CROWN JEWEL '79

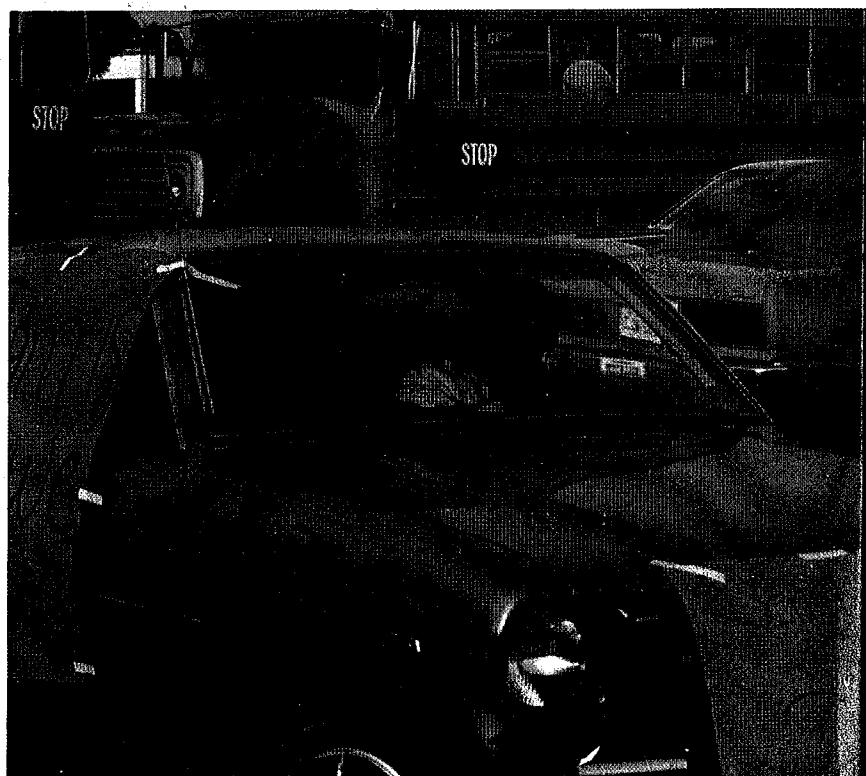

Lake Wales High School
 Lake Wales, Florida
 Volume 38

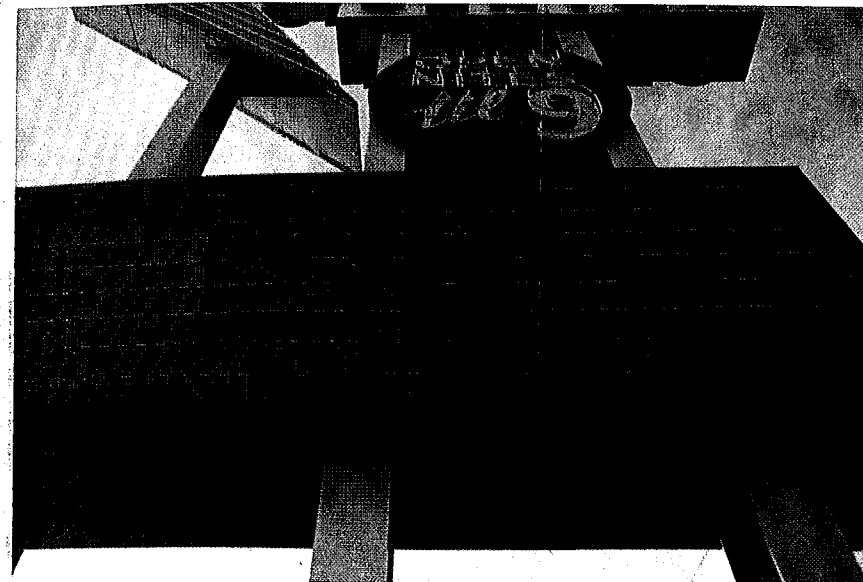

A community called Crown Jewel.
 Pride a feeling from inside.
 Cheerleaders shouting spirit.
 Listen! Can you hear it?
 Community joining in the action,
 Making a whole, not a fraction.

2

3

4

5

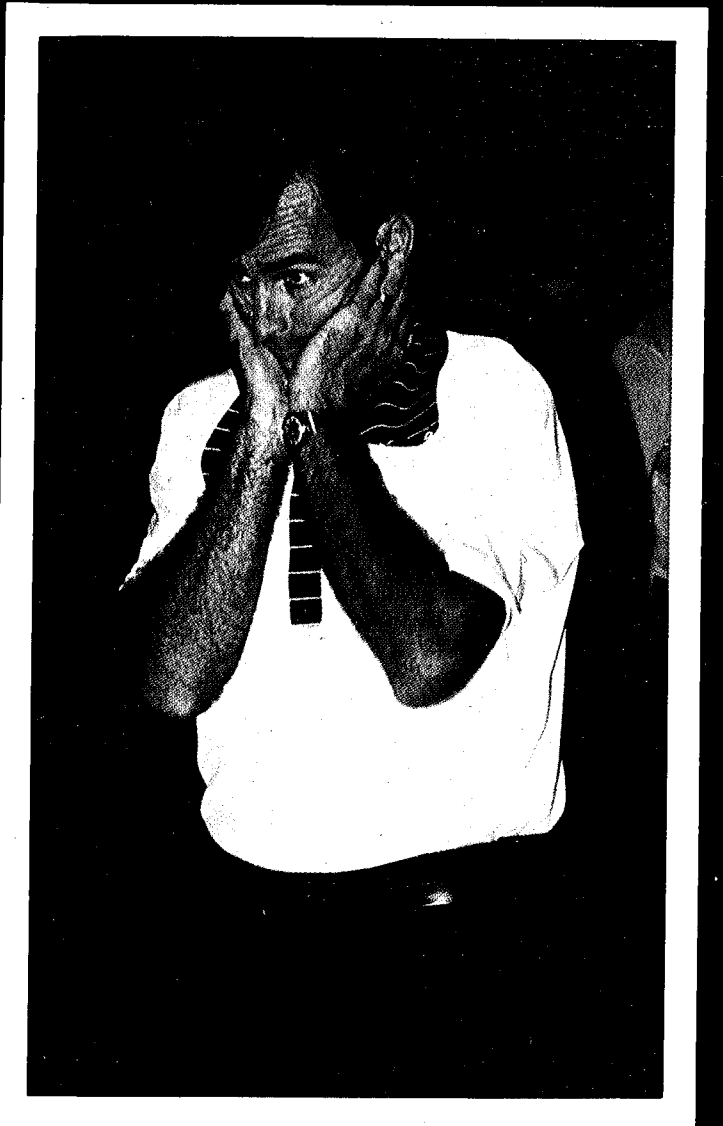

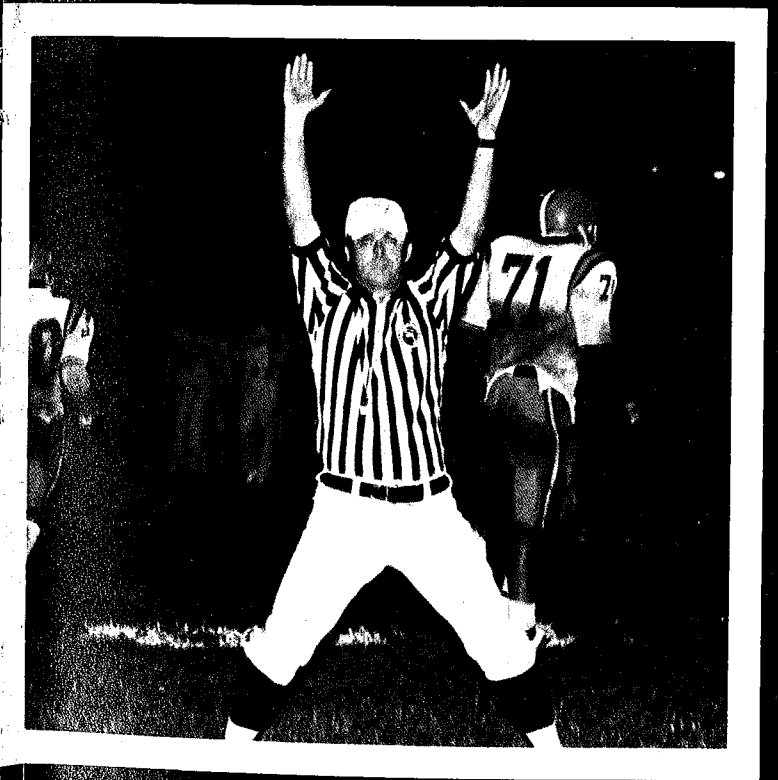

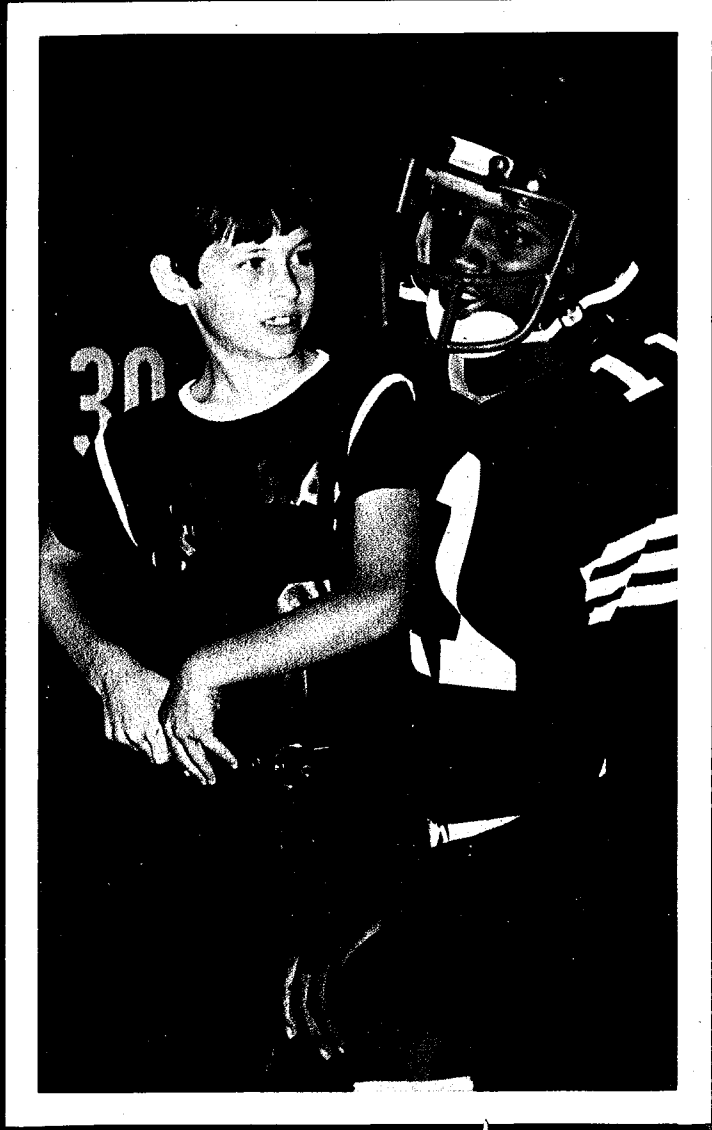

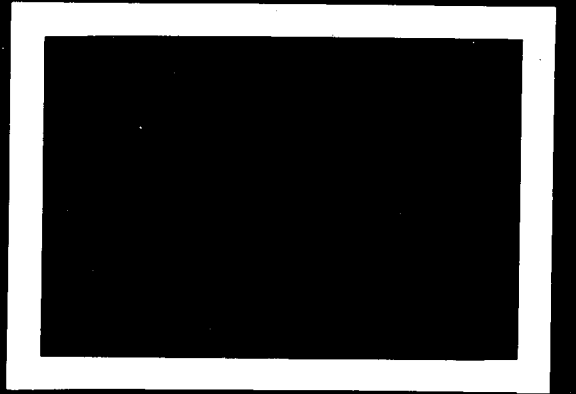

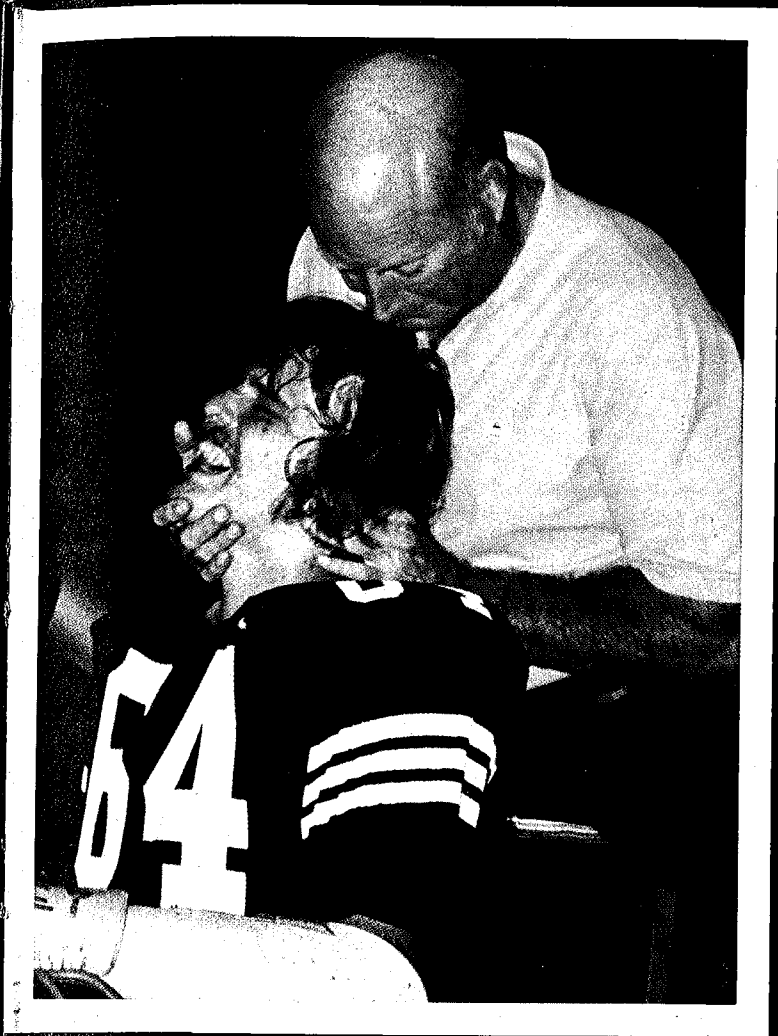

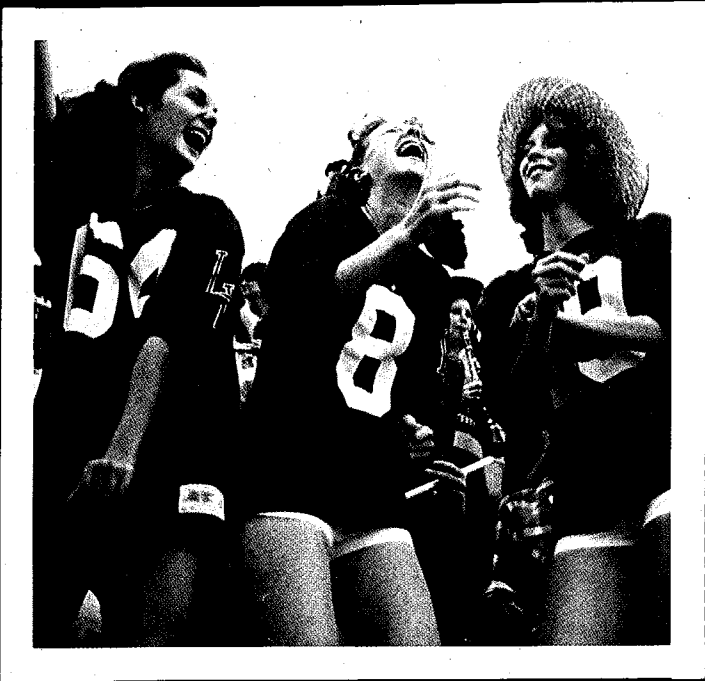

6

7

1. Jennifer Cheeks boosts the Highlanders.
2. Poppa Jay's joins the pride parade.
3. Caravan to the game.
4. More community support.
5. More fans join the caravan.
6. Everybody has that spirit.
7. Famous pride.

"Programming" down at the Passion Play,
 Banana splits without having to pay.
 A lot of hard work, but fun too.
Clubs united stuck together like glue.
 Banded together by stipulations and rules.
 Meeting and marching and acting like fools.
 Contributing talents, donating our time,
 Helping all others without asking a dime.

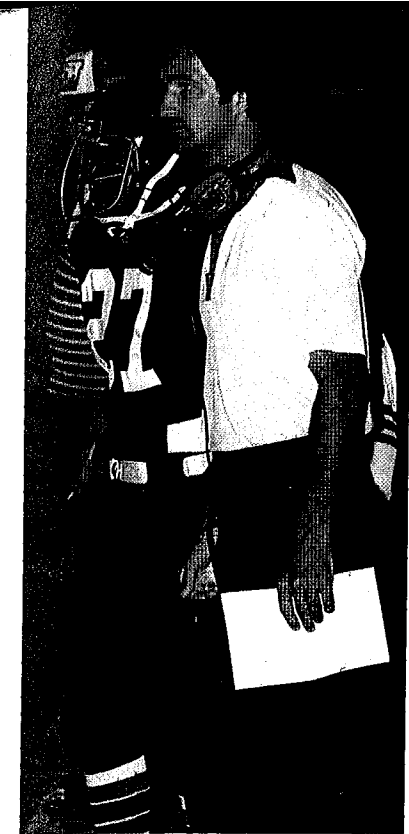

1

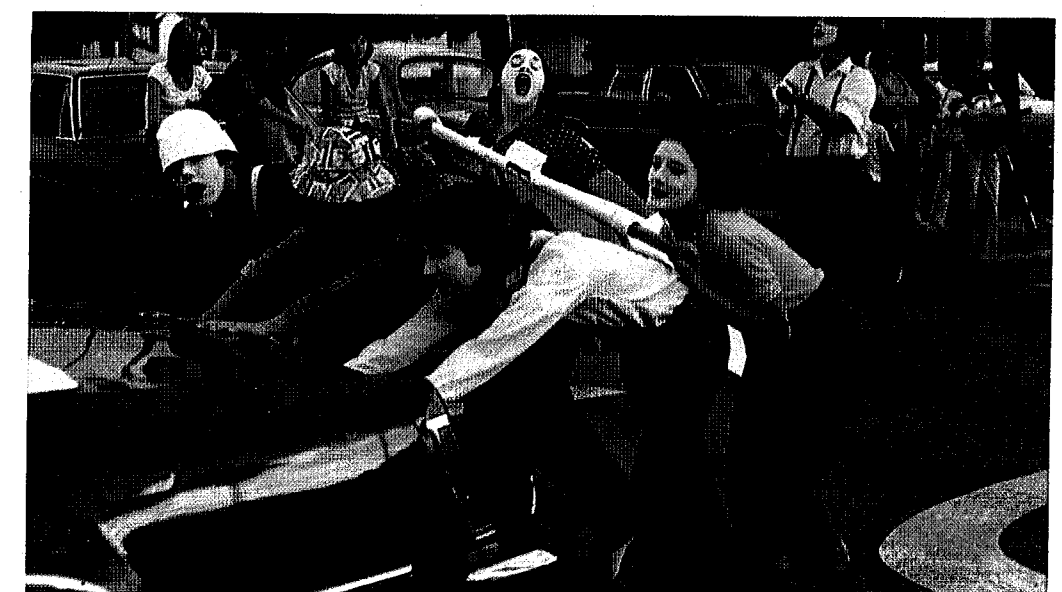

2

Service to the community and school,
 Our clubs and organizations
 Our Crowning Jewel.

3

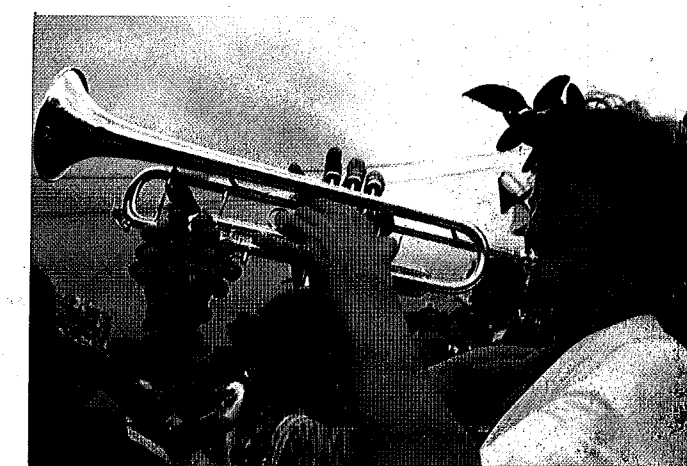

4

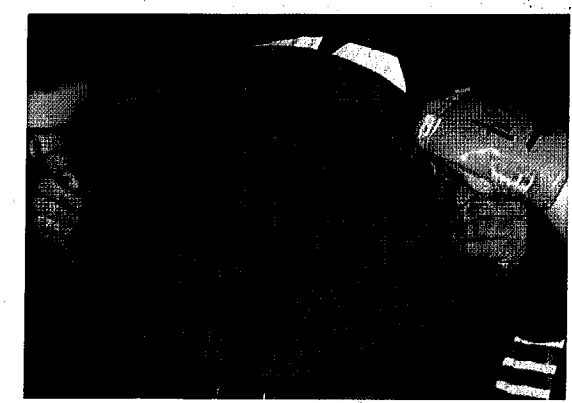

1. Shawn Spate, Vicki Collins represent Beacon Club in the parade. Mrs. Jack watches with others.
2. Don Dickey and other band members get ready for parade.
3. Coach Cobb — the pride behind the pride.
4. Mime troupe.
5. Dana Thomas, Jason Holmes
6. Andy Baldauf

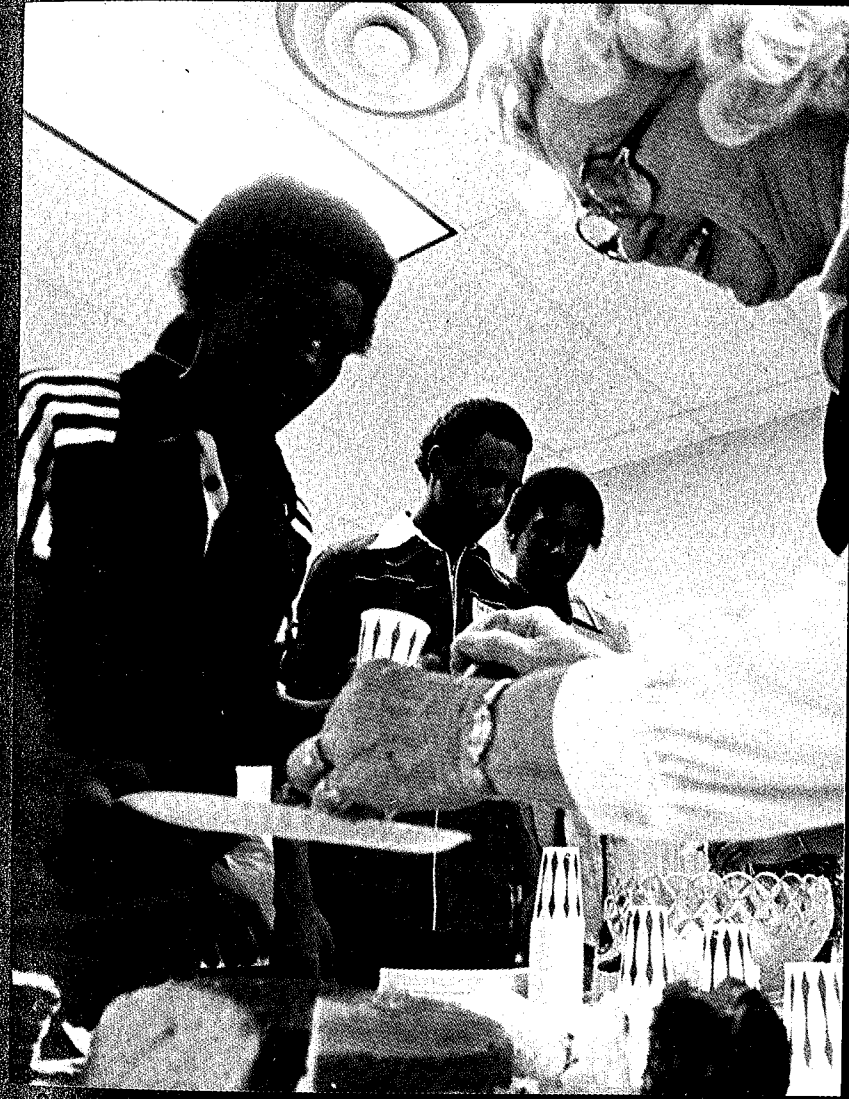

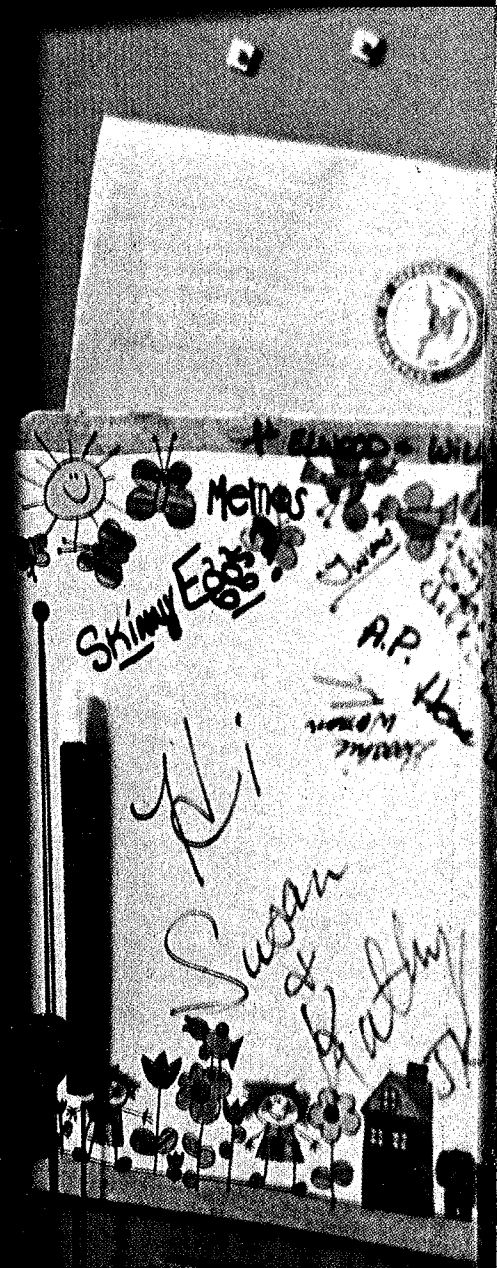

5

6

Nobody Does It Better

The day of the *parade* had finally arrived. The floats were lined up like a colorful chain. The workmanship evidenced how the students had strived, As each of the floats twisted down the main. The band was in dress both imaginative and bright. The ROTC units were ready to go. Peppy Cheerleaders, Candidates, wow what a sight! The parade had given the crowd quite a show.

