Parents and Guardians, please check the lost and found rack for any missing jackets, sweaters and others items. There are several unclaimed items.

## TRANSPORTATION:

For safety protocol, if you are dropping students off at school in the morning, please utilize the front entrance as the drop off area and exit by the security station. Please do not enter or exit the bus drop off zone on the south side of the school building. Please call the front office to make bus changes on routes, etc. We kindly ask parents to park in the gravel parking area (south of main parking) to pick up your child afterschool at 3 p.m. Students without proper bus pass will require a sign out by their parent at the front office. The buses loading zone poses danger by creating potential blind spots, it is a designated area, staff assisting students boarding the buses, Your patience and understanding is greatly appreciated as we board the students and bring your child home.

Re: *Notification to Parents in Regards to Visiting Classrooms*

Dear Parents and Guardians,

To help ensure the safety and security of all our students, we kindly ask that all visitors sign in at the front office upon arrival. Parents and guardians will need to wait at the front office area when picking up or visiting their child.

Please note that, moving forward, visits to classrooms with teachers should be made in advance with the teachers. This change is made to maintain a safe and focused learning environment for our students.

We appreciate your understanding and cooperation as we work together to keep our school safe.

Thank you for your support.

Sincerely,

Ms. Cleveland, Instructional Coach *R. Cleveland*
