

AR Code Of Honor

*I will use Accelerated Reader honestly and ethically.

*I will not share my login information with another student.

*Since AR should reflect what I have read and counts towards my Language Arts grade, I will not try to pass an AR quiz by watching a movie, video, or T.V. show.

*I am aware that students caught cheating on an AR quiz by: taking a test for another student, being in another student's account, communication of any kind during a test (talking, texting, etc.), consulting any other materials to aid with the test (text, websites, Youtube, book trailers, google, etc), or any other behavior deemed questionable by the teaching staff will result in the quiz removed from my record, and appropriate school disciplinary action.

*I am fully aware of the Accelerated Reader Code of Honor. I understand and will accept the consequences of not following these rules.

*I agree that submission of this form acts as an electronic signature in my agreement to behave ethically.