9. Bonfire
10. Freshman float

Homecoming Festivities:

Homecoming at L.W.H.S. repeats with style,
 The victorious game made us 7 and 0.
 As the festivities were celebrated with a smile,
 And the band performed a traditional show.
 Candidates were escorted across the field,
 To the song, "What I Did for Love."
 As the climax of the week was revealed,
 Chris announced the king and queen from above.

Tradition With Style

Administrators Present Graduates

Faculty and staff — we see them six hours daily. They create a learning atmosphere, influence our lives, guide us through crises, show us paths we may choose to follow or reject. Sometimes we forget they're human, too, suffering their own moods, feelings of rejection and disappointment. Halls and classrooms are empty and meaningless without student/teacher interaction.

1

5

1. Administrators preside at Graduation ceremonies. 2. Mr. Roosevelt Smith, Assistant Principal in charge of maintenance. 3. Mr. Jim Chambers, Assistant Principal in charge of discipline. 4. Mr. Tom Freeman, Dean of Students. 5. Mr. Roger O'Brien, Assistant Principal for curriculum. 6. Mr. Rex Mercer, Principal.

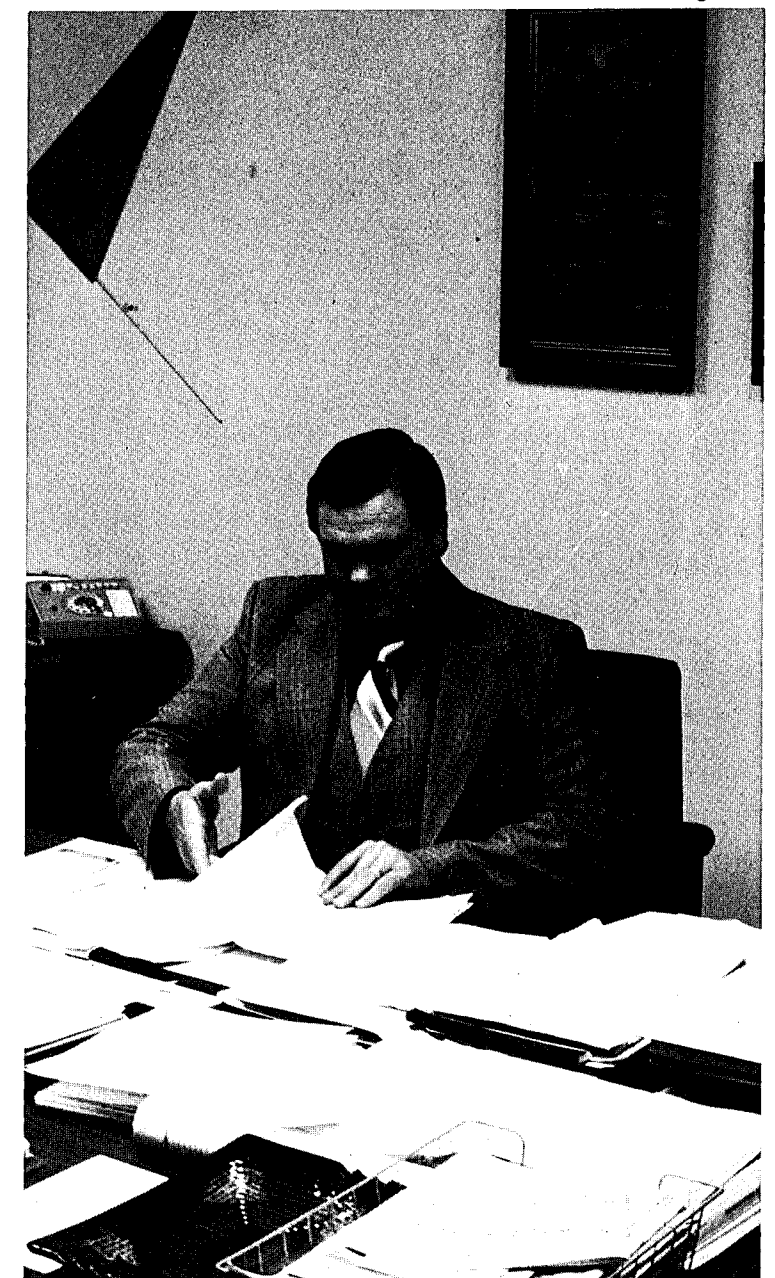

6

2

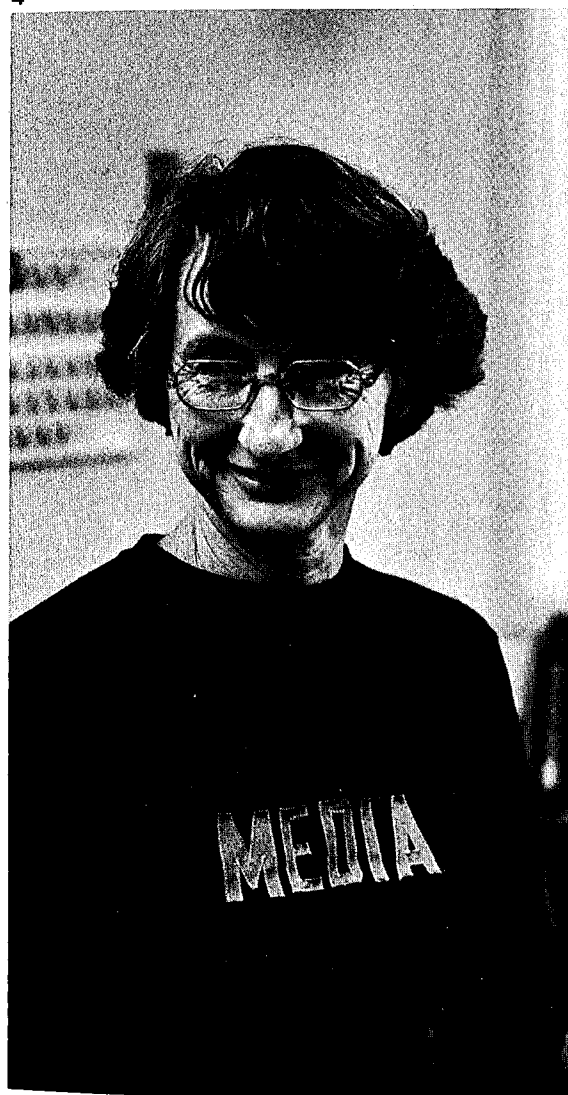

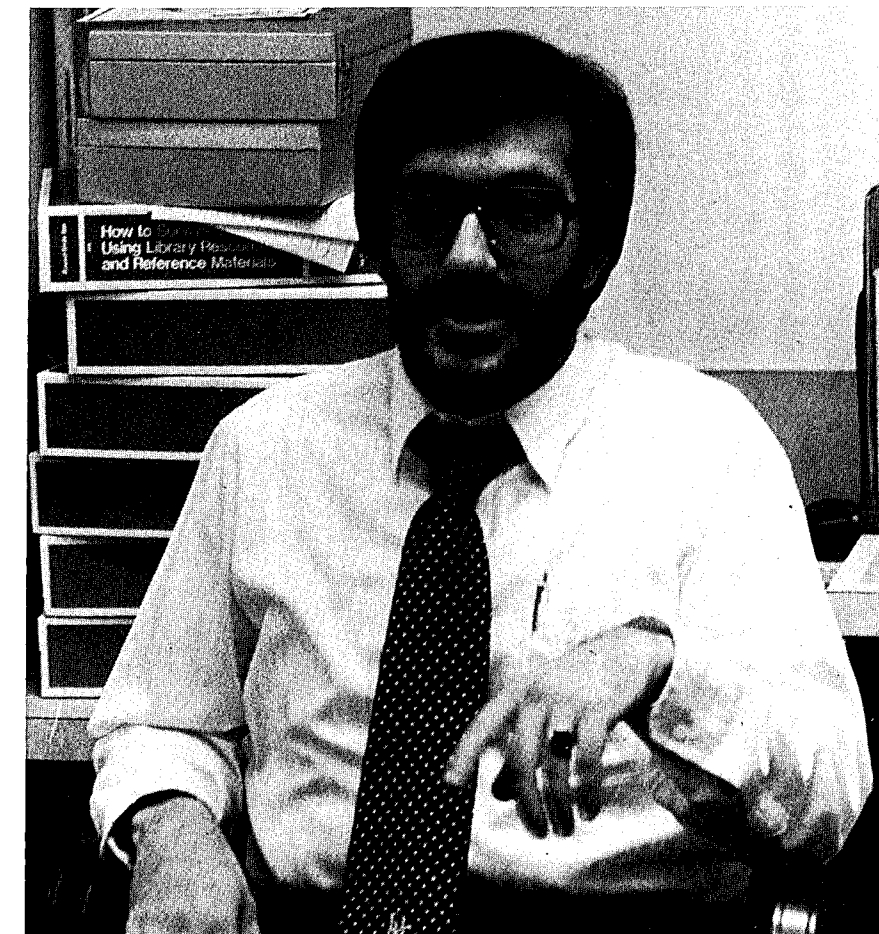

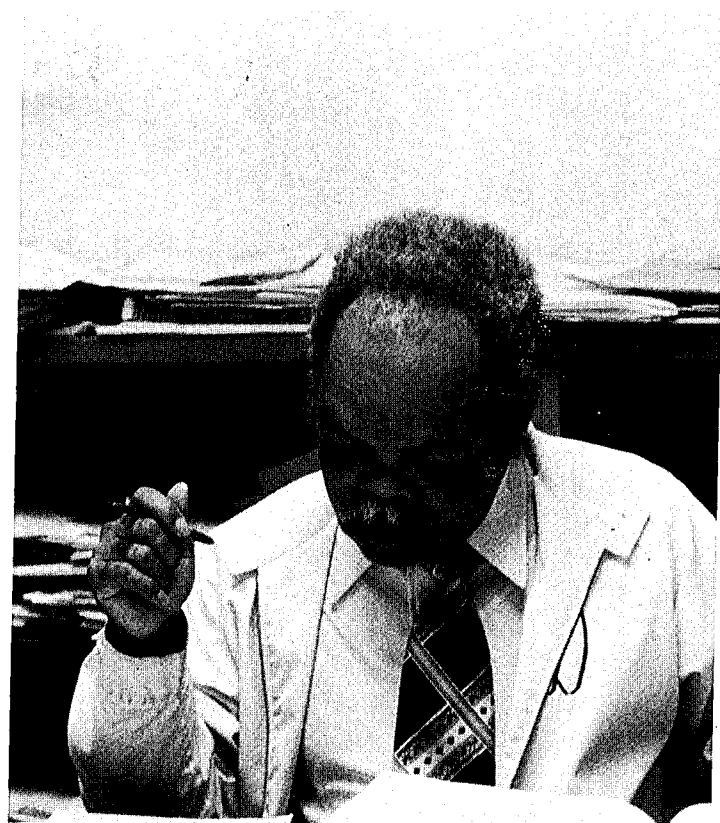

3

Special Departments Serve Students

The Guidance Department helped the students select classes most beneficial to them. Personal and vocational counseling as well as scheduling filled the working hours of the guidance personnel. The secretaries helped the administrators keep up with the student body. Working the student counter, making announcements and depositing funds collected were among their tasks. The Media Center was a big help to many students who needed to find materials for those last minute reports or to fill leisure with pleasure.

1. Mrs. Cofer types announcements. 2. Mr. Davis computes schedules. 3. Typical Fig Newton Sponsor, Mrs. Williamson. Her good humor helps students. 4. Mrs. May helps a teacher. 5. Media Bear, Mr. Scuderi, audio visual specialist. 6. Mrs. Hall is all smiles helping students. 7. Stanley Staton minds the desk as a media aid.

Cafeteria Serves Energy While Custodians Use It

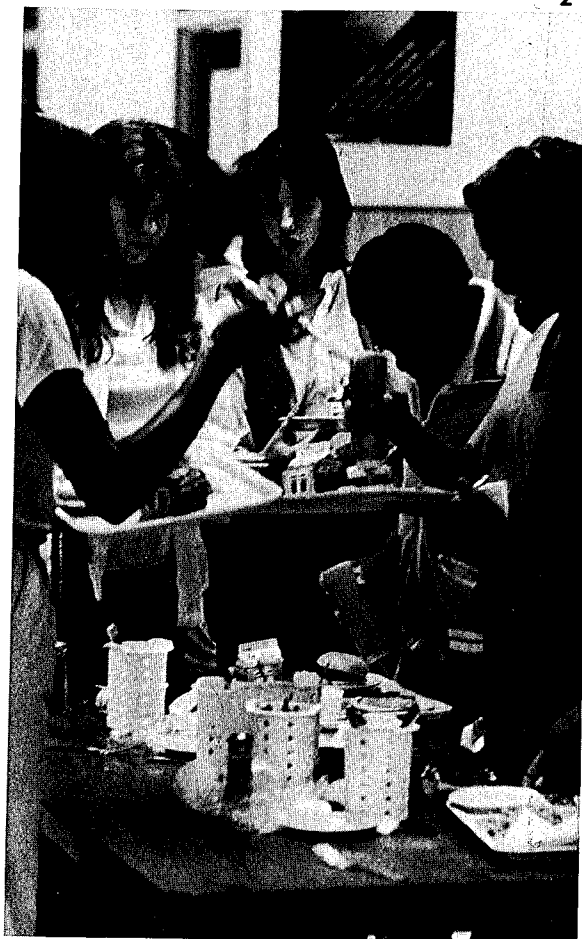

Eleven thirty never came too soon. Students poured into the cafeteria ready for a hot nutritional meal. Everyone skipped in line, including teachers, fought for forks and chose between chocolate and plain milk. With revived energy students trudged back to class, cookies in hand.

Spic-n-Span was the motto of our custodians. Carts, vacuums, dustcloths and brooms were always found with our staff. Sometimes students were almost run down by "The Mighty Vacuum Man." A good meal and a clean environment made the education process a lot easier for both the students and the faculty.

1. The Lunchroom ladies. 2. The mad fight for forks. 3. Mrs. Morgan finally takes a breather. 4. Lunchroom ladies show spirit. 5. "The Mighty Vacuum Man". 6. Susan Sharpless, Ken Bish, Angela Rigel relax at lunch.

Sitting: E. Wells, N. Baker, W. Coleman, D. Sessions. Standing: E. Preston, T. Cunningham, S. Powell, M. Nichols.

6

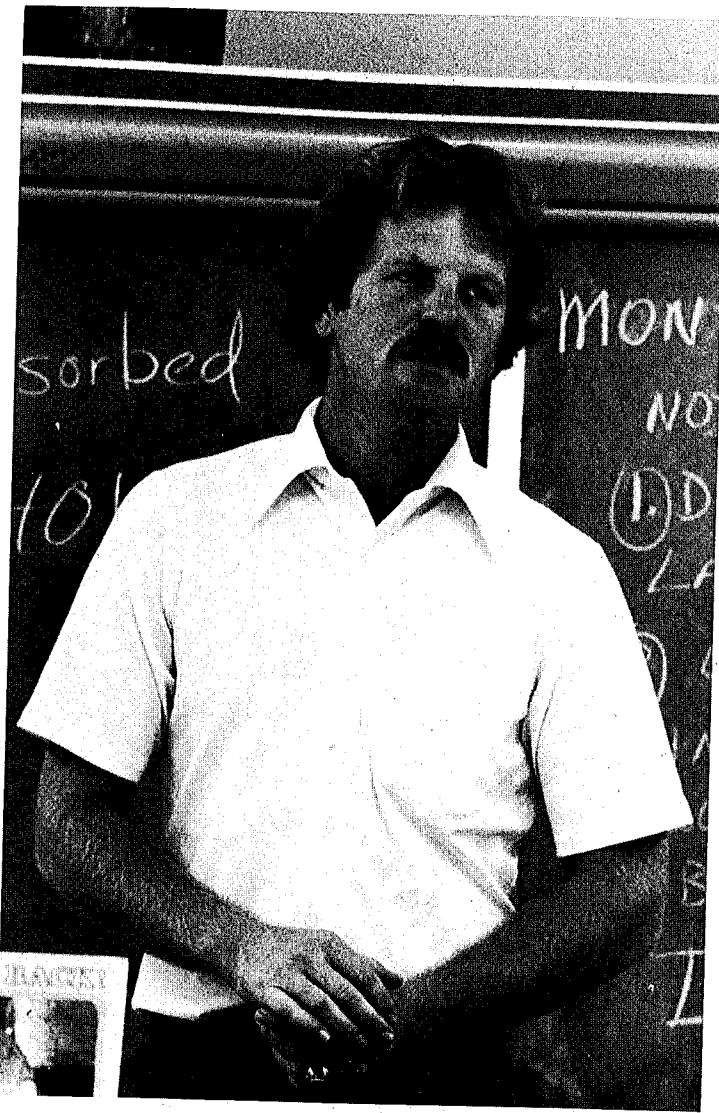

Science Unfolds Mysteries

Science attempts to unfold the mysteries of the unknown in nature through the study of laws, properties and experiments. An understanding of scientific methods are needed for day to day life.

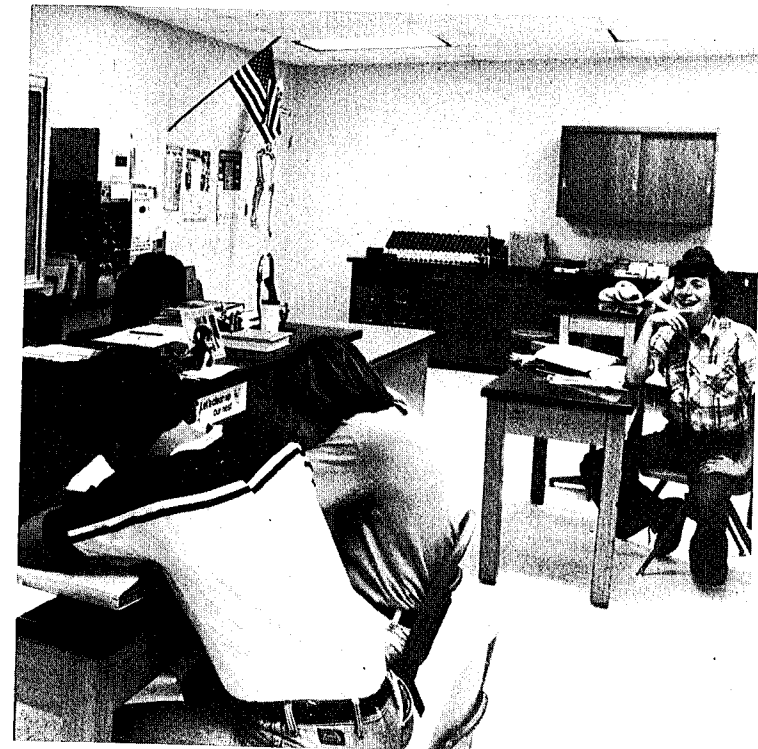

The science department offered solid learning opportunities for students including the fundamentals of physical science and general biology.

The department added two new teachers. Mike Gerlosky taught biology. Mr. Al Osteen, the new Chemistry teacher, taught everything from formulas to laboratory experiments. Chemistry is a physical science concerned with the detailed study and analysis of known elements and compounds with emphasis on their chemical properties and characteristics.

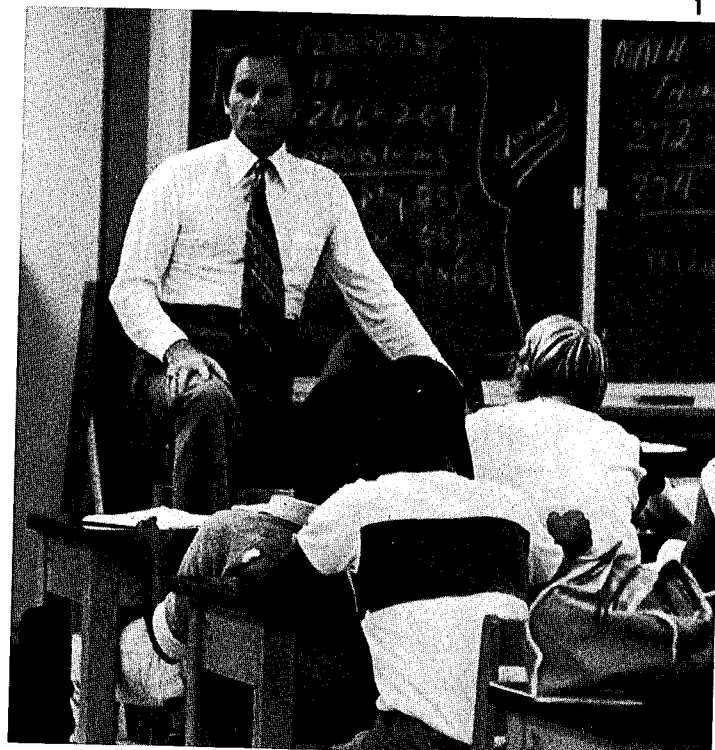

Students and teachers worked together to achieve a fuller knowledge through the study of science.

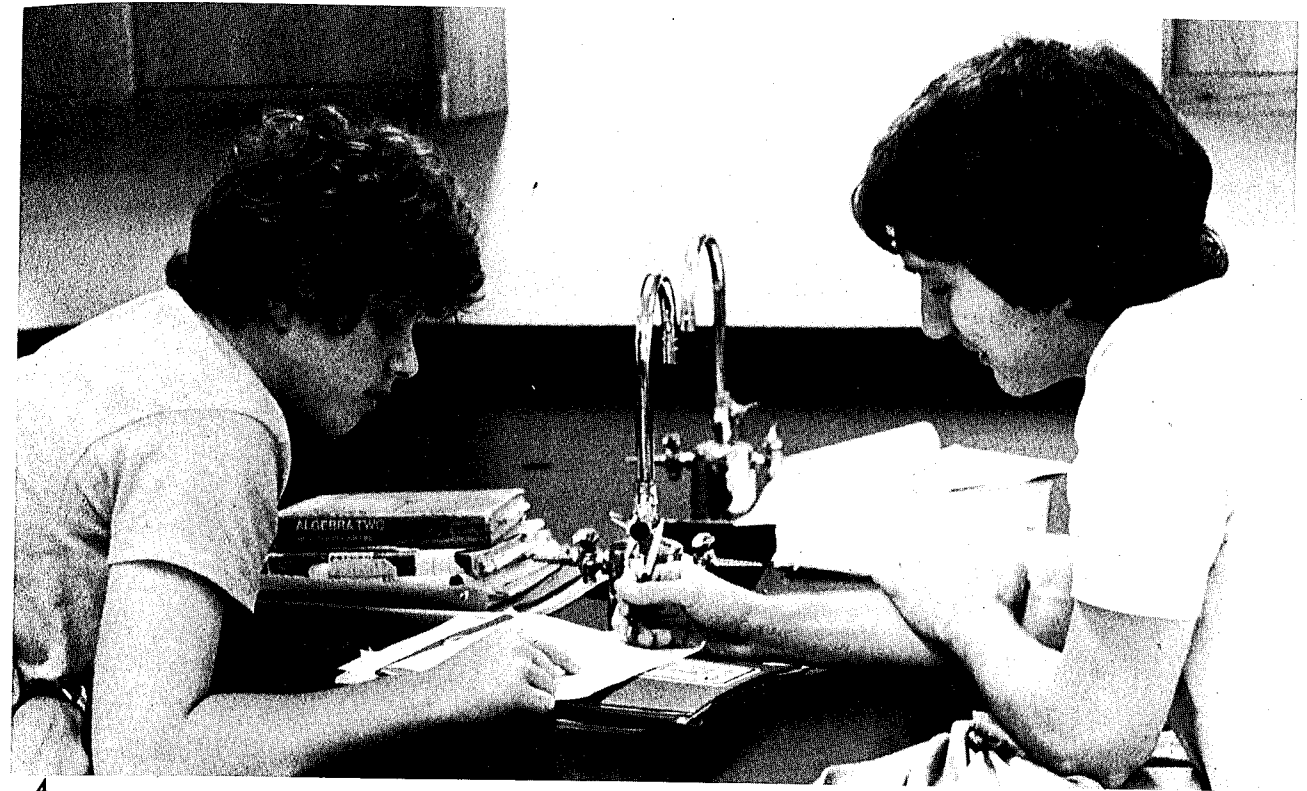

1

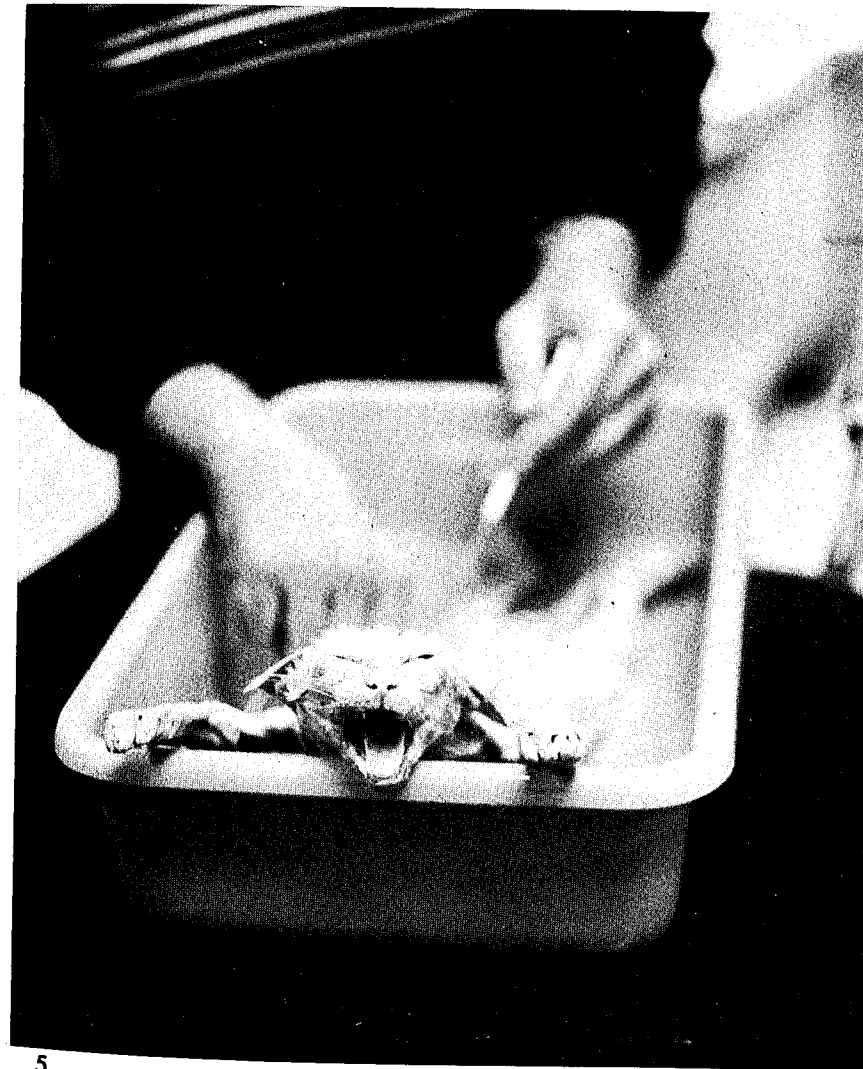

2

3

4

5

6

1. Mike Gerlosky lectures on cat anatomy.
2. Work and play are always combined in a class.
3. Mr. Young discusses the ecology system with his students.
4. Mike Baldassarrio and Chris Laude study for a test.
5. When students dissect a cat they sometimes feel a bit sick. MEOW!
6. Mrs. Potter studies the material to teach as a substitute.

