Dear Parents/Guardians,

It has been a wonderful start to the school year and your students arrived eager to begin their education.

Breakfast and lunch will continue to be free for all students for the 2021-2022 school year. Ala carte items (such as snacks, beverages...) may still be purchased.

Please fill out the free and reduced price school meal program form as it is still a required item for us to turn into the state. This application assists the school whether or not your family qualifies for the program.

Please feel free to call with any questions and concerns.

Thank you,

Tracie Kennedy
