grow both academically and spiritually.

Next week, students will attend 8:45 a.m. Mass on Friday. In honor of **Saint Patrick** and **Saint Patrick's Day**, all students are invited to enjoy a **dress-down day on Tuesday, March 17!** 🍀 Students are invited to wear **green** to celebrate; just a quick reminder that jeans should **not have any holes**. We look forward to seeing lots of festive green throughout the building. Thank you, as always, for your continued support of St. Anne School. We wish everyone a wonderful weekend.

Blessings to you and your family,

Gregory J. Fries