History Classes Relive Past

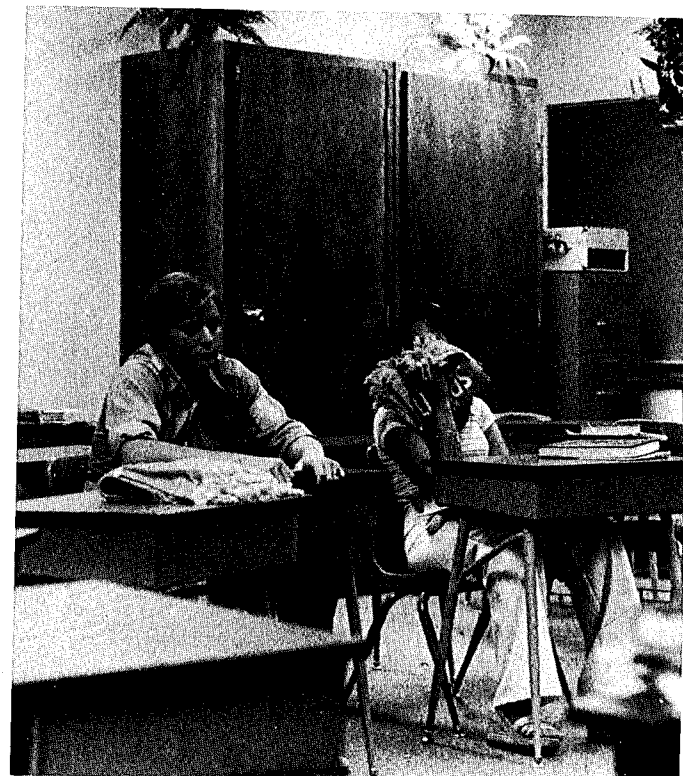

To help students learn about the judicial system, the social studies department held a "Mock Trial". In the trial students played the parts of the witnesses, jurors, and criminals. Professional judges and attorneys were brought in to fill their roles.

An addition to the staff was Mr. Marvin Kelly, who taught A.P. history and psychology. The First Federal Bank of Winter Haven showed a film about the history of Polk County to all eleventh grade history classes.

Other social studies classes learned of the nation's and world's history, problems, economic development, social theories and practices of government. Miss Lowery's Social Psychology classes took a field trip to Sunland in Orlando. There they saw evidences of the damage of broken chromosomes, difficult births and drug abuse.

5. Cliff Hartsfield pounds in point.
6. Richard Hobbs and Bonita Johnson demonstrate disco terms.
7. Mr. Kelly discusses psychology.

English Department Enriches Lives

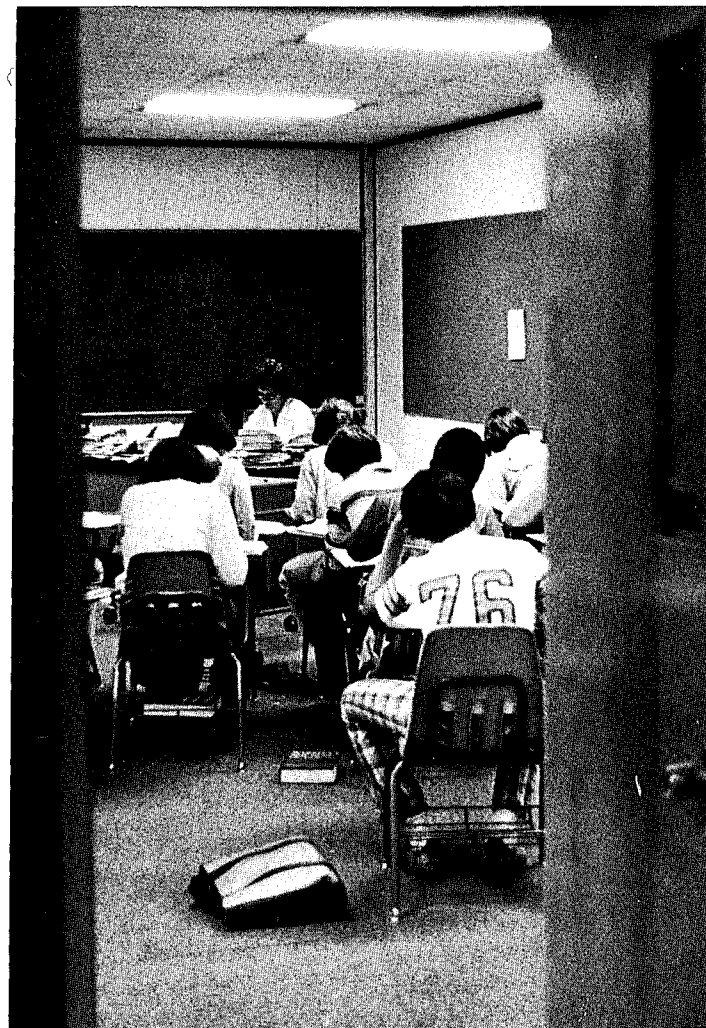

Basic skills preparation for students continued as an emphasis in the English department. Remediation after testing was a challenge for some eleventh and twelfth graders. Students tried to learn all the skills required of them by the state. A big step for the English department was changing from semester to yearly courses. The compensatory classes which were limited to fifteen students in each class caused some overcrowding in the regular English classes but were helpful to the many who needed special help.

Several classes took a field trip to Lakeland to see the Asolo Theatre Production "Press Cuttings". The Taproot Theatre visited the school to present lively interpretations of poems like "Jabberwocky" and stories such as "The Diary of Adam and Eve" by Mark Twain.

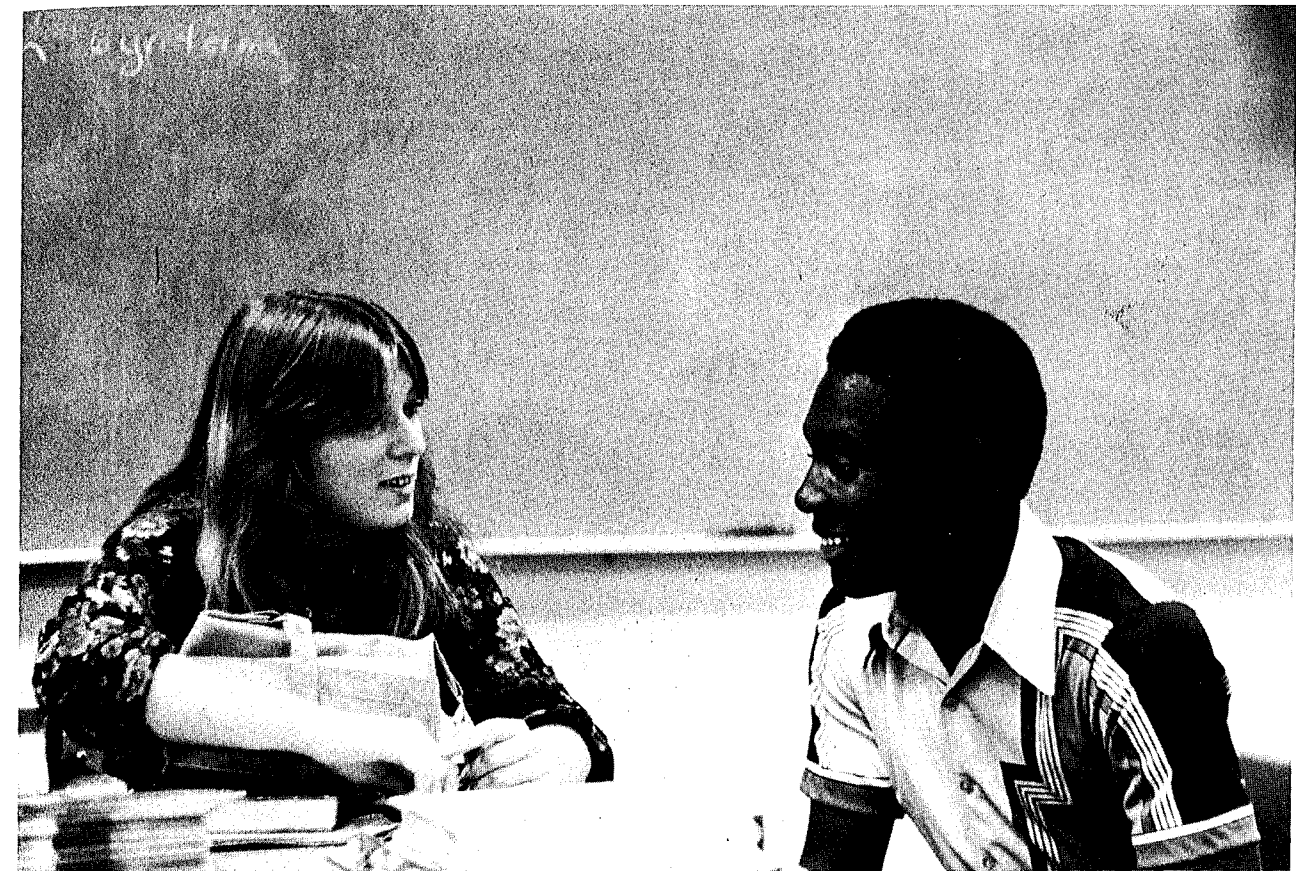

The literary magazine *McLeod*, edited by Kathy Odom and Mark Boyd and under the leadership of Mrs. Cloud, was published by Mr. Potter's shop classes. The magazine contained selections from the classes of '78, '79, and '80. Many students entered the county poetry contest as well as other writing contests. Kathy Odom was one of the winners of the Sertoma Essay contest, while Vicky Collins took first place honors in the V.F.W. speech and essay contest. Lorrie Frederick won the second place trophy for the 11th grade in the Polk County poetry contest and the special prize for her poem honoring Bok Tower's fiftieth anniversary. Debates, dramatic presentations, reading assignments, journals and various projects were not neglected in the English curriculum. Television enriched our lives presenting the students with many fine works such as *The Scarlet Letter* and many Shakespeare plays.

4

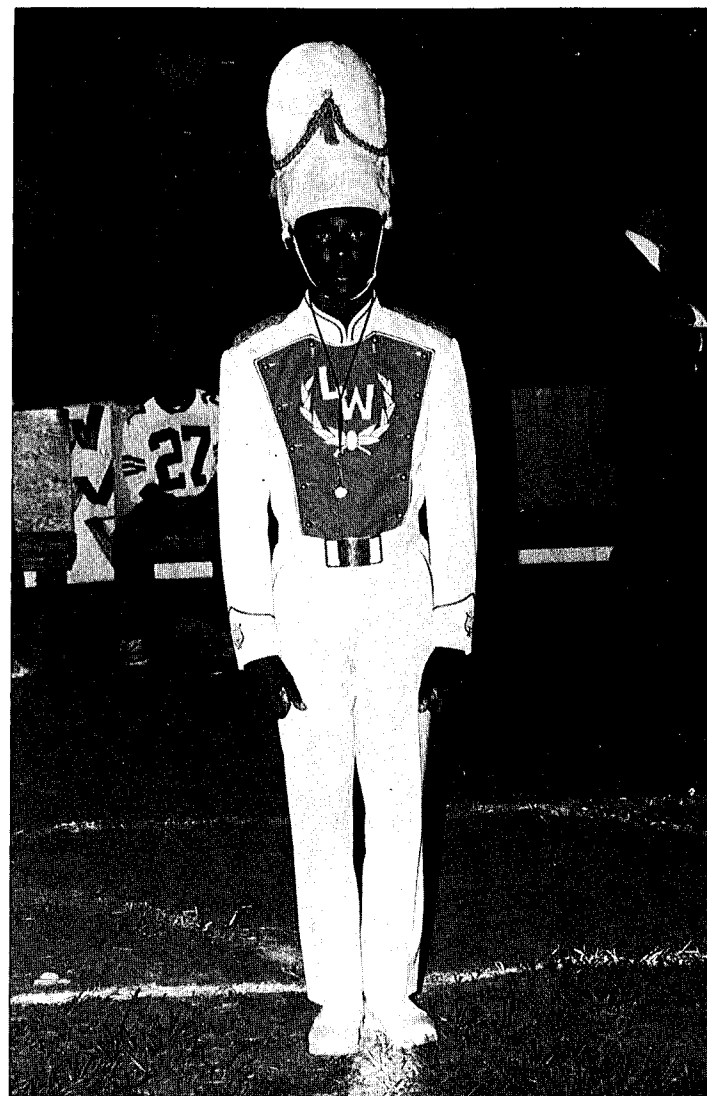

1. B. Johnson reviews her English. 2. Miss Wilford's class studies diligently. 3. C. Miller and L. Brunson hold summit. 4. Mrs. Hunt teaches class about layout design. 5. Mrs. Cloud considers a student's question seriously.

Highlander Music Vibrates Pride

From preschool marching to concert contest, the Lake Wales Highlander Band worked long and hard. They showed their pride by marching at 6 of the football games and sending a pep band to 3 others. The band completed the marching season with straight superior ratings at contest and excellent ratings at concert contest.

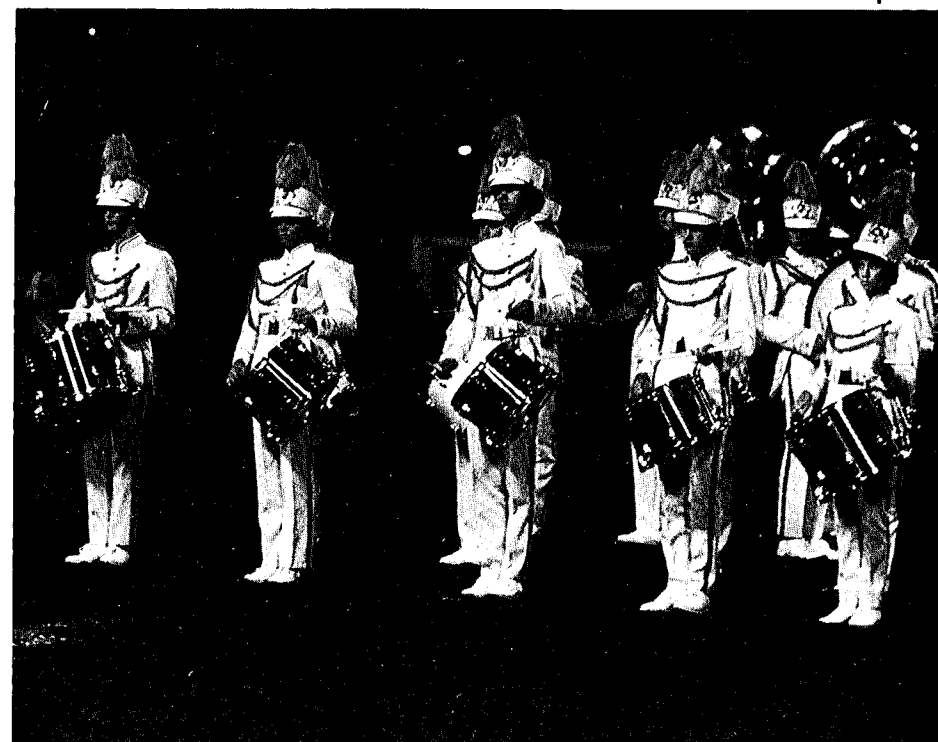

The choral department participated in many events this year including Fall and Winter concerts. They also played host school to the County Music Festival. At contest, the chorus made ratings of excellent by Mixed Chorus, superior by Men's Chorus, superior by Concert Chorus, and a superior by Women's Chorus. In both band and chorus many soloists and ensembles earned superior ratings.

Students Become Bilingual

A superior school has both English and other languages foreign to most. Languages across the seas and borders are taught to Lake Wales Senior High students by Mrs. Waller. Students learn their English grammar, literature and composition, but as an added *treat* they can learn French or Spanish. Students are bridging borders.

1. Mrs. Waller reviews class for a test. 2. Julie Kelly in F.L.C. initiation garb. 3. Miles Albritton learns dialogue. 4. Advanced Spanish students, "Chispas" Knowles, Terri Sebring and Kathy Odom work on Christmas piñata.

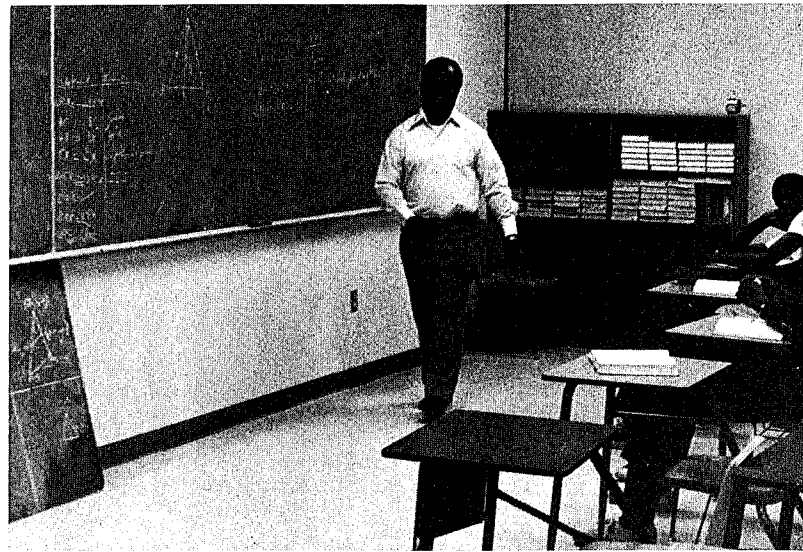

2

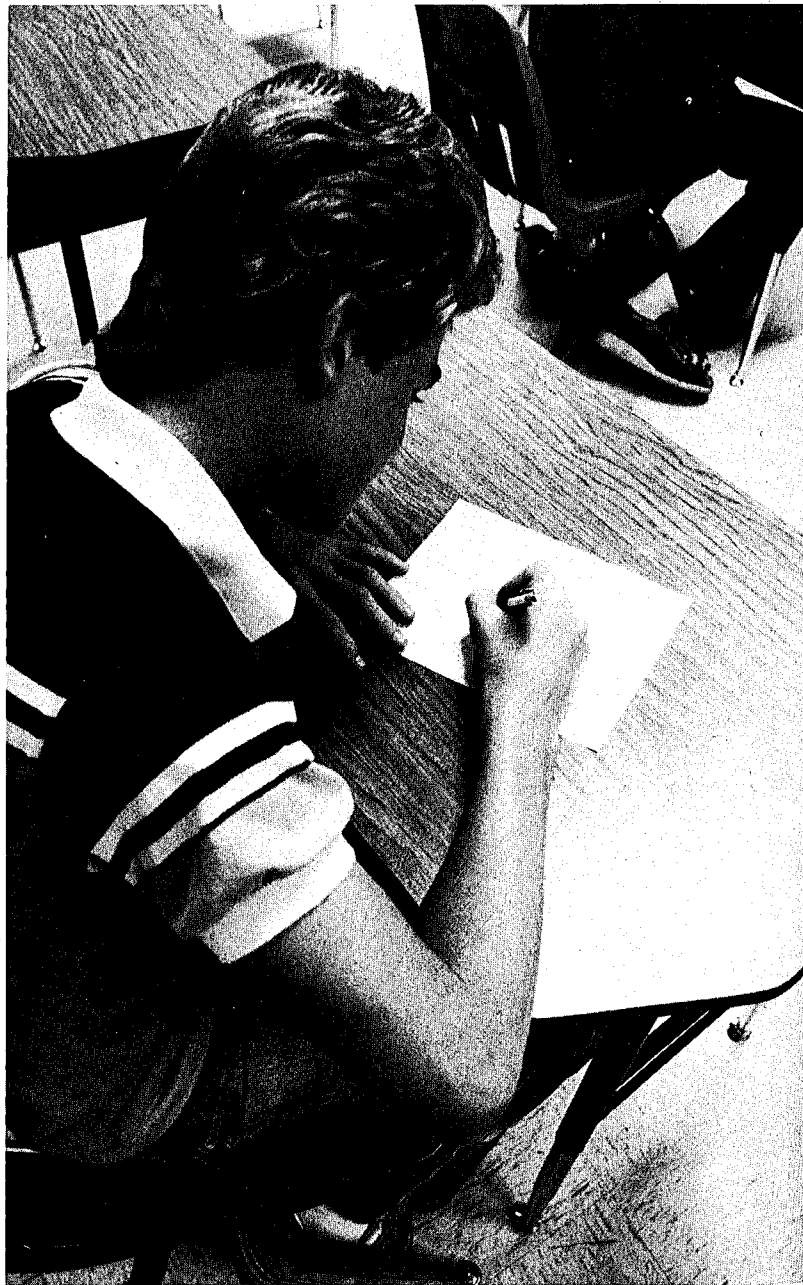

4

Compensatory Forms Plague Math Faculty

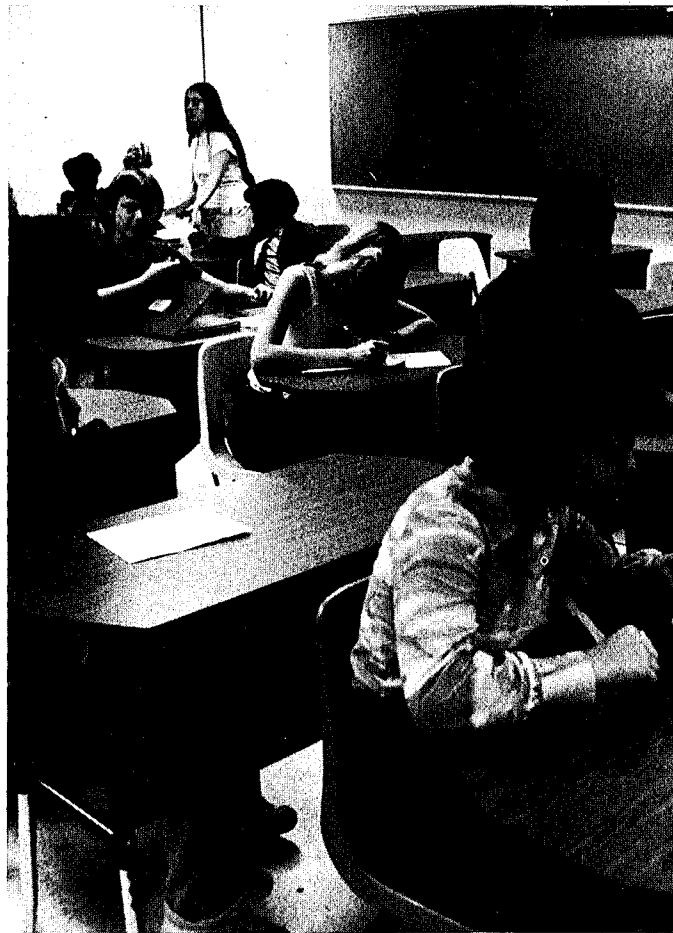

If Jim sees a vested suit he likes for \$69.95 on sale at twenty percent discount, what would the amount of discount be? How much would the suit cost? What would be the total cost including four percent sales tax? Compensatory math students tackled such problems with the aid of their teachers. As skills were mastered, results of testing had to be recorded on a student's computer printout if he had taken state tests, on his compensatory form, on two forms for curriculum and guidance and various other reports. These were in addition to planning work, grading papers, and recording grades in roll books. Folders containing work completed had to be maintained for each student as math and English teachers bore the brunt of work in preparing students in "basic skills." Many students, however, were ready for such tasks as finding the value of "x" in algebraic equations, proving geometry theorems, or even meeting the challenge of data processing or calculus. Our society requires knowledge of math. At times math was fun as well as a puzzle.

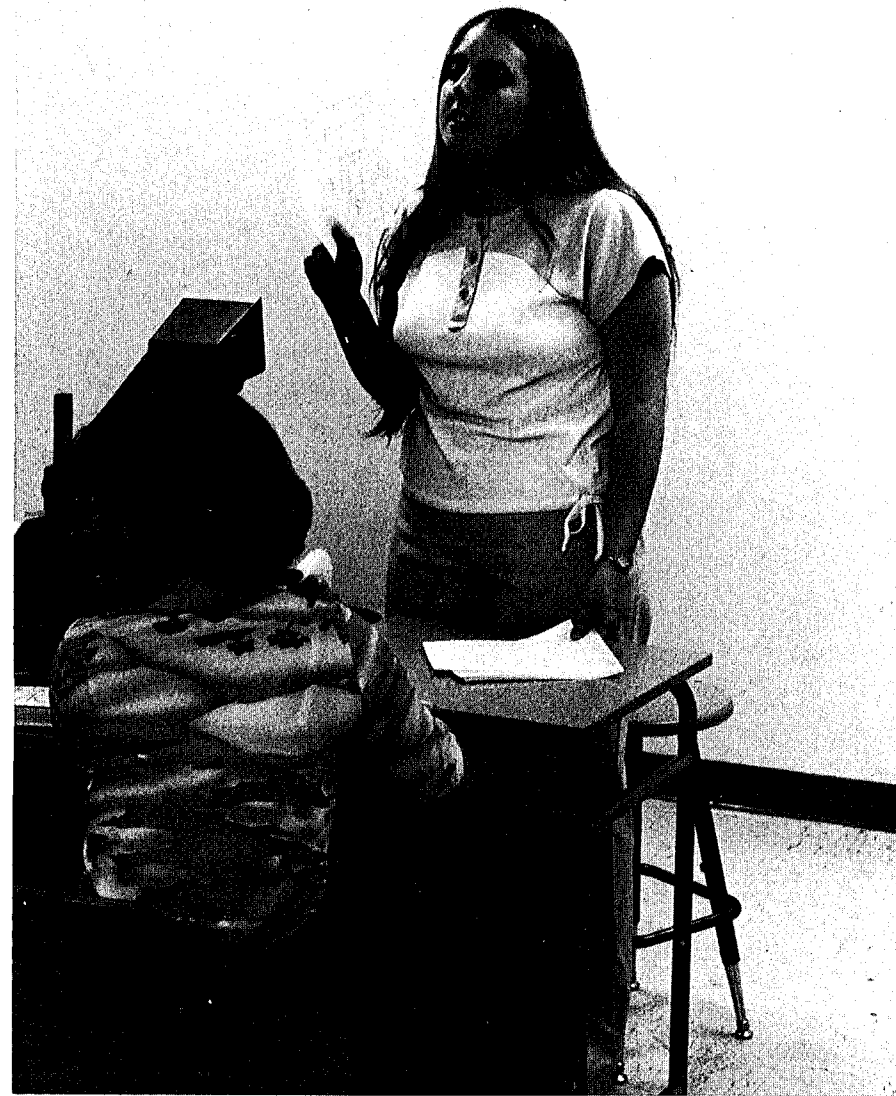

2

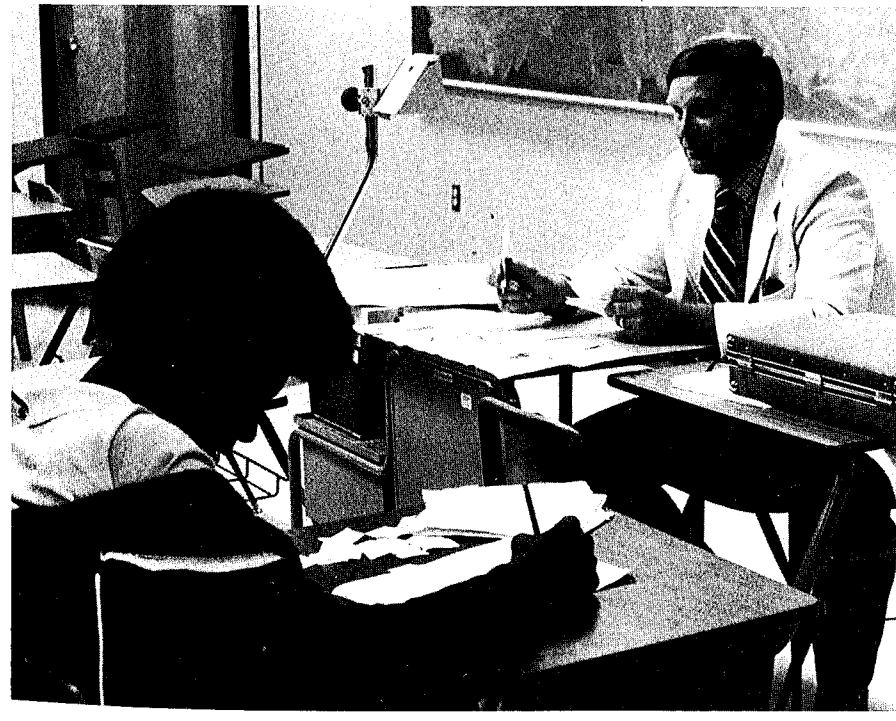

3

1. Miss Lee returns test papers to class. 2. Mr. Jones explains the remainder "tehran". 3. Andy Bauldauf completes math quiz. 4. Miss Lee answers question as Tina Ferringer looks on. 5. Mr. Joynes kids with students. 6. Mr. Fletcher considers a student question.

Students Reach Physical Goals in P.E.

Physical Education was a learning experience for many students, not just running around the track or playing basketball. The different activities participated in helped us achieve strong body and mind. We accepted the goals we were required to achieve and strived with all we had to fulfill them. Students in Athletic Conditioning classes worked hard with steel weights to build physical strength. Coaches Greg Bonduant and Ron Cobb taught most of the Athletic Conditioning and PE classes.

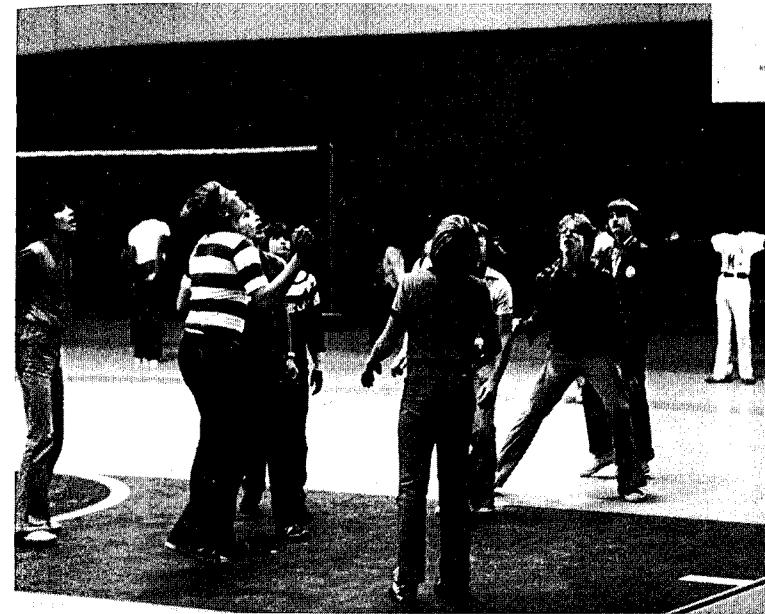

1. Head over heels about PE. 2. Coach Ron Cobb. 3. Keep you eye on the target. 4. What goes up must come down — but when?! 5. The last mile. 6. Doing what comes naturally. 7. C. Henderson reaches the finish line.

2

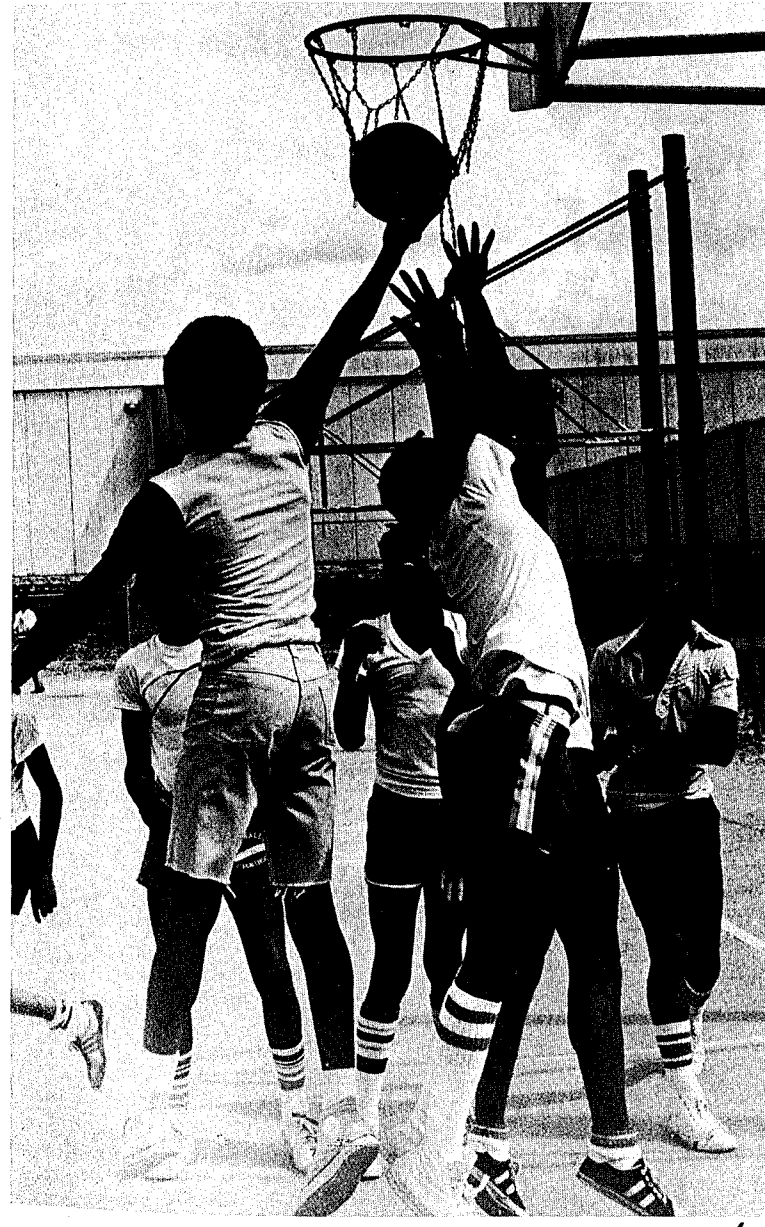

3

4

7

Both Girls and Guys Learn Importance of Home Economics

Young ladies and men learned to cook, sew, learned the importance of a sturdy marriage, and child care in the Home Economics department. Baseball players learned to hurl biscuits in cooking lab, while those who played basketball learned to loop a hem.

1. Ms. Colson shows a self-made pride. 2. A finished masterpiece. 3. Studying hard for a cooking test. 4. Johnny Griffin and Joe Powell complete worksheets. 5. Crissy Bashaw's work is checked over by Ms. Colson. 6. A proud seamstress.

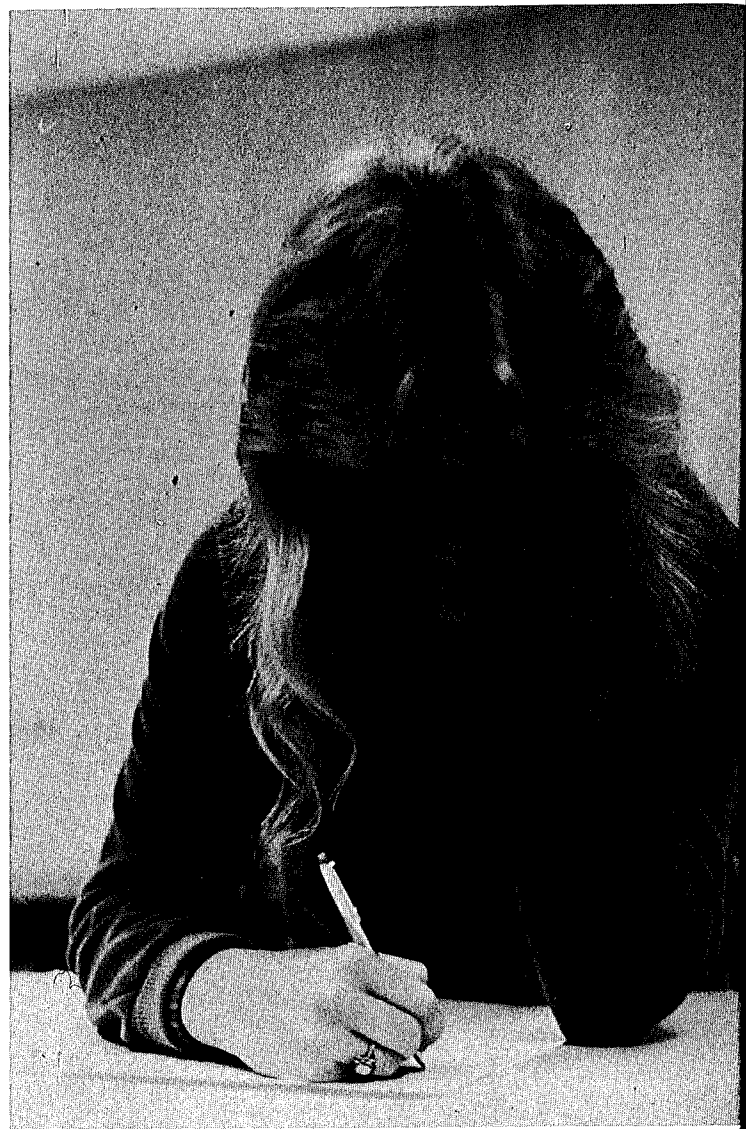

Girls Join Industrial Arts

Droves of girls joined the Industrial Arts classes, finding enjoyment in working with drills and saws. Both guys and girls silk screened their favorite album covers on tee-shirts, and learned to paint automobiles. Students were taught to take, develop and print pictures.

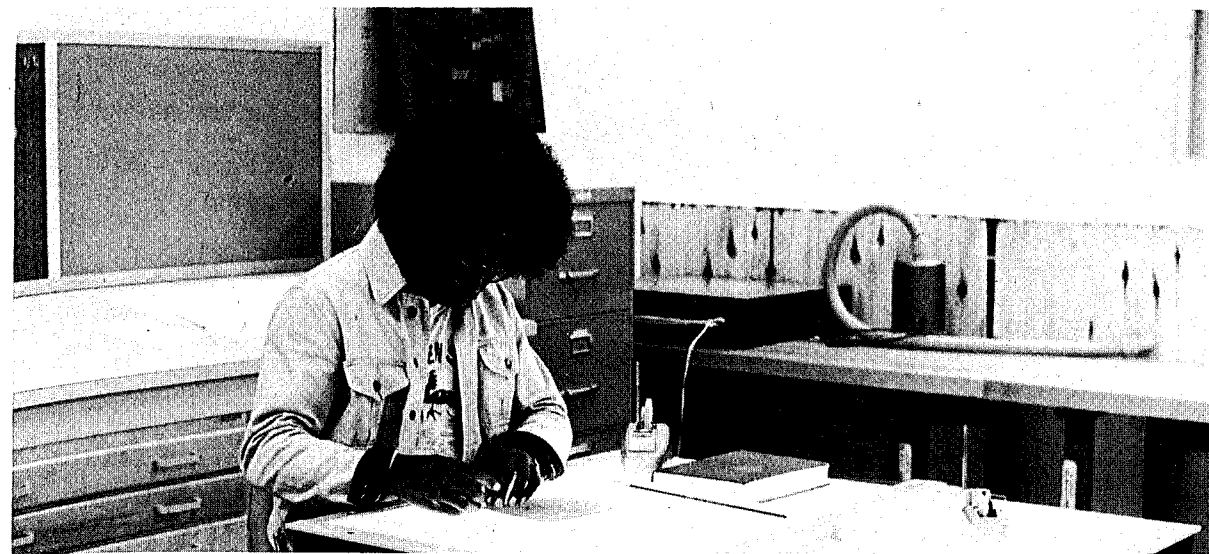

A new teacher ventured onto the scene and consequently the "Campus Chatter" made its grand debut. Christopher Potter brought excitement to his classes as he transformed into "The Hulk", "Chewbacca", a rat fink and lovable ole "Scrooge".

The Agriculture Department grew in size as did their plants. A favorite class among the agriculture students was horse production.

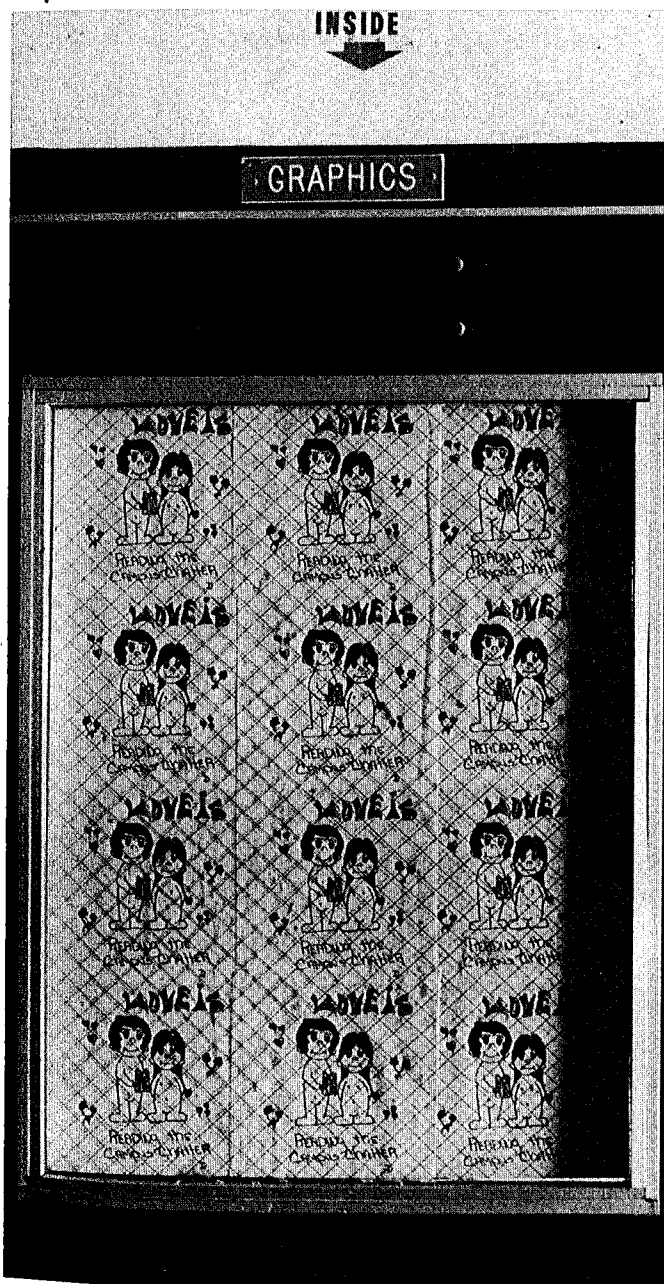

1. Michelle Perry works on newspaper layout. 2. The pride of power mechanics. 3. Joel Jones transposes a positive to a negative. 4. Welcome to Graphic Arts. 5. Mr. Potter and Matt Tocci dispute ideas.

1

4

4

5

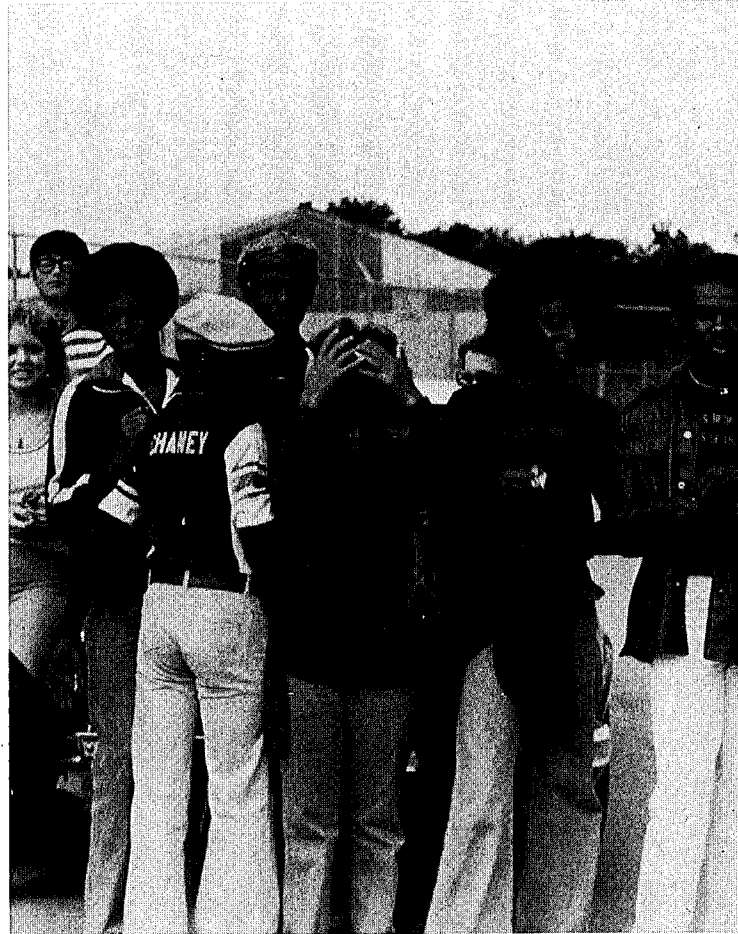

2

Electives Offer Self-realization and Lifesaving Skills

Students delve into themselves through art, finding mediums of self-expression. The art department encompasses a variety of skills and crafts. Students learned to create beautiful batik prints, wall hangings, ceramic animals and used many mediums of painting such as watercolors, oils and acrylics.

Driver Education is an elective with added benefits. First, your defensive driving may save your life. Not only do you learn the basics of the course, such as parallel parking and on the road maneuvering, but after completing the course you get a cut on insurance rates.

1. A beautiful wall hanging is prepared.
2. A Drivers Ed. line up.
3. Ceramics anyone?
4. Miss Mazza discusses technique.
5. Mr. Deaton is involved in school activities.
6. Randy Jansen works on macrame.
7. Mr. McGuirk instructs drivers.

2

3

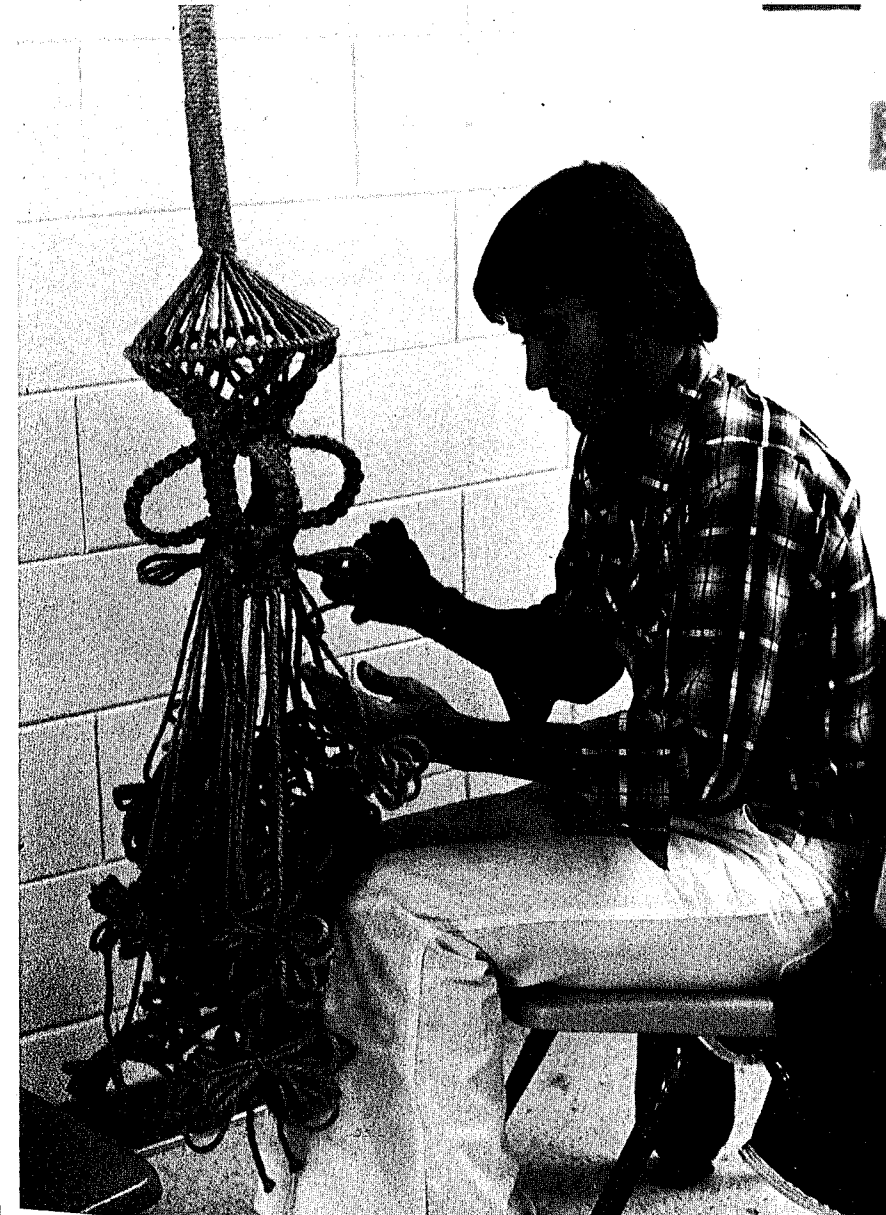

1

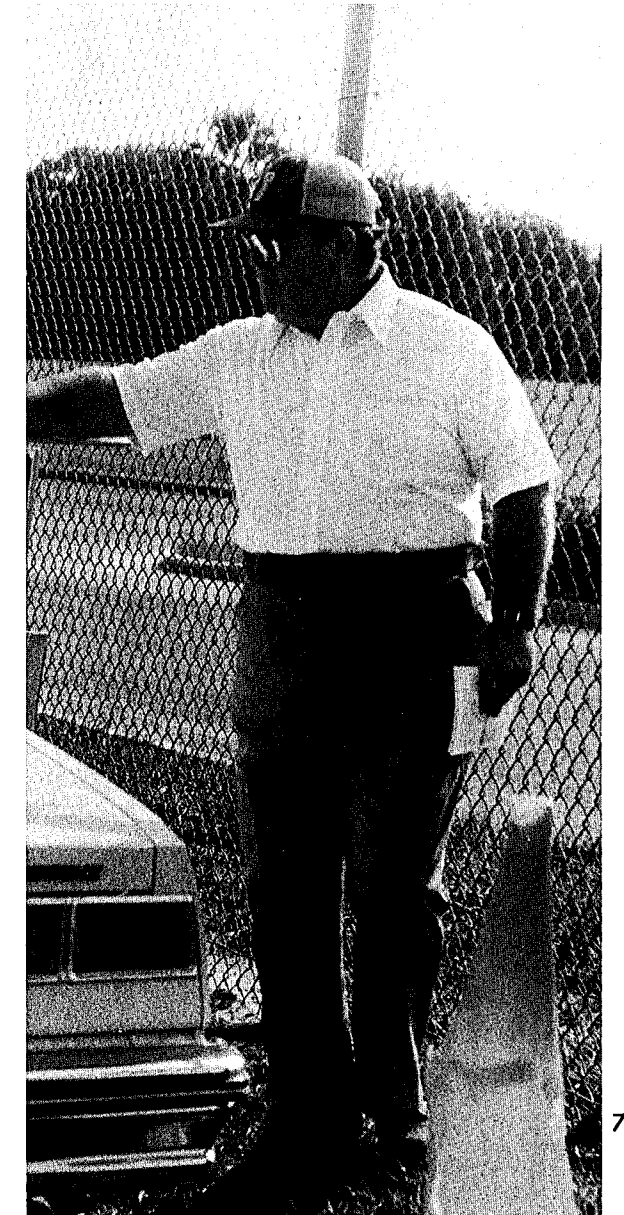

4

5

7

Business Ed Prepares Students

Providing on-the-job training and teaching skills needed for future jobs are the two main objectives of the Business Ed department. Some students learn typing, shorthand, and bookkeeping while others get practical experience in the business world through the work experience programs in our school.

1. Mr. Chastine explains procedure to student. 2. FBLA District Contest participants: V. Clemons, S. Crawford, L. Reising, R. Williams. 3. Production work is carefully checked and graded by Mr. Geils. 4. C. McGuire and Mr. Chastine have an informal conference on the lawn. 5. CBE student S. Smith. 6. C. Blocker gets first-hand experience in the business world. 7. S. Brown reviews shorthand.

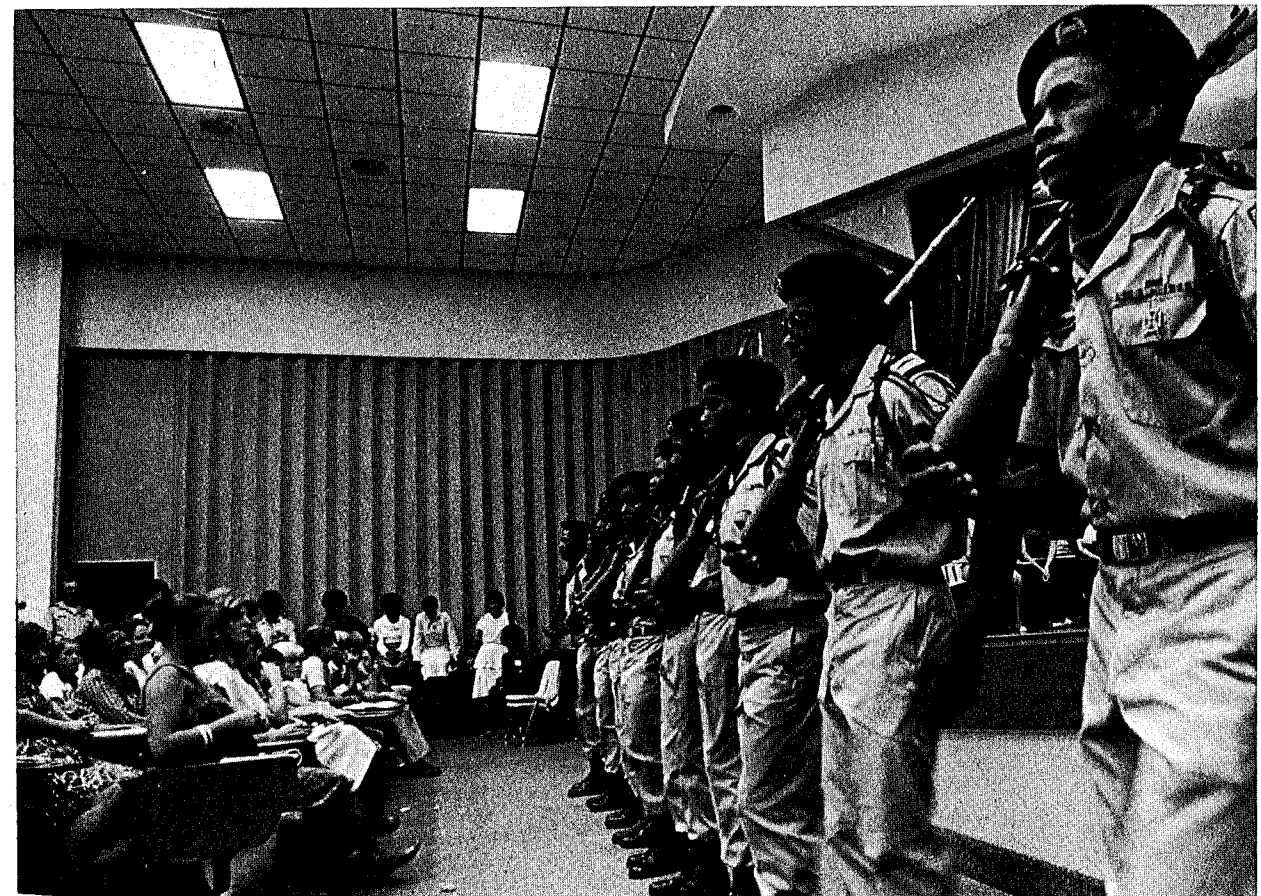

ROTC Demands High Goals

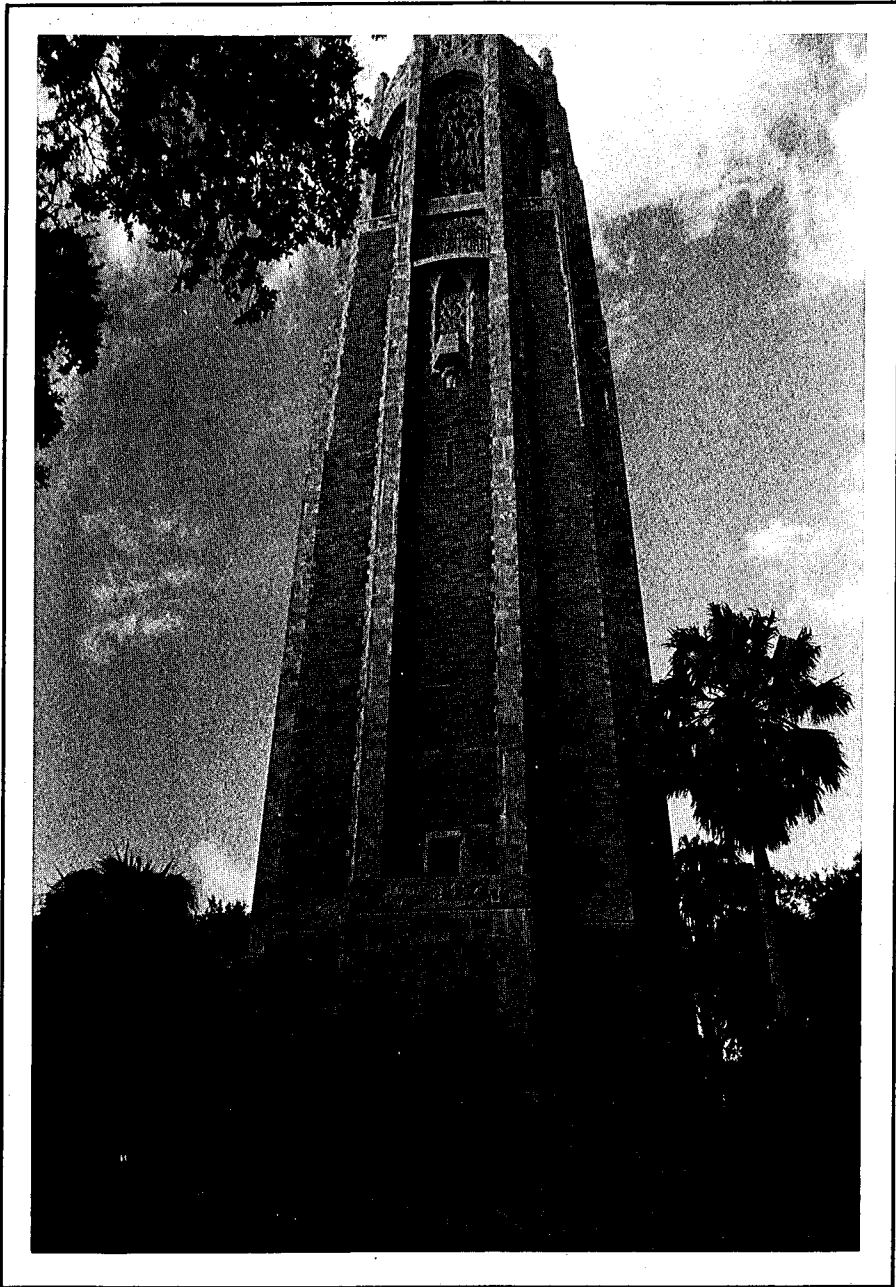

The ROTC continues to mold its active members into responsible, self-controlled adults, and to give them pride in our nation. ROTC is fun for many of its members; field trips, military balls, and maneuvers of all kinds. This bit of fun is only a small part of the total program; it takes a lot of hard work and sacrifice to complete the year. Inspections are a challenge because each student is doing his best to look his best. Much joy and excitement was aroused when the entire corps was awarded honor ratings, something very difficult to achieve. The rifle team went to Gainesville for the annual rifle shooting competition and did very well, finishing in the top ten out of thirty teams. This was a new achievement for LWHS.

1. Col. Brown instructs map studies. 2. Members practice many long hours. 3. R. Hobbs studies hard to achieve success.

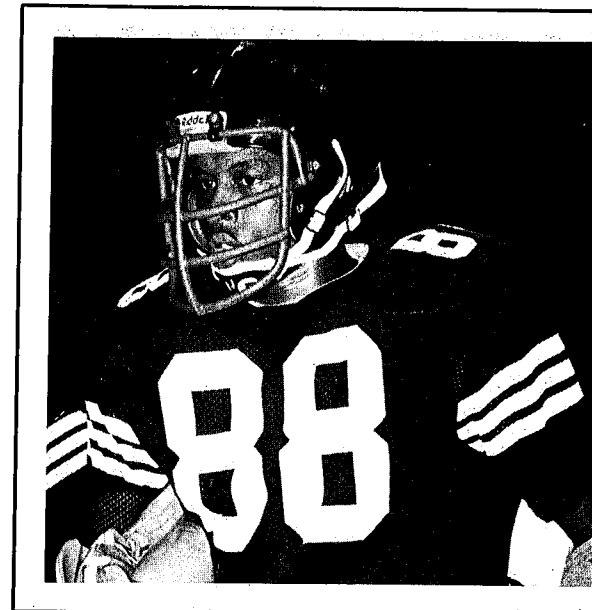

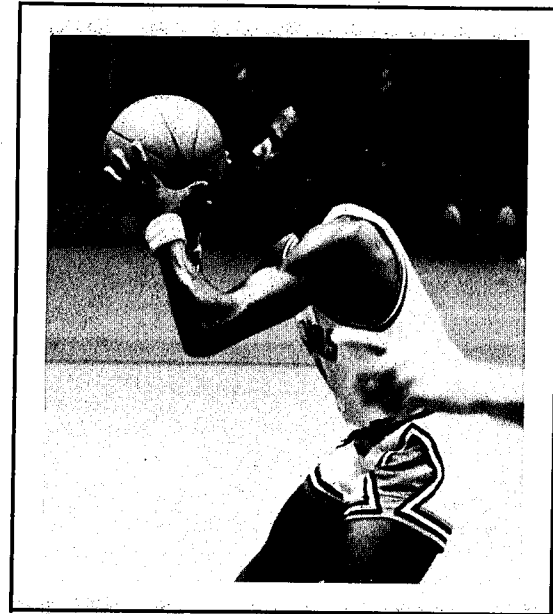

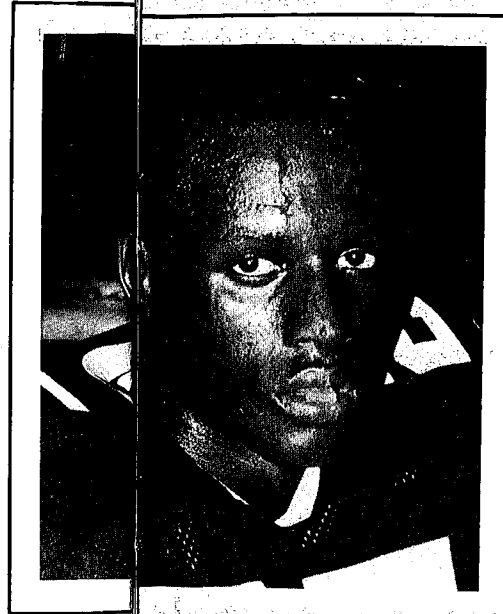

1. ROTC presents colors at Legion Field.
2. Drill team performs for open house.

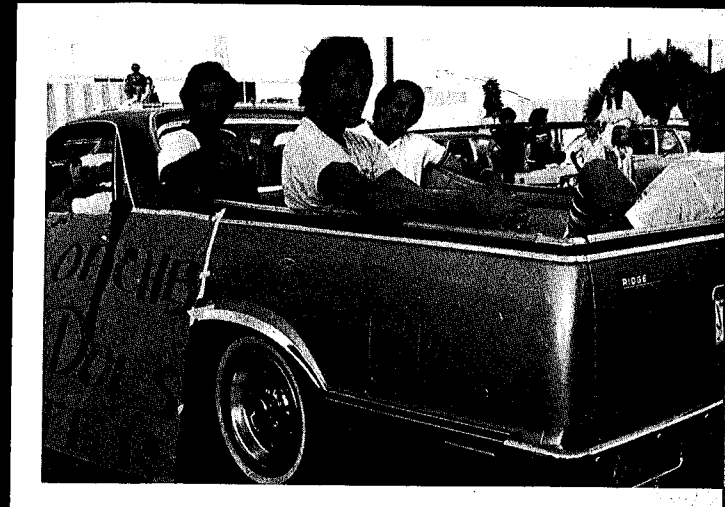

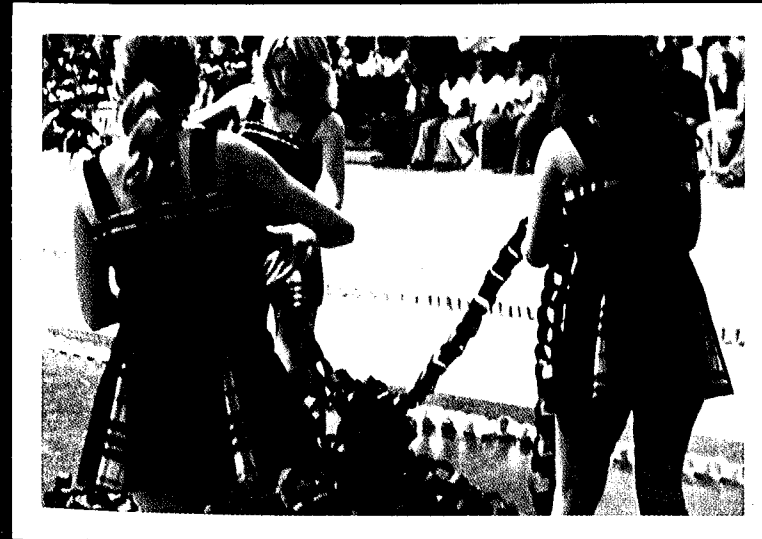

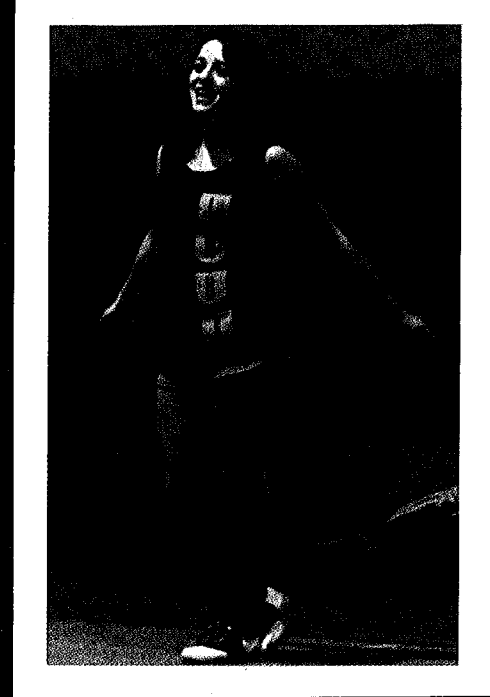

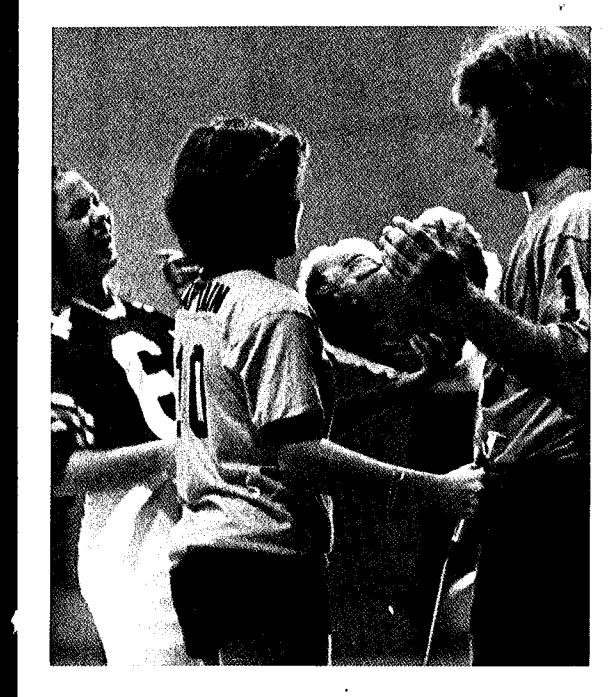

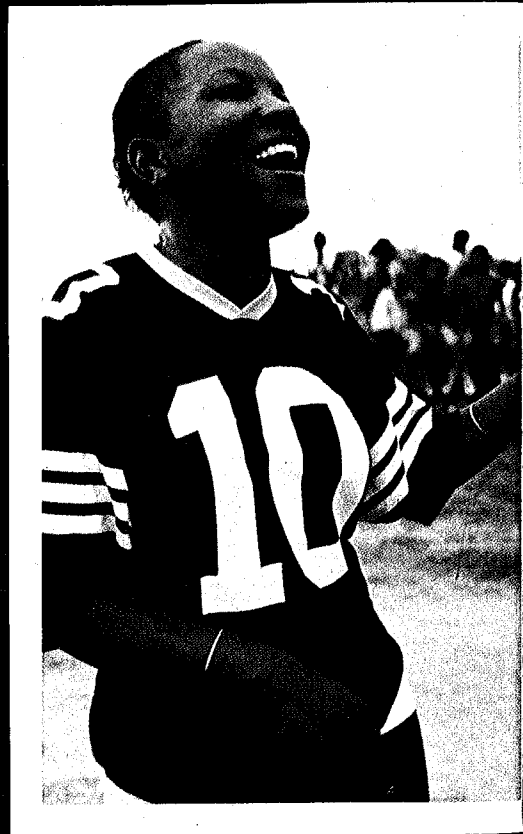

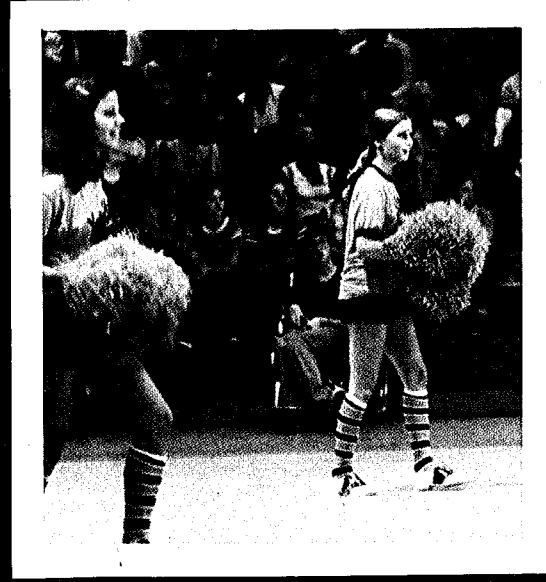

Mr. Rizer,
I enjoyed your
class very much.
You are a nice person
and besides being a
Pre-Algebra teacher you
were a friend. God
Bless You!
Alison 1978-79

PRIDE

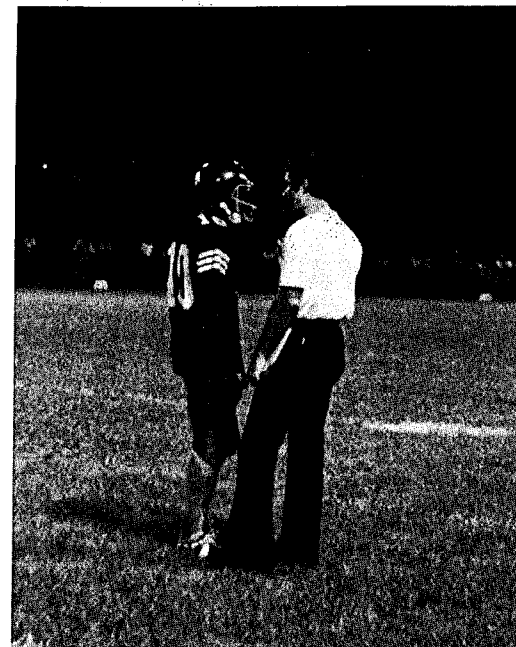

IN ATHLETICS

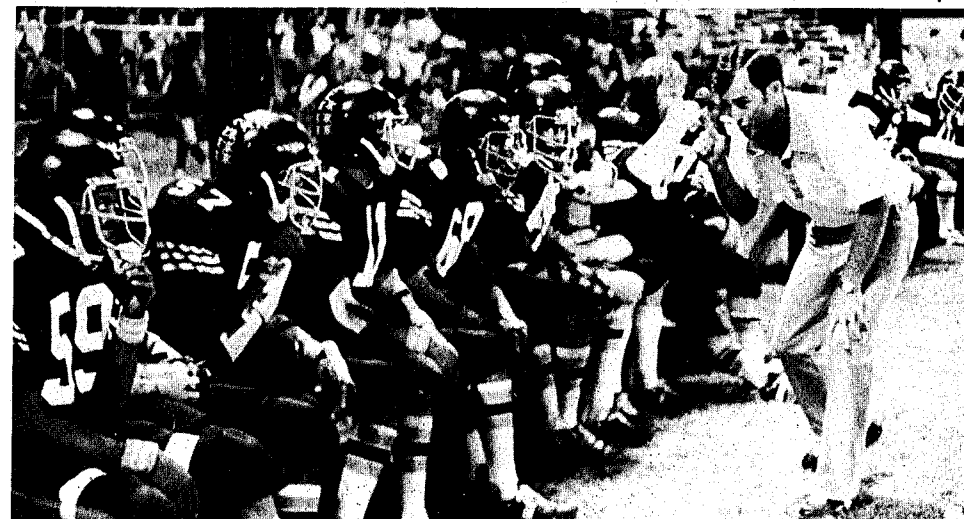

Highlanders Capture Victory

After a three year losing streak the Highlanders were back to try again, but this time the story was different. After a ten game season the Highlanders had emerged overwhelmingly victorious with a 9-1 record. The fans followed the new Highlanders from game to game. The stands were packed both home and away. The fans were behind the team all the way. A new coaching staff was another boost for the Highlanders. Under the direction of Head Coach Ron Cobb the team learned how to win, win, win! The 1978 Highlanders were truly victorious.

Highlanders Win In First Annual Harvest Bowl

To add to the excitement of the 1978 season, the Highlanders were asked to play in the first annual Harvest Bowl, a game set up between the two best teams in the county who did not go on to further competition in their class after the regular season was over. The Highlanders were given the privilege of playing the Blue Devils of Winter Haven. Though Winter Haven High School is a 4-A school and Lake Wales High School a 3-A school, there was no clue to who would win the game. The battle was fought on Blue Devil turf. The fans again showed up to watch their team defeat the foe. The final score showed the Highlanders had slain the Blue Devils.

1. T. Futch warms up and builds concentration before the game. 2. Coaches Cobb and Windom plan game strategy. 3. Watching that vital kickoff absorbs all S. Shultz's attention. 4. All Lake Wales men are alert at the kickoff. Another good kick! 5. A. Barnes presses for a first down. 6. Targeted! 7. Pre-game warm ups prepare cold muscles for hot action. 8. J. Griffin's spectacular catch from E. McGriff saves the game.

The class of '81' is truly one of much pride and excitement. The freshmen cheerleaders displayed lots of pep and enthusiasm. A very active group, they sold candy, participated in all freshmen football and basketball games and pep rallies. They sold programs at all home varsity games and participated in the traditional Homecoming parade. These freshmen cheerleaders received a special honor; they were chosen to decorate the Hospitality Room for the district basketball tournament, an honor usually given to the varsity squad.

ROW 1: J. Fisher, J. Borders, M. VanGilder (capt.), C. Owens. ROW 2: T. Corriveau, S. Reddick, J. Hamrick.

Volleyball Struggles Through Tough Season

Hard practice, high morale, and student support kept the team together both on and off the court. Coach Quietzsch labored hard to turn the unskilled members into a smooth-running unit that won only three games. Although winning wasn't a frequent occurrence, losing didn't dampen the team's enthusiasm.

1. Coach Quietzsch gives last minute instructions.
2. S. Bryan is always ready for action.
3. A. Dirkson socks it to it!

They're Off to See the Country

Ron Kingry, the physical education teacher at Spook Hill Elementary School, coached the cross country team. For months Coach Kingry practiced with the team after school. They started running from the High School and ended up at Lake Wales Lake, where they ran for another hour, for a total of two hours of practice a day. They felt pride in their physical conditioning and endurance. The Cross Country team qualified for the regionals, a fact they had not accomplished in past years. The team expects to be a lot stronger in the following year. They have been building up their strength, under the supervision of Coach Kingry, and are ready for a very competitive season next year.

Musclemen Give School a Lift

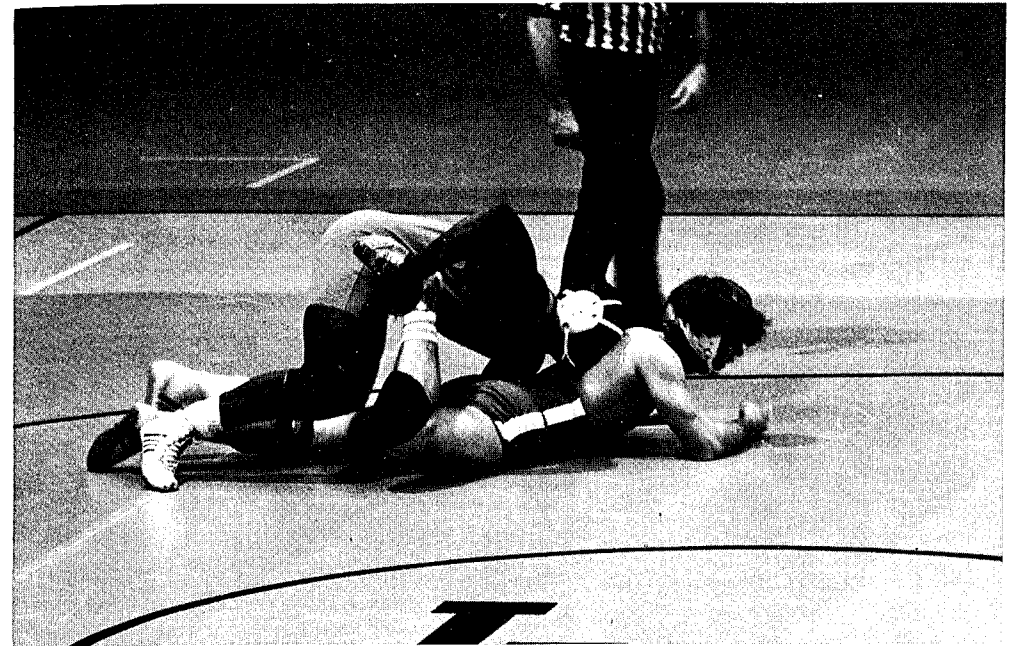

The Lake Wales Weightlifting team had its most successful season to date this year. They defeated every Polk County team and lost to only one other team — Leesburg. In the County meet, the Highlanders dominated the meet with 3 first place awards, 2 second places and one third place award. The state weightlifting meet was held in Gainesville. The Highlanders finished in 4th place out of 30 teams. The team's coach, Phil Cobb, is very pleased with their performance and hopes for an excellent season next year, since 6 of his 8 state participants are returning.

Wrestlers Advance to State

The Lake Wales Wrestling team had its first winning season, ending with seven wins and four losses. The team had nine wrestlers to advance from district to regional competition, including three of the district champions. The three were Rick Brubaker, Phillip Lloyd, and Tony Stewart. The regional competition was tough and only two of the nine wrestlers advanced to state. The two were Johnnie Williams and Phillip Lloyd. The team was made up mostly of first year wrestlers. Coach Greg Bonderant and his assistant Rob Pearson were also new. Only three wrestlers will be lost through graduation. The rest will be back to the mats for more exciting action.

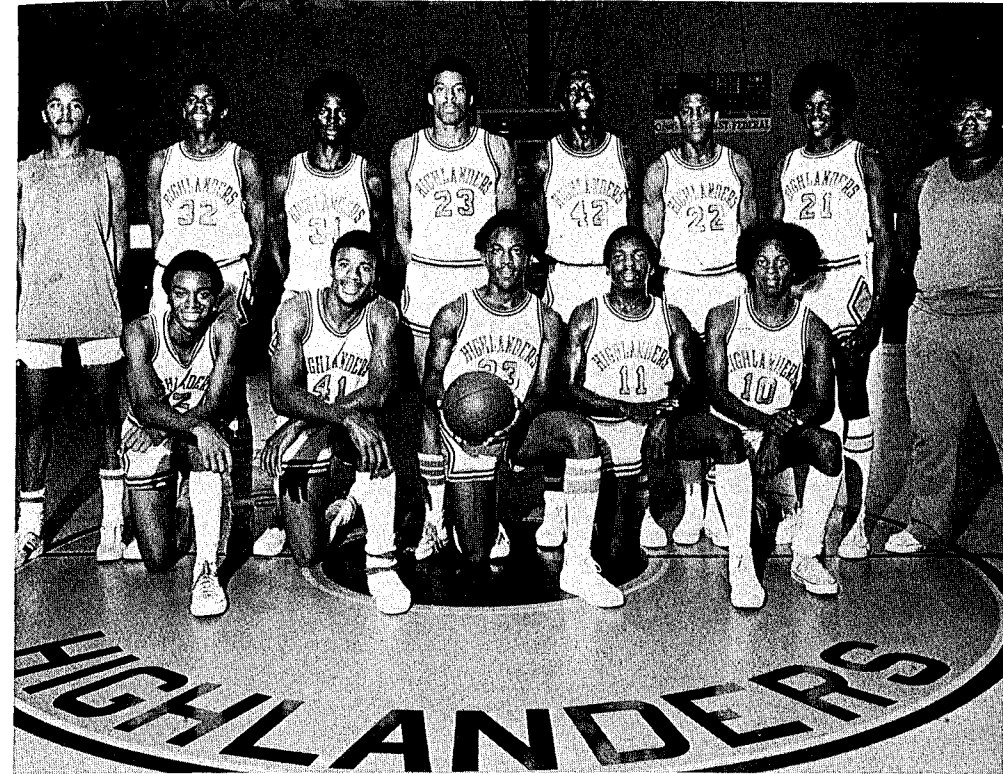

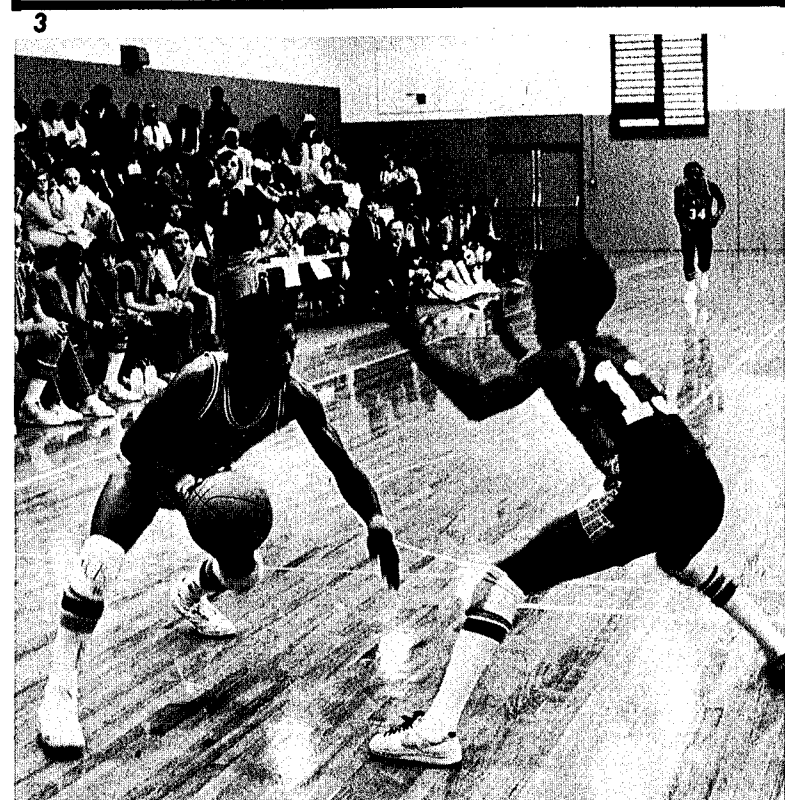

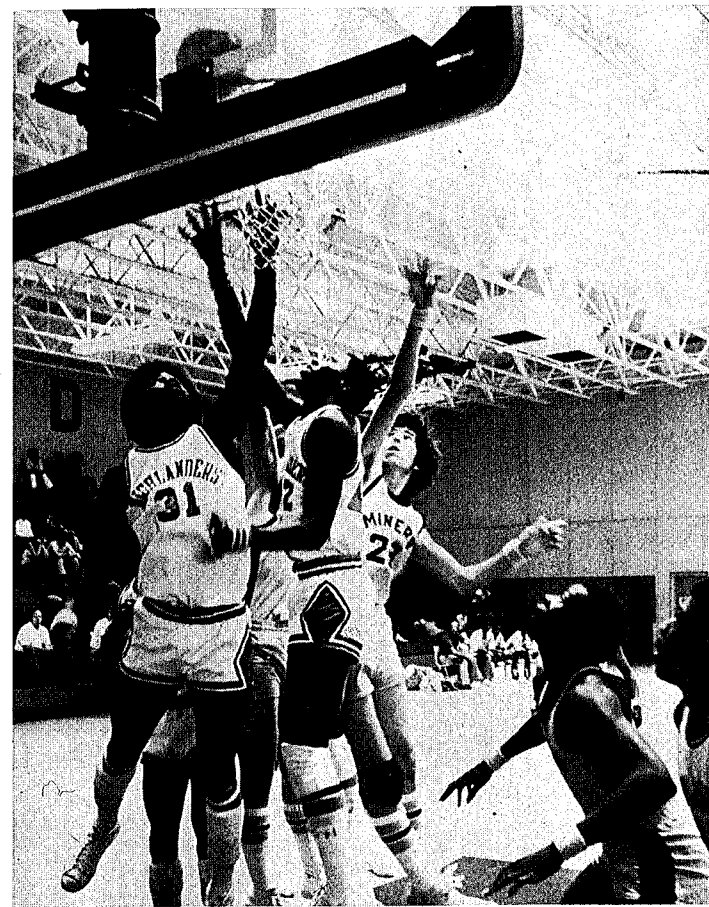

1. J. Williams says, "I've got you now." 2. R. Brubaker locks in on Haines City opponent.

Highlanders Complete Successful Season

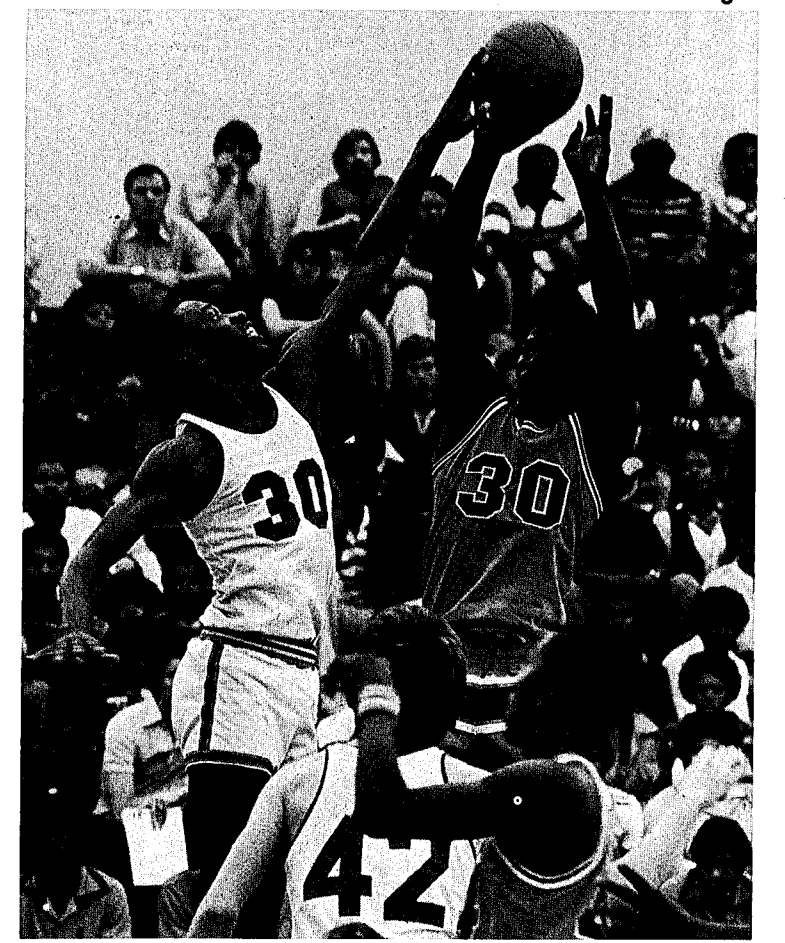

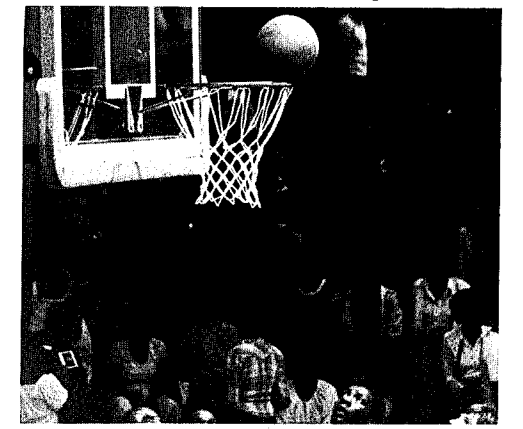

The Lake Wales Highlanders completed one of the most successful basketball seasons in recent years with seventeen wins. Before the season opened, the Highlanders goals were to be competitive and do well in the district. Both goals were attained. Besides their seventeen wins, the Highlanders won the Lake Wales Invitational Tournament. In the district tournament, the team was the district runner up to Bartow. At this point, the Highlanders reached their peak for the basketball season.

Highlanders Place Second In District

The Highlanders opened the district by beating Wachula 95-90 in overtime. They then knocked off Auburndale 87-78, a team that had been ranked in the state most of the season. In the finals, the Highlanders were sadly beaten by Bartow 66-64.

Team members honored at the sports banquet were Arthur Barnes, Assistant Leader; Greg Singletary, Best Field Goal Percentage; Johnny Griffin, Best Free Throw Shooter; Lorenzo Hampton, Hustle Award; Errol Miller, Most Improved; Burney Hayes, Leading Rebounder.

The season was successful because of the players hard work and consideration for team play.

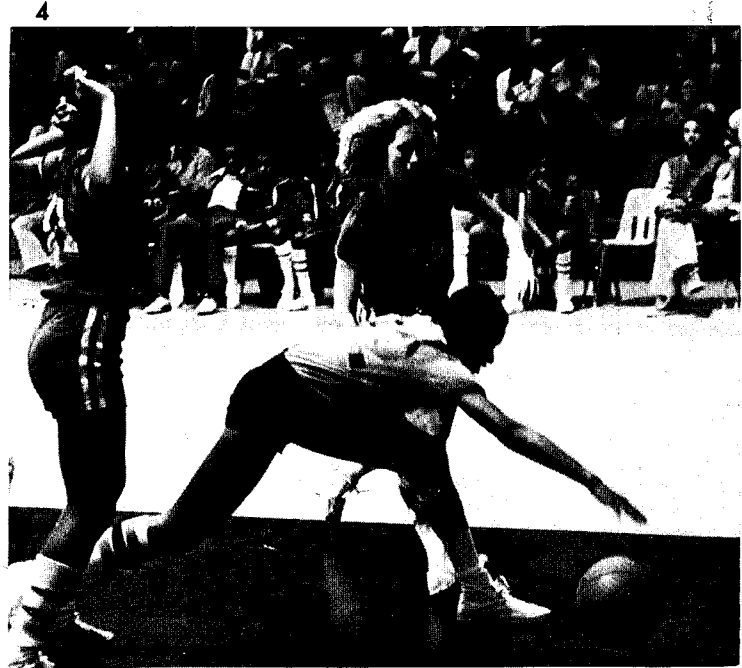

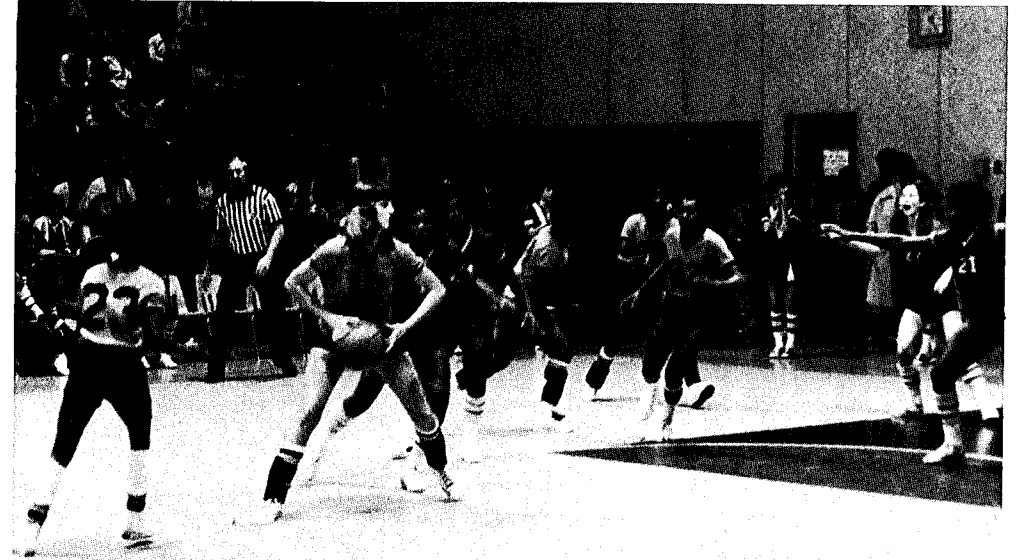

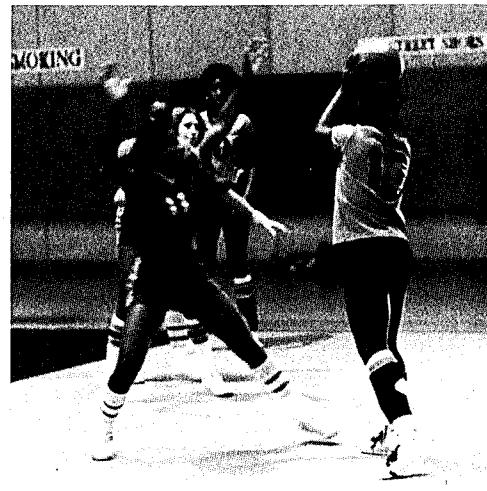

1. Coach Young and L. Hampton look on with concern. 2. B. Hayes says, "Look mom, no feet!" 3. Reach, men!

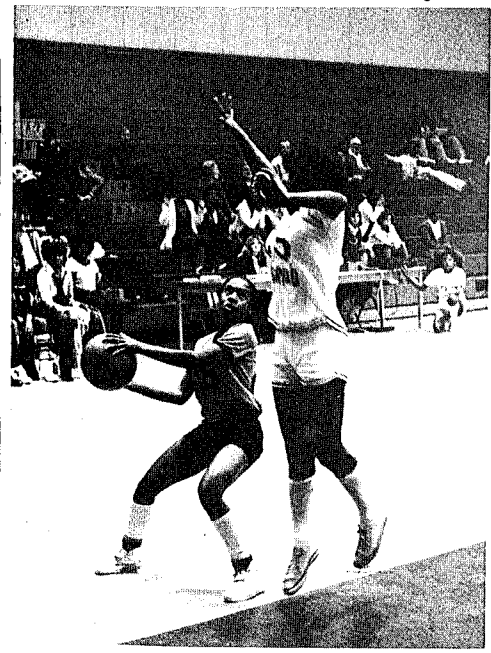

Girls Shoot the Hoop to Victory

Girls Basketball again made a superb showing for Lake Wales, dubbing a 17-4 record for the season, including their district and regional games. Their Ezell Ferguson was very pleased with her girls performance. The team was made up of mainly inexperienced players, Bernadette Griffin having chalked up the most experience on the court. Ann Dirkson and Elana Davis were also experienced roundball players. Four of the twelve players on the team left due to graduation. Bernadette Griffin, Ann Dirkson, Sandra Kennon, and Elana Davis. The remaining players will be back to shoot the hoop for Lake Wales.

J.V. Scores High

The Lake Wales Junior Varsity team showed their competition how the game of basketball is played. Their performance on the court was stupendous. They lost only 2 games in a 22 game season. Throughout the season the team racked up high scores, their highest being 104 against Sebring. Overall they averaged 77.5 points per game. This was matched only by their high offensive and defensive rebounding record. The skills these boys have learned will certainly be advantageous to them as Varsity players. Coach is very proud of his team and their performance. Thanks guys, you've done a great job!

Freshmen Boys Defeat Bartow

The 9th grade boys' basketball team improved in quality every game they played. The highlight of the season was an 18 point victory over Bartow. This win over Bartow allowed the freshman team to end its season with spirit and enthusiasm. With high spirits and a year of experience behind the team, Coach Borders said most of the boys will be playing Junior Varsity basketball next year and will do a good job.

Every night the team practiced hard in the high school gym for about an hour and a half. The team also played two student assembly games in the gym. They played a better game because of enthusiastic support of Highlander fans.

1. P. Borders makes a pivot turn to escape Westwood player. 2. M. Kaggs tries to find an opening in Westwood's defense.

Freshmen Complete A Winning Season

With hard work, determination and hustle the freshmen girls' basketball team ended their season with a 9 win and 3 loss record. Besides co-operation and a good attitude, the team's biggest plus was respect for others' abilities, and they always played their best whenever called upon. They should help the varsity team continue their winning tradition.

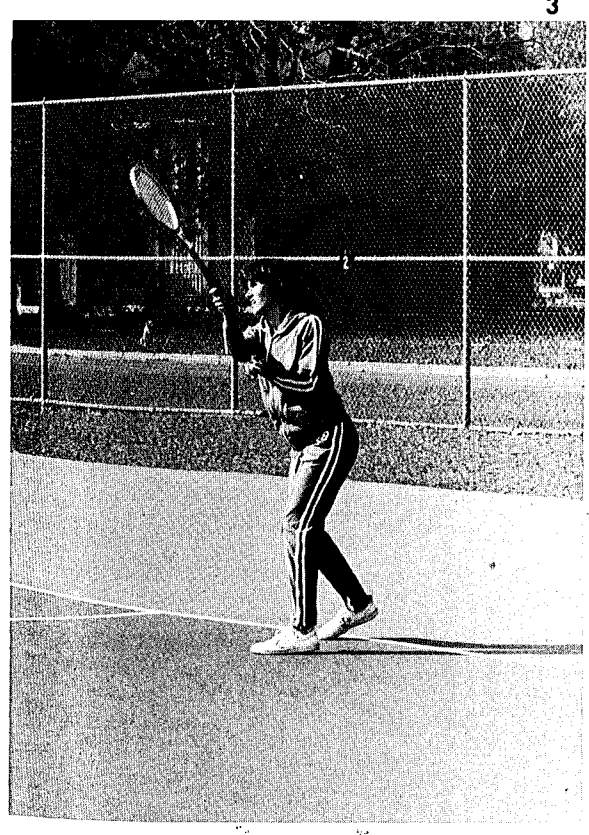

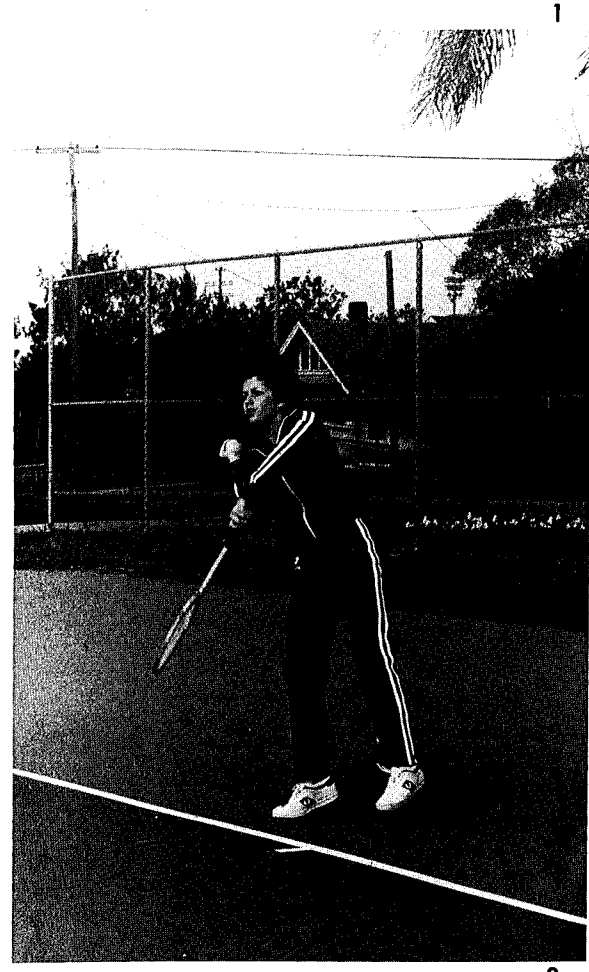

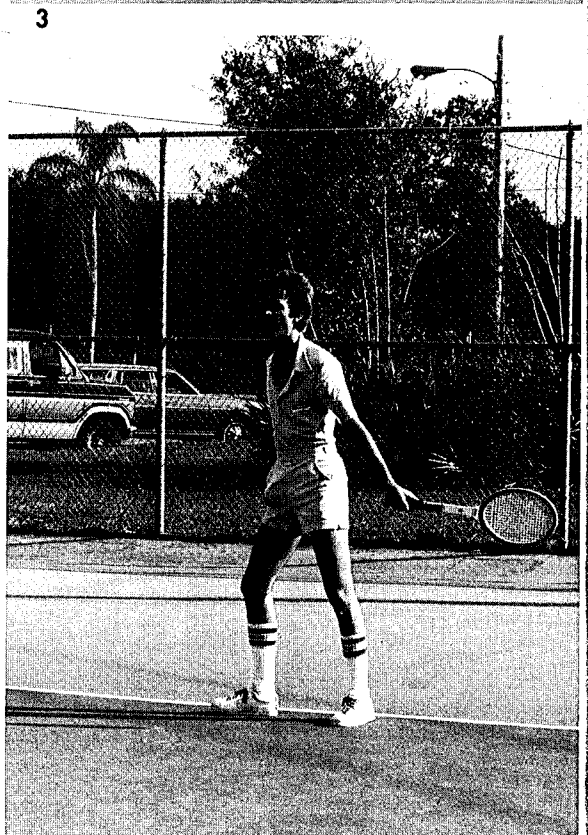

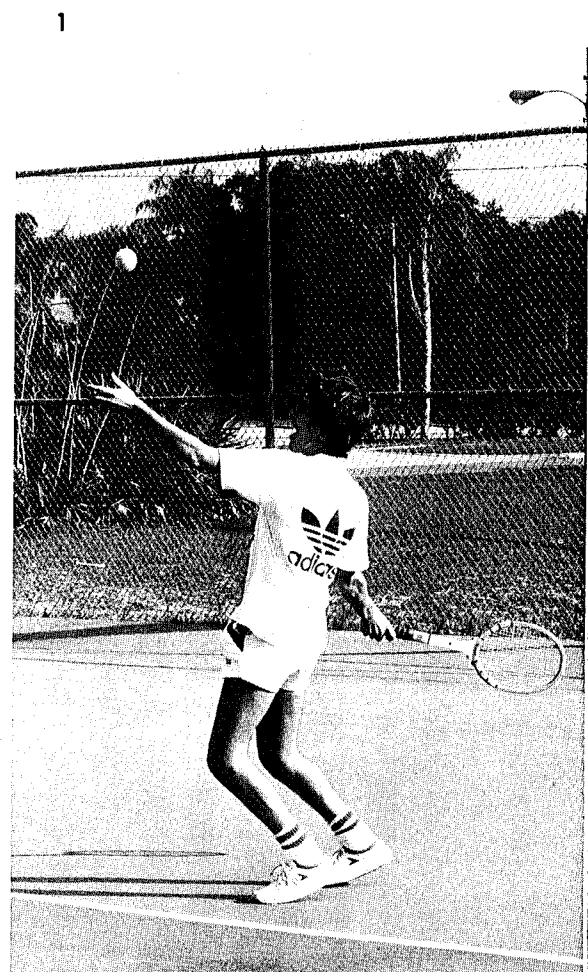

The team practiced after school from 2:30 until 4:00 P.M. Since the high school gym was always being used, the team practiced at the YMCA gym.

The whole team was proud of their winning season.

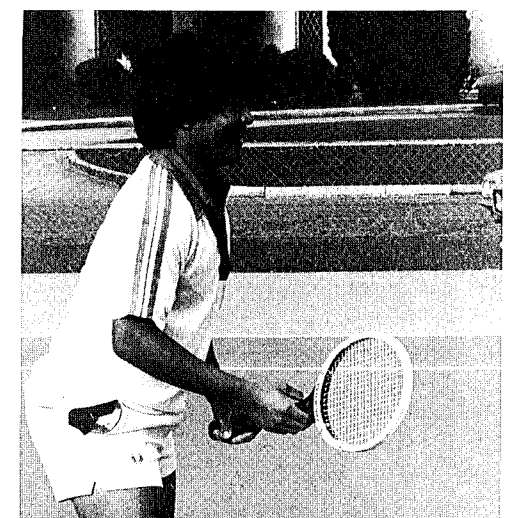

1. L. Engram aims and fires. 2. A. Williams goes up for two points.

A Successful Season For Boys' Tennis

The boys' tennis team, under head coach Charles Wunker and assistant coach Jim Darrow, completed a very successful season with eleven wins and three losses. The boys practiced at the city courts every Monday through Thursday and competed in matches on Tuesdays and Thursdays. The most satisfying match was their 4-3 win over Auburndale. The coaches felt that there was no one outstanding player. They were all great and every player contributed points at the county and district tournament. It was a total team effort all year long. Only two players graduated: C. Smith #3, and R. Jansen #8, so the team expects a good season in 1980.

1. L. Tonjes makes his serve. 2. What's so funny, A. Biglette? 3. C. Smith said he had enough.

Girls Undefeated

The Highlander Girls' Tennis Team achieved an undefeated season with a record of 15-0. Their individual records included three girls undefeated and two girls with only one loss. The Highlanders took first place easily at the county tournament at Bartow winning 4 out of 5 singles, and 1 out of 2 doubles. At the district tournament, the team came in second, losing heartbreaking finals to Santa Fe. There were three proud, district winners from Lake Wales. They were Michael Wells, Dot Griffin, and Jennifer Borders. Of these, Wells advanced to state. At the end of the season, Michael Wells and Sheila Martin were chosen as most valuable players. Wells was also named Athlete of the Year. The team had great spirit and felt they were the tightest team in the district. The girls made tennis a team sport rather than an individual, one-on-one sport. Coach White was superstitious and for good luck made them be quiet while going over Peace River on their way to the county and district tournaments. It seems he may have had a good idea.

Stroking Up Points

During the 1979 swimming season, the swim team survived cold weather and inexperience to build a good foundation for the season. The team did a good job representing Lake Wales.

Their practices began with weightlifting before Christmas and carried over into the pool at Weber College at the beginning of February. The team worked in the cold water at least 3 times a week and often more. It was a fine group of dedicated athletes that represented Lake Wales High as shown in the meet results.

The girls' team, consisting mostly of sophomores, laid the groundwork and with the YMCA pool coming it looks as if this program is beginning to take shape.

The boys team, made up almost totally of freshmen and juniors, represents an outstanding prospect for next year. The boys' relay team faired extremely well; the highlight being a fine showing at the County meet and a super 2nd place at the Sebring Invitational, where teams from all over the central and southern part of the state were represented. The whole team was a credit to athletics.

- March 9 2nd place of 3 teams
- March 16 3rd place of 3 teams
- March 20 2nd place of 3 teams
- March 27 2nd place of 3 teams
- April 3 3rd place of 5 teams
- April 7 no team results
- April 19 3rd place of 3 teams

VanGilder in relay. 7. K. Floyd says, "Boy, this water is cold." 8. The cheering squad? . . . K. Floyd, L. Milton, N. Barnum, M. Wetmore.

Boys Pound Pavement For Points

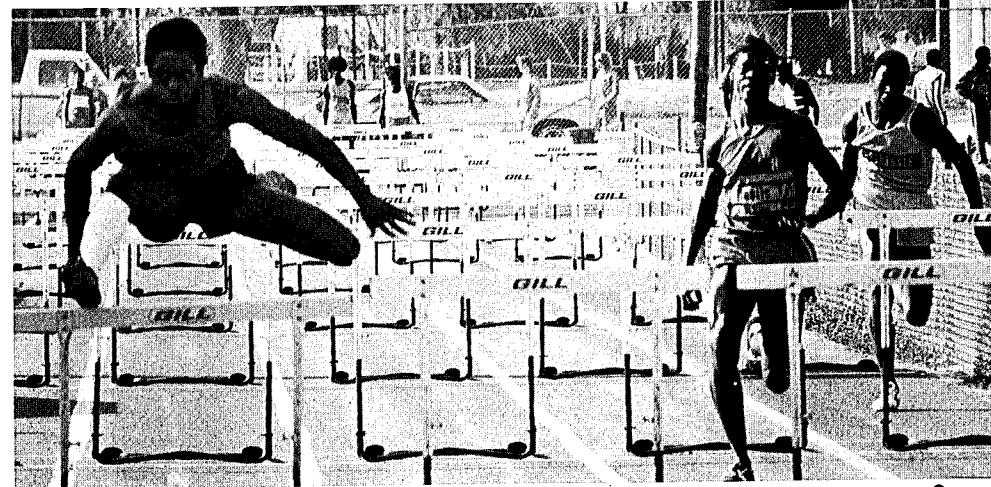

The boys track team racked up high scores for Lake Wales. They were very determined and practiced long and hard. In the county meet at Winter Haven the team came in second. At district we placed third and fourth in the regional meet held in Apopka. Thirteen boys advanced to the state at Showalter Field in Winter Park. The coach, Coach Minton, is quite proud of the guys' performance. Though several members of the team will be lost by graduation, the majority will be back pounding the pavement again next year.

3

1. J. Williams concentrates on form. 2. N. Blue leaps ahead of opponents. 3. Derrick Robinson, Keith Dames, Kerry Davis, and Darryl Wells adjust spikes before meet. 4. E. McGriff duels with Frostproof opponent.

2

Girls Place In County Meet

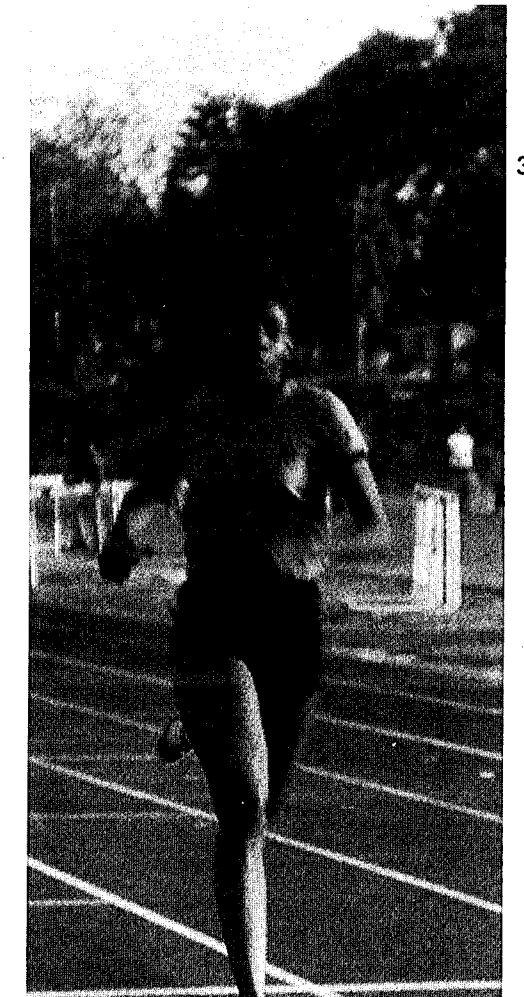

The Girls' Track Team took a small group of dedicated girls and produced a reasonably successful season. With only 7 girls on the team, they were still able to consistently maintain athletic excellence. The team was able to place 4th in the county meet which included all of the girls' track teams in the county. A young team with only two seniors, this group finished in the top 2 or 3 in most of their meets against 4 or 5 opponents. The team, led by Most Valuable Player, Bonita Johnson, advanced 6 of the 7 members into the Regionals from the District Championship. This group was paced by an outstanding mile relay team. Overall, it was a rewarding season with many bright spots.

1. Sandra Mose is overwhelmed with excitement. 2. Gwen Feagin gets running start for broad jump. 3. Bernadette Griffin races toward finish line.

Row 1: S. Scarlett, L. Williams, M. Randolph, M. Tubbs, G. Feagin. Row 2: V. Brown, B. Johnson, L. Johnson, S. Mose, B. Griffin, Coach B. Kier.

3

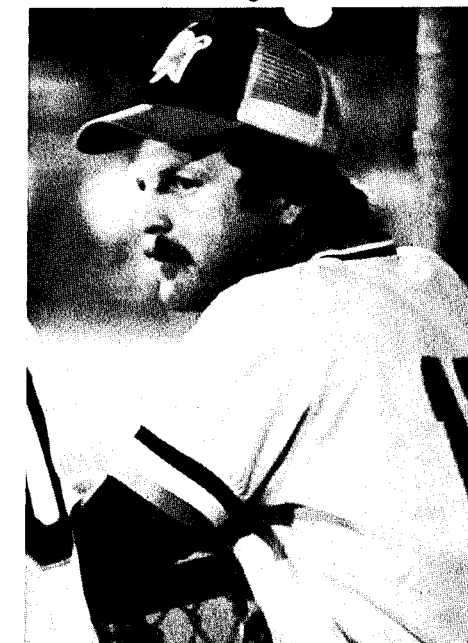

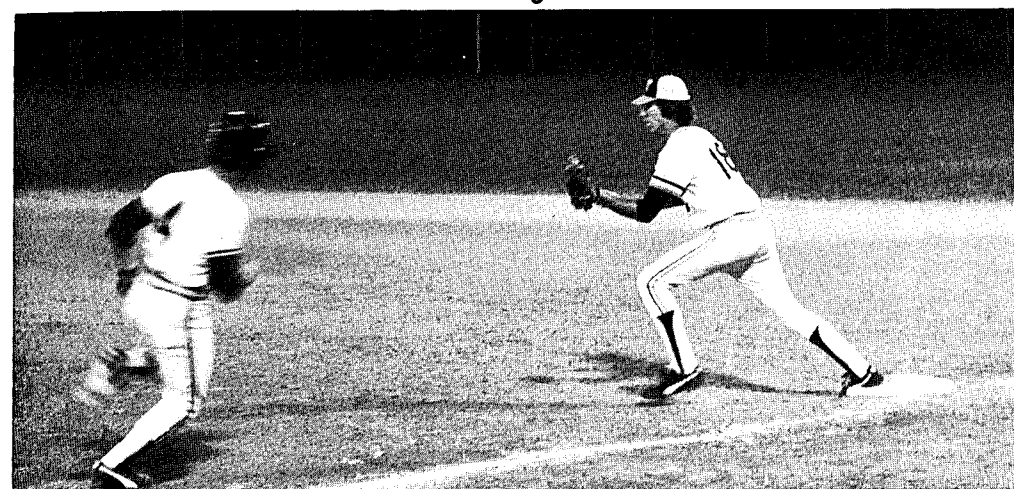

Highlanders Capture County Championship

The Highlanders completed a very successful season as they accumulated 21 wins and 12 losses. In winning the county championship, the Highlanders had three players named to the All-County team: Billy Ball, pitcher; Lee Brunson, centerfielder; and Lorenzo Parker, rightfielder. This was the second year that Billy Ball had made the All-County team. The season of the Highlanders was highlighted by a 12 game winning streak. The team lost a heart-breaking 1-0 game to Sebring in the district tournament as Billy Ball pitched a three hitter. Ball was once again the ace of the pitching staff as he racked up 13 wins against only 5 losses. The hitters were led by Lorenzo Parker with a .354 average followed by Billy Clifton with a .353 average. The team had a .266 batting average. A great deal of improvement was seen in all of the hitters and the outlook for the 1980 season seems good with a number of excellent athletes returning.

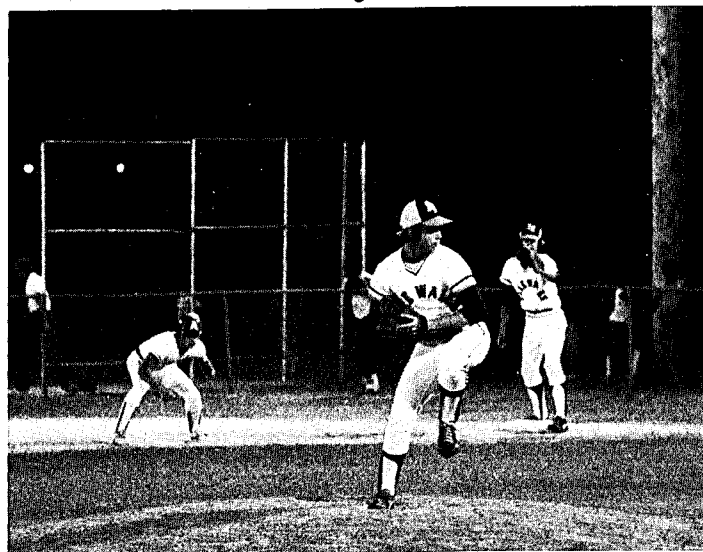

1. Moment of meditation. 2. B. Clifton displays batting form. 3. J. Franklin winds up. 4. Safe at first. 5. D. Corriveau lunges for out. 6. Assistant Coach M. Gerloski. 7. B. Ball fires one in.

The Lake Wales Golf Team finished the season with six wins and twelve losses. They practiced at the Lake Wales Golf and Country Club under the supervision of Coach Al Osteen. The best golfer, according to Coach Osteen, was Greg Knowles, who had an average of 39 for the season. Greg is a sophomore and has great potential for the years to come. All golfers who finished the season were awarded letters. They were Greg Knowles, Jimmy Lee, Greg Chambless, Tony Owen and John Ogburn. Knowles, Ogburn and Owen will be back in the swing next year.

Student Council Sponsors Olympics

Read by Student Council members Kathy Odom and Elizabeth Farr, the daily announcements greeted the student body each morning. The Homecoming festivities were, as usual, organized by the Student Council in traditional manner. The dance, parade, bonfire, and crowning of the King and Queen were all responsibilities of the council. They also sponsored a door decorating contest to raise Christmas spirit. President Joey Maggard, along with Vice President Chris Burch, held a tight rein over student government plans. Student Council provided many services for the student body. They sold Homecoming mums and Valentine carnations, sponsored Olympic Day, and Teacher Appreciation Week. They sold candy and stationary to raise money and to complete the year, Student Council held a banquet to honor all the hard workers.

JROTC Remains Honor Unit

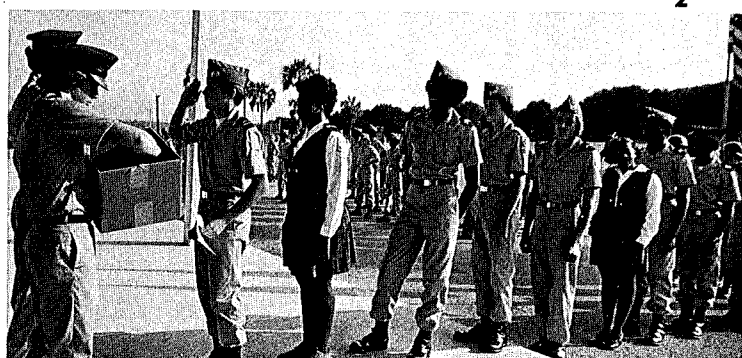

Basic purposes of the JROTC program are to help a person become a better citizen and become a well-rounded individual. It prepares for leadership and the future.

While JROTC requires hard work and perseverance there is also a lot of fun. They attended many competitions of all kinds in Tampa and Gainesville. They sold candy to raise money for the competitions and to take a field trip to Sea World. They also had their annual military ball.

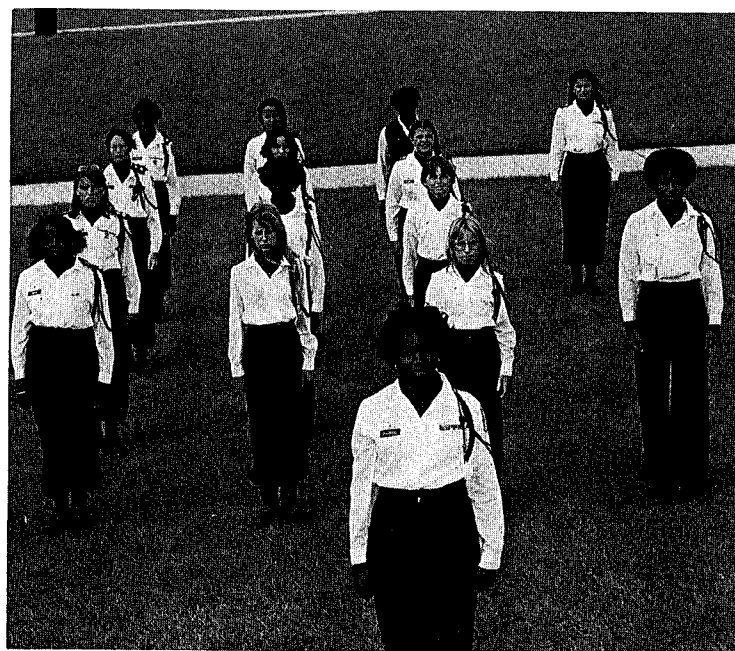

The Rifle Team, Drill Squad and Color Guard were the highlights of the year. The Color Guard served the school by participating in each home football game, presenting the flag. Both the Boys' and Girls' Drill Squad participated in the finale of Walesfest, held at Legion field. JROTC also marched in the Christmas and Homecoming parades. The highlight of the year was the programs annual inspection where they maintained their rating of honor unit.

Choral Department Sends Record Number to State

Concert Choir had a record number of fifty students this year. They had many fund raisers to raise money for tuxedos, dresses, and to go to State Contest in Miami. They performed at the Disney World Christmas Candlelight Ceremony with narrator Ross Martin, and Dr. Charles Hirt of UCLA directing. They gave many concerts and received a superior rating at District Contest, earning their way to State Contest where they received an excellent rating.

Mixed Chorus had thirty-five students who worked very hard and entered District Contest for the first time, receiving an excellent rating. Men's chorus, Women's chorus, and the "Beach Boys" all received superior ratings at District and State Contests.

This year's Natural High earned state recognition. They performed at Walesfest, a pop festival at Polk Community College, Tampa Rock Festival, Winter Haven Variety Show, Warner Southern College, Indian Lake Estates, Nalcrest/Fedhaven, and at the A.A.U.W. Style Show. They also received superior ratings at District and State Contests. Also, eight of the choral students earned the right to attend All State. Joey Maggard earned his way into the prestigious Reading Choir, while he and Arnold Prince received Superior ratings in Student Conducting at District and State Contests.

FFA Plants Jasmine for Depot

FFA's grove operation and greenhouse was very successful this year. They had a great initiation party in October at Jimmy Tucker's house where the new members were prepped on the hard work and enjoyment of FFA. They showed spirit by entering a float in the Homecoming parade with the slogan "FFA Sez Buck the Bucs." They had a plant sale in December, just before Christmas, which added plenty of money to the treasury. FFA also served the community by planting Confederate Jasmines by the depot. Fred Merritt and Ricky Simmons represented the Lake Wales FFA at State Convention.

FHA-HERO Member Elected to State Office

For the FHA-HERO members 1979 was a successful year. A member banquet kicked off a terrific membership drive for new members. While raising funds, the club members washed off their hands at a combination car wash-bake sale. The Adopt-a-Grandparent program helped the club build a bridge across the generation gap. In Tampa, ten Lake Wales students attended the annual District Convention at which Dori Green was elected to run for State Secretary. Dori's speech on child abuse and the other nine members' campaigning helped her to be elected State Secretary (F.H.A.) at State Convention in Orlando. The year ended with an installation of officers at the Mother Banquet in May. Cassie Vause received the Publix trophy for her outstanding work during the year. At the end of the banquet the symbolic "Honors Creed" was repeated:

We the Future Homemakers of America are.

We face the future with warm courage

And high hope.

For we have the clear consciousness of seeking
Old and precious values.

For we are the builders of homes.

Homes for America's future.

Homes where living will be the

Expression of everything

That is good and fair.

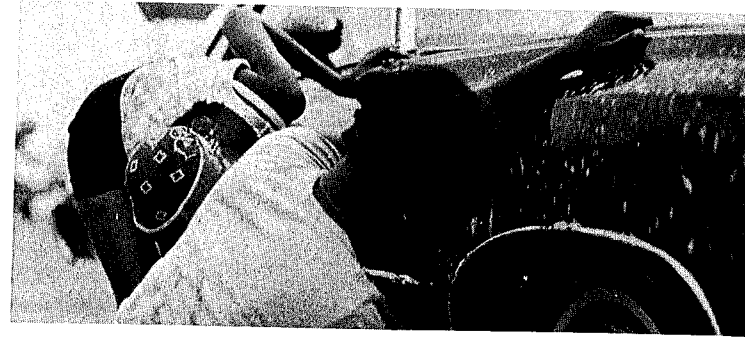

Homes where truth and love and security and faith

Will be realities, not dreams.

We are the Future Homemakers of America.

We face the future with warm courage

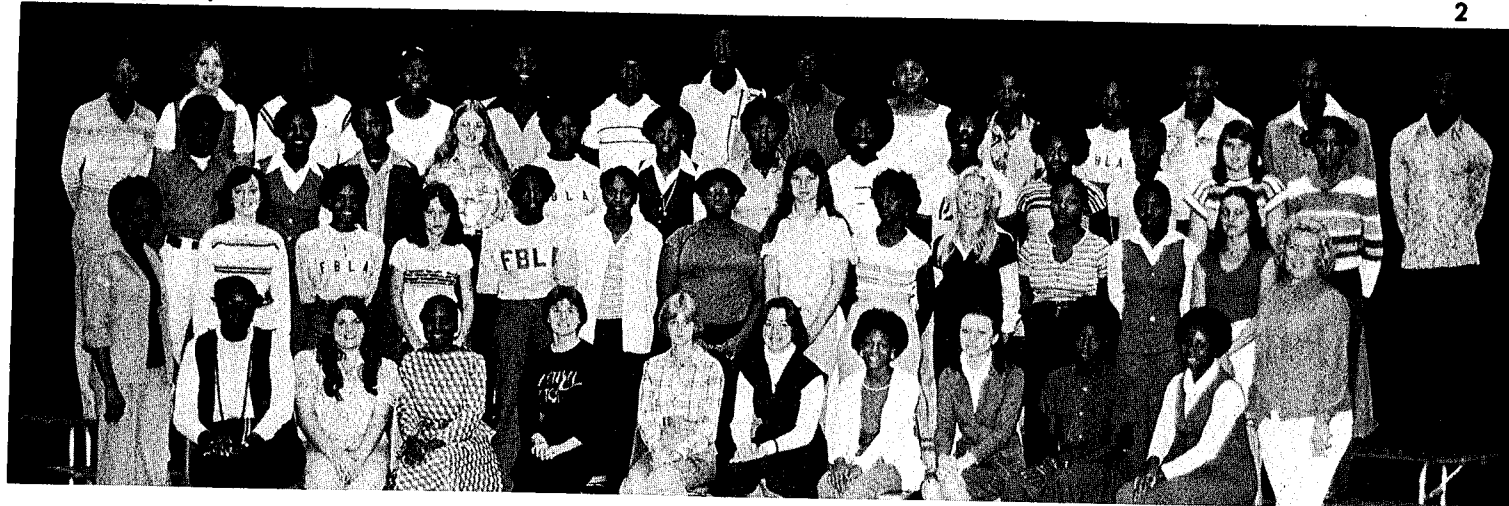

And high hope.

FHA Member Third Runner-Up in Dream Girl Pageant

F.H.A. started their year with a jewelry sale to raise funds. They sent two members, San Henderson and Eunice Atmore, to State Convention held at the Sheraton Twin Towers in Orlando. They brought back many new ideas.

Their president, San Henderson, placed third in the school's annual Dream Girl Pageant.

ROW 1: T. Tehring, C. Bashaw, V. Wells, L. Young, E. Atmore, Mrs. Hendren. ROW 2: Mrs. Granberry, L. Barnes, S. Rachel, S. Henderson, A. Francis, G. Laughlin.

Our Clubs

From banana-splits
To Homecoming floats
Our clubs heard many cheers.
They worked and ate
And competed and won
And shed successful tears.
Arm in arm
Hand in hand
They rocked for many hours.
They served their school
To bring about
Many smiles and flowers.
And through the toilsome work
And the laborious hours spent,
Our clubs had fun and laughter
And remembered another year well spent.

Superior Band Marches for Graham

Lake Wales Marching Highlanders had their work cut out for them, and they went to it full steam ahead. They faced 5 home games and 2 away, and their final goal for marching season, a "Superior" rating in District Marching Contest. Last year a 32 year trend of "Superior" ratings was broken when the Highlanders received an "excellent" rating. Their motto for this year was "Remember '77", and this they did. There were tears at this year's contest also, but this time tears of joy as the Highlanders received their plaque for "Straight Superior" ratings.

They started 2 weeks before school breaking in new members and the new "glide step". Each half-time show had a part of the contest show in it. The most spectacular and most difficult move was the block swirl which the band executed with great precision. Other moves included the "power line" in which the entire band stretched from end zone to end zone.

The Highlanders also performed in many parades including the Christmas parade, Homecoming, and the Citrus festival parade. The Highlanders received an invitation to march in Governor Graham's inaugural parade. They bundled up, chartered busses and headed for Tallahassee. As they marched down toward the capital snow began to fall; that's right, snow! The band stayed in a hotel in Georgia and toured the capital before returning to Lake Wales and warmth.

The band sold candles this year to raise money for new uniforms. The sale was so successful new concert uniforms were purchased for the Symphonic band and each upcoming senior will have a new white marching uniform. They also purchased enough material to make new uniforms for the entire Scottish unit.

Community Attends Concerts

For the Highlanders, the 1978-79 concert season was rather busy. The bands had numerous concerts to perform. First, the annual Christmas concert, then their first tourist concert. Then came Contest Preview Concert, and District Contest. Both bands received "Excellent" ratings, the Concert Band playing Imperial March, Welsh Rhapsody, and Festivo. The Symphonic Band played The Purple Pageant March, Au Pays Lorrain, and we'll never forget Theme and Fantasia! The "Symphonic Band" performed at the 50th anniversary of Bok Tower and the annual Nalcrest concert. The 3rd annual Band Day was a success. The Junior High Band, Concert Band, Symphonic Band, and Highlander Band, with Scottish Unit, performed at this fund raising event. After Band Day was Spring Concert, which featured the 1978-79 Scottish Unit in their last performance.

DECA Was Fine in '79

A County Wide Rally held in Winter Haven was the kick off for the year's activities. The club participated in homecoming activities, attended State Leadership Conference, operated "Little World", a store for selling Christmas gifts to children for parents and friends, participated in District Contest in Bartow, and State Contest in Tampa. A gala Employer-Employee banquet was an outstanding event.

1. DECA's first place homecoming float. 2. A cheerful welcome to "Little World". 3. DECA members S. Badger, G. Chambless, C. Benton, D. Copland, and L. Morgan win first place in banana split eating contest. 4. DECA officers G. Cain, C. Benton, B. Glenn, C. Smith, and T. Huchins. 5. A warm welcome to District Contest. 6. Kris McGuire placed first in General Merchandise Manager-Owner on District level. 7. DECA members campaign for "Putney for President". 8. R. Kemintz, D. Sanders, B. Curtis at DECA party. 9. V. Glenn, C. Blocker, T. Huchins at Leadership Conference. 10. Greg Batson at DECA party. 11. G. Cain works at "Little World". 12. Tony Stewart works out budget.

CAMPUS CHATTER

25¢

LAKE WALES HIGH SCHOOL

"HOME OF THE HIGHLANDERS"

1978-'79

Constant gains in machinery, quality, dedication of sponsors and students distinguished the new campus newspaper. The name, "Campus Chatter", was selected for the paper from various student and faculty ideas. Mr. Potter's fifth period Graphic Arts II class handled the production of the bi-weekly edition. Later in the year Mr. Emery's 7th period sophomore class took over the editing and typing of the news material. Also Mr. Potter was instrumental in receiving the Quill and Scroll charter for our school.

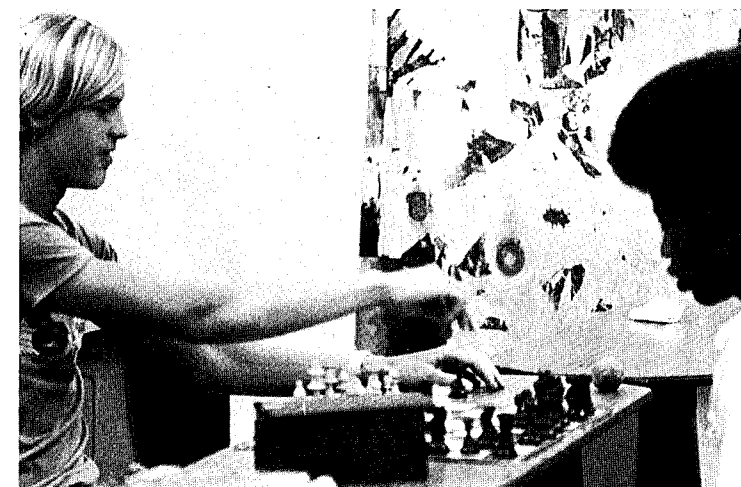

ROW 1: Don Haromy, Renaldo Simpson, Richard Antcil, Mitch Fletcher, Beth Curtis, Ronnie Fackender, Sol Costin, Chris Potter, sponsor. ROW 2: Kathy Odom, Johnny Goosby, Carol Roy, Reginald Daniels, Jeana Clark. NOT PICTURED: Martin Burns, Jill Hurr, Peter Myer, Jerome Polston, Brenda Shaw, Susan Cray.

Checkmate: Chess Club Wins Again

I won! Those were sweet words spoken by most Chess Club members. Chess takes a lot of patience and strategy, and they have it. They won twice against Lakeland High 5-0 and 4-1. They are trying to get more schools to participate in chess and would like to receive a letter for it. The players in descending order are: James Beam, Roger McIntyre, John Letter, Donald Haromy, Chris Laude, Steve Mixon, Dana Thomas, Rob Cook, Brain Robinson, and Steve Khun.

1. Steve Mixon and Donald Haromy challenge one another. 2. "The fearless leader", Mr. Deaton. 3. Roger McIntyre makes a smart move.

ROW 1: R. McIntyre, J. Letter, D. Haromy, J. Titus, B. Barker, S. Khun. ROW 2: N. Swift, pres.; J. Beam, v. pres.; S. Mixon, sec.; C. Laude, treas.; Mr. Deaton, advisor.

CBE/FBLA Equals Performance

CBE/FBLA's active year began with the installation of new officers held at the Black Forest Restaurant. Highlighting the year was CBE/FBLA's outstanding work on the CO-OP Homecoming float which captured first place in club competition. Money collected through "Little World", Gift Mill catalog sales, tumbler sale, a bake sale, a donut sale, and ushering at Passion Play supported the club. They attended District 13 rally on October 13, Southern Region Conference November 10-12, District 13 contest on January 29, and State Contest April 5-7. At District Contest Ginny Clemons placed 1st in Job Description Manual; Sheila Crawford placed 3rd in Job Interview; and Lois Reising and Rita Williams placed 6th in Poster Event. They had a canned food drive during the month of November to supply a needy family with food so they could have a more enjoyable Thanksgiving. On Valentine's Day they visited Ridge Convalescent center to distribute red and white carnations to patients and staff. Regular activities included a weekly breakfast meeting, some at which guest speakers told of available jobs. Employment was the major area of concern to the club, and at the end of the year an Employer-Employee Banquet was held.

Business Leaders Mix Business With Pleasure

A true definition for FBLA (Future Business Leaders of America) would have to be: an enjoyable way of learning. FBLA is an organization designed to benefit business education students and to get them acquainted with the business and professional world. Our district contest, which was held in New Port Richey on January 29, was a fun and challenging experience. Winners or losers, we all came home feeling we had accomplished something. We had a beach party at Indian Lake Estates, and attended the Southern Regional Conference in September. District Rally was held in October and District Contest in January. From there we went to State Contest (held at the Sheraton Twin Towers in Orlando) in April, with our own Dori Green (parliamentarian) running for the office of vice-president. This year's outstanding members were David Saul (president), Alice Rogers (vice-president), and Melanie Bell (secretary).

ROW 1: D. Saul, A. Rogers, M. Bell, Mrs. Goss (sponsor). ROW 2: M. Freeman, S. Kennon, S. Williams, K. Sims, S. Allen, C. Barnes, C. Franklin, D. Ward, L. Herrod, S. Richards, D. Steele. ROW 3: C. 1

2

Service, work, and fun were all a part of the active Beacon year. Members relinquished their time to fill the community needs. In doing so they gave exceptional help in such activities as the Side Walk Art Show, Pioneer Day at the Depot Museum, Junior Museum, trick-or-treat for UNICEF, and the volleyball marathon curtain fund. The club also donated money and presents to a needy family for Christmas, and made popcorn for the finale of Wales Fest held at Legion field in October.

During their annual shoeshine, the girls shined everything from tennis shoes to platform boots! Riding on the "bicycle built for two" in Homecoming parade, were Vicki Collins and Shawn Spate. Riding that is until the chain broke and the girls had to walk the rest of the parade route! Tradition also prevailed in the annual initiation where new members had to wear rain coats and hats to school. Jay McClendon was chosen the 1978-79 Peerless Penquin.

ROW 1: Mrs. Hoaglin, sponsor; K. Hardman, pres.; C. Anderson, v. pres.; J. McClendon, sweetheart, A. Logan, sec.; M. Geils, hist; Mrs. Jack, sponsor. ROW 2: B. Baldauf, S. Scott, K. Odom, D. Key Club Chooses Elizabeth Farr as Sweetheart

Members of the Key Club were kept on their toes during a busy, fulfilling year. First, they portrayed Roman Guards for Passion Play and also helped Kiwanis with their annual Pancake Day.

To raise money they parked cars for the Ben Hill Griffin Golf Tournament. They assisted convalescent patients and made a Haunted House during Halloween. Key Club members helped with the parking of cars on several occasions including Little Theater performances, Baccalaureate, and Graduation. They also attended State Convention held at the Sheraton Twin Towers in Orlando.

1. Key Club member, Tygar Evans at Olympic Day. 2. Key Club sweetheart, Elizabeth Farr. 3. Board members: ROW 1: A. Prince, T. Anderson, E. Farr, T. Owens, L. Tonjes. ROW 2: K. Kyker, L. Singletary, J. Maggard, M. Bloomer. not pictured: P. Geils.

Serviteens Raise Funds Serving at Passion Play

Early in the year, Serviteens began their work to live up to their worthy reputation as a reliable service club. A slumber party, a dinner for the football team, participation in a banana-split eating contest, and spirit signs worn by club members showed the enthusiasm generated by the club. They contributed to more charity causes also by working at the Spook Hill Halloween Carnival, collecting canned foods for needy family, organizing a trick-or-treat for Unicef, and washing dishes for Women's Club. To support needed funds, they sold souvenir programs at Passion Play during the Easter season. A swimming party dedicated to senior members completed the year's activities.

Homecoming Parade

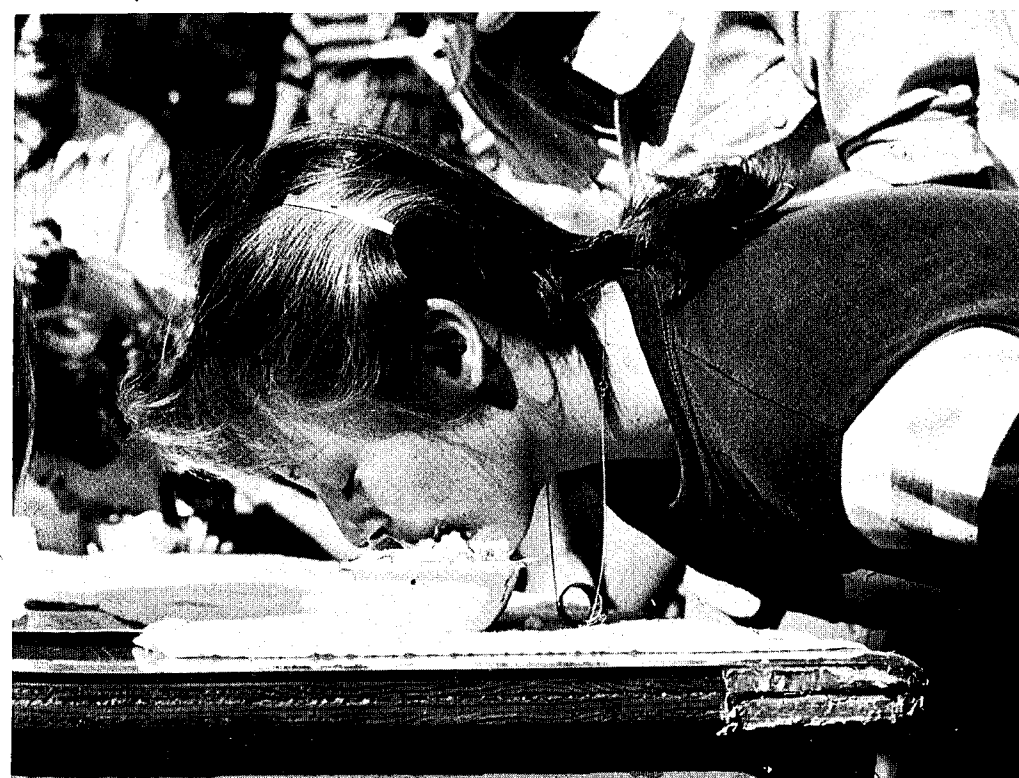

Jackie Ladd eats that banana split.

L. Frederick serves at tea.

Richards, R. Wheeler, D. Monk.

Deedee Geddings gobbles for Serviteens.

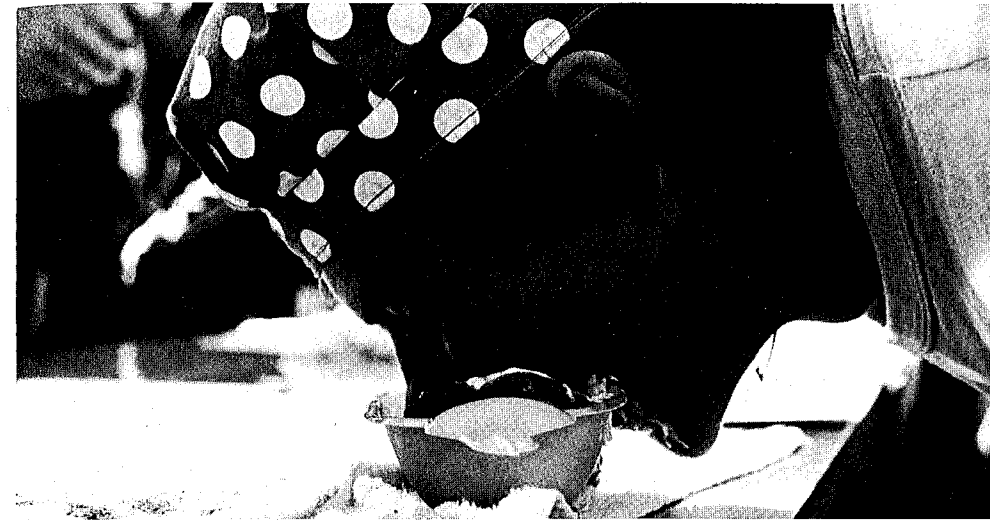

Interact Aids Rotary Barbeque

Initiation was great as ever; no one was hurt and everyone had a great time. After initiation the next thing was to go to a cook out Rotary had for them. They played football with the Rotarians and had a great time. The board went to Leesburg for District Conference at the beginning of the year. They brought back many new ideas. They helped Rotary with their annual Turkey and barbeque. The barbeque was the most outstanding event of the year with Rotary being overwhelmingly pleased with all the help.

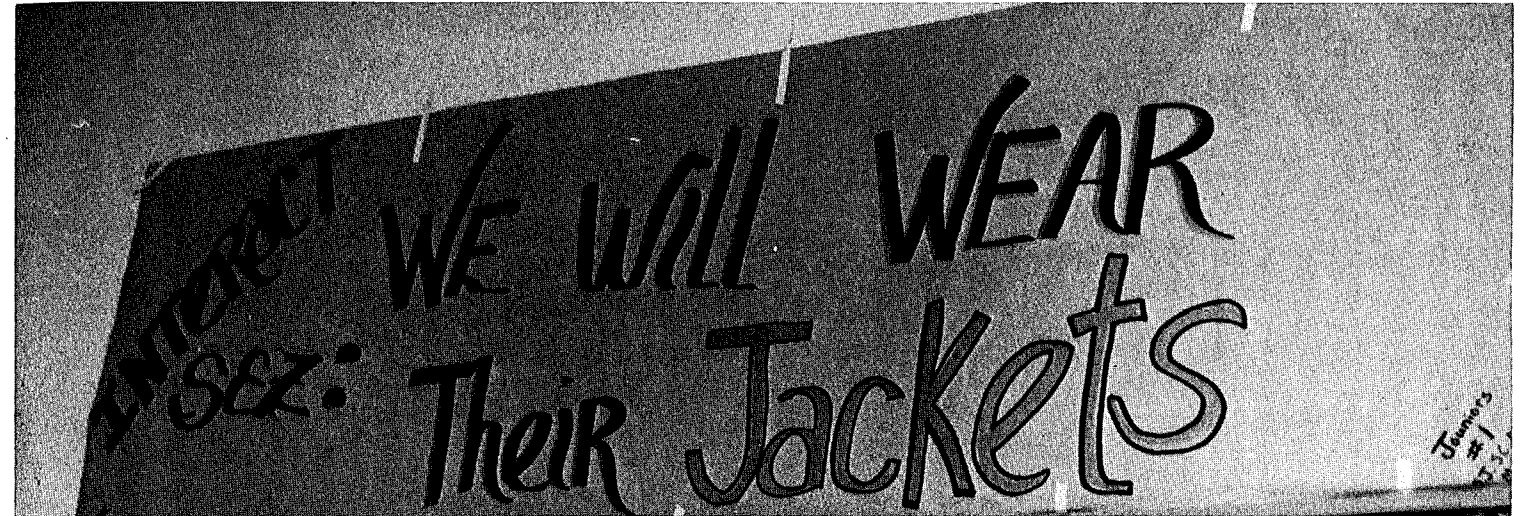

Signs were made for every football game and placed in the activity center. They were well represented in the Homecoming parade. Dawn Menze, the sweetheart, rode in a white corvette in the parade. In April they went to the Art Show. They also had a carwash to raise money.

ROW 1: Mr. Fletcher, advisor, J. Lee, pres.; M. Tocci, sec.; B. Ball, sr. board member; D. Menze, sweetheart; M. Fletcher, sgt. at arms; J. Stevens, Jr. board member; D. Sanders, treas.; J. Leo Awarded Outstanding Club

This year the Leo Club accomplished more than it has in the past. They had more members this year which enabled them to have several car washes and eleven people in the annual rock-a-thon, in which they raised \$300 for the visibly handicapped. Taking ten people to the Leo Convention, held this year in Silver Springs, they received an Outstanding Club award and honorable mention for their scrapbook. They donated money to the Lions Camp and other various causes. They ended the year with an installation dinner for new officers which was held at the Lions Camp with the Lions and Lionesses. The Lake Wales Leo Club had a terrific year thanks to their sponsors, Al Osteen and Harry Flink.

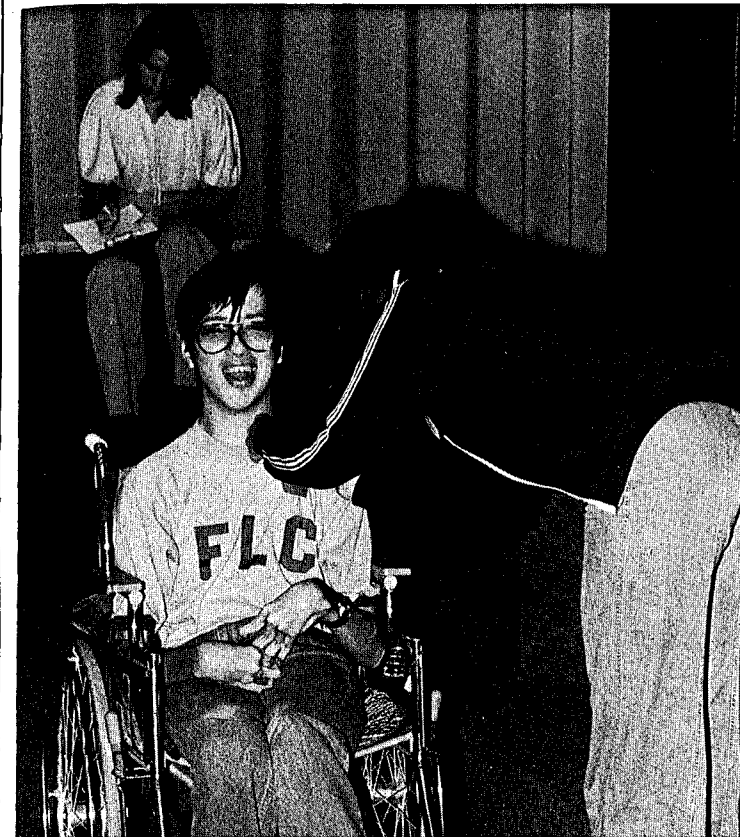

1. Leo officers.

Logan, P. Harrell, K. Odom.

Media Council Serves Faculty and Students

Media Council began this year by selling Highlander tams and Highlander pencils which were very popular because they built up Homecoming spirit as well as the council treasury. They decorated the library for Christmas and Halloween to raise spirit. Their most outstanding event was the egg decorating contest. This is an annual event for students to display their artistic talents. The categories were: 1. Most Beautiful, 2. Most Like Easter, and 3. Most Clever. Another fund raiser was holding a paperback book sale. The council also won third place in Dairy Queens banana split eating contest.

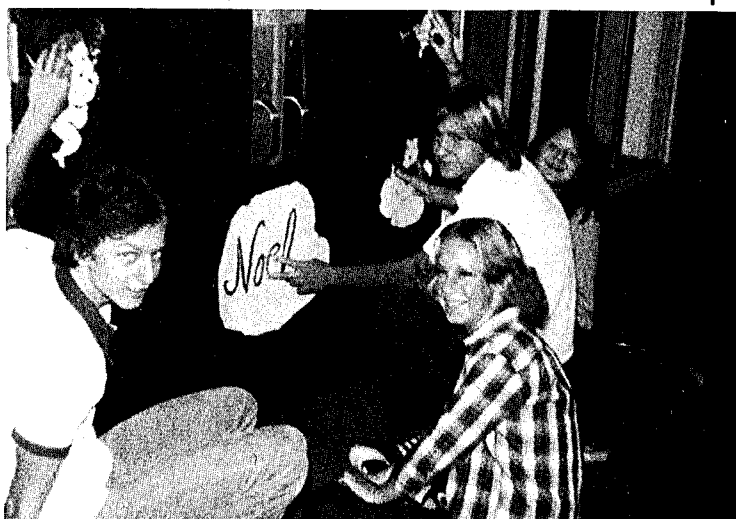

1. Jill Hurr and Jimmy Lee show eggs decorated for the annual Easter egg decorating contest. 2. Bright Pumpkin shows Halloween spirit. 3. Media members decorated door to show Christmas spirit. (L. Louis, H. Bradley, A. Cutting, and L. Earnhart.)

Art Club the Colorful Ones

Artistic people, colorful faces,
Creative thinking, and picturesque places,
A rainbow variety of things finally done,
After the artwork comes the real fun.
The contest, the judging, the ribbons and shows,
And all of the joy that along with this goes.

These descriptions fit the art club.

Fruit in bowls, and scenic views,
All painted on canvas in radiant hues.
No dark clouds to cover the skies,
But orange sunbursts shine in all eyes.

At Christmas time they made beautiful wreaths,
At Homecoming time they had a Banana-Split feast.
Promise showed at fund-raising bake sale,
It inspired them greatly, this club won't fail.
Under Mazza's guidance the club showed no loss;
It can be seen that she's a real boss!

This takes talent!!

Mime Troupe Says . . .

Adding a new dimension to Drama Club, the Lake Wales Senior High Mime Troupe gave many excellent performances. The troupe, formed and captained by Kathy Odom and Keith Straub, performed for Lake Wales open house for parents, the October Walesfest, and marched in the Homecoming parade. During Christmas Holidays, with Mrs. Cloud as narrator, they mimed *The Night Before Christmas* at the children's Ballet in addition to venturing into elementary schools. In long tights and traditional white face make-up, the group was professional.

Drama students worked hard on the skills of preparing a performance. They worked with acting on *The Invisible Dragon* and built the entire set for *Ten Nights in a Barroom*, but due to student scheduling conflicts, neither play was performed for the public. Drama Club participated in the banana split eating contest and their joke was: "Drama spent *Ten Nights in a Barroom*, saw an *Invisible Dragon*."

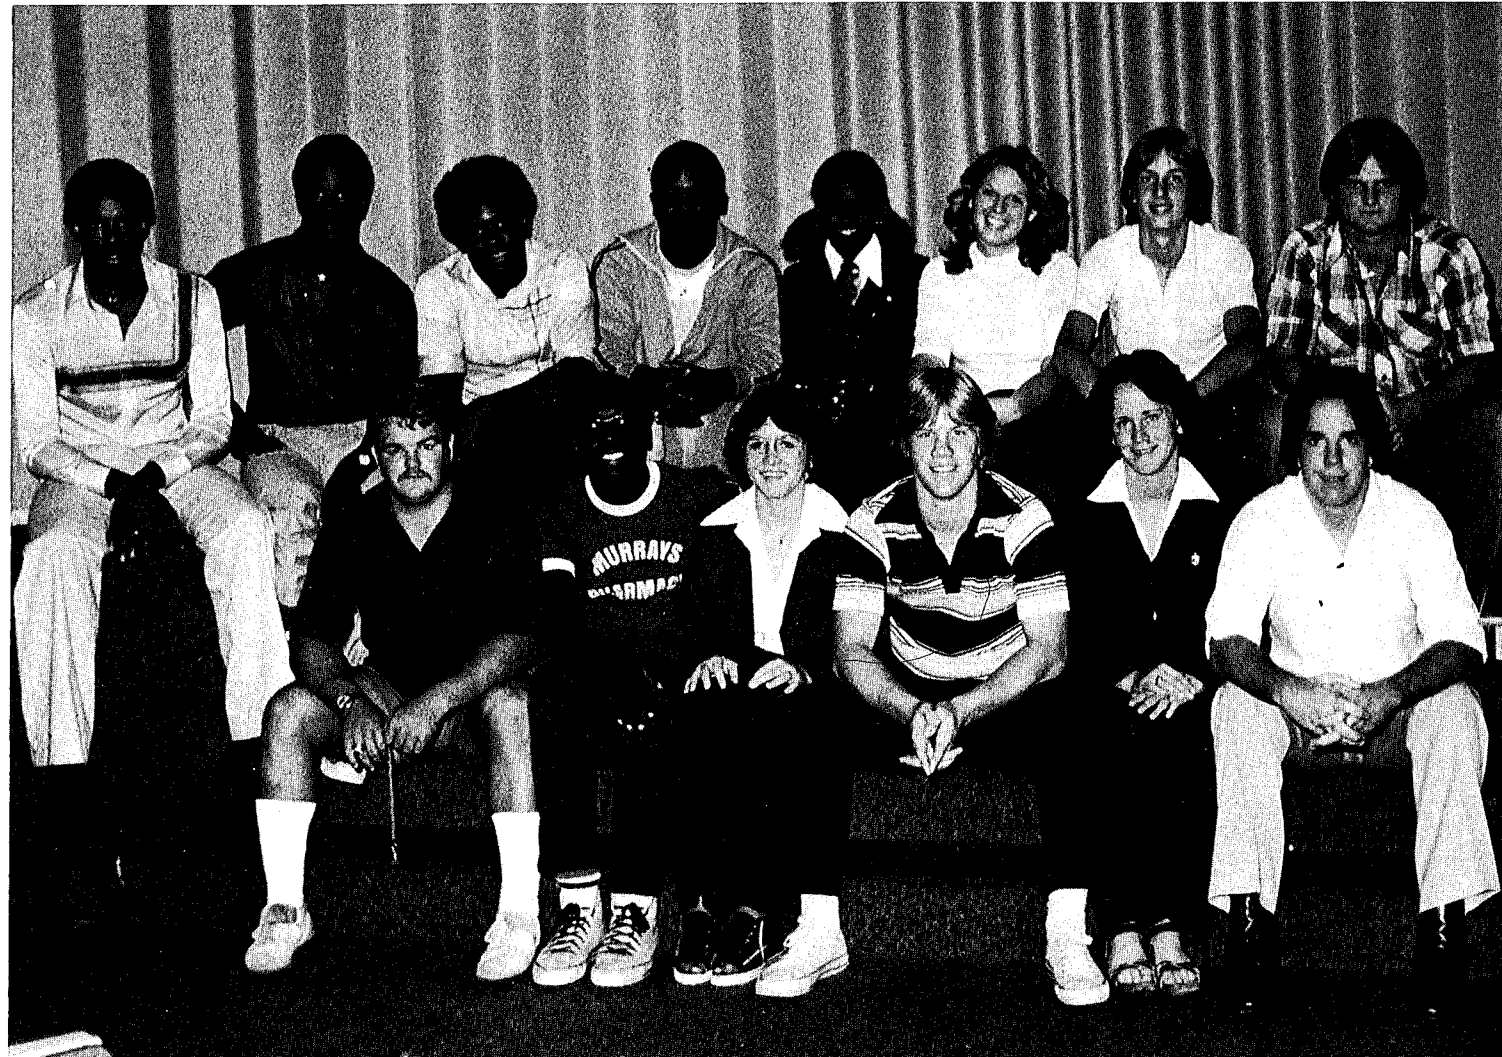

1. E. Pedersen at Homecoming pep rally. 2. E. Pedersen applies make-up to S. Sharpless. 3. A. Prince looks on as elementary student tries his hand at mime. 4. Mime Troupe: J. Kelly, B. Austin, E. Pedersen, A. Prince, K. Odom, capt., J. Bachelder, K. Straub, capt., S. Sharpless, R. Sparks. 5. E. Pedersen gets "carried away" by A. Prince and K. Straub at open house. 6. Mime Troupe members A. Prince, K. Odom, K. Straub, E. Pedersen, B. Austin, S. Sharpless, and J. Kelly prepare for Homecoming parade. 7. K. Odom prepares for elementary students. 8. S. Costin eats for Drama at banana split eating contest.

Lettermen Acquire New Sponsor

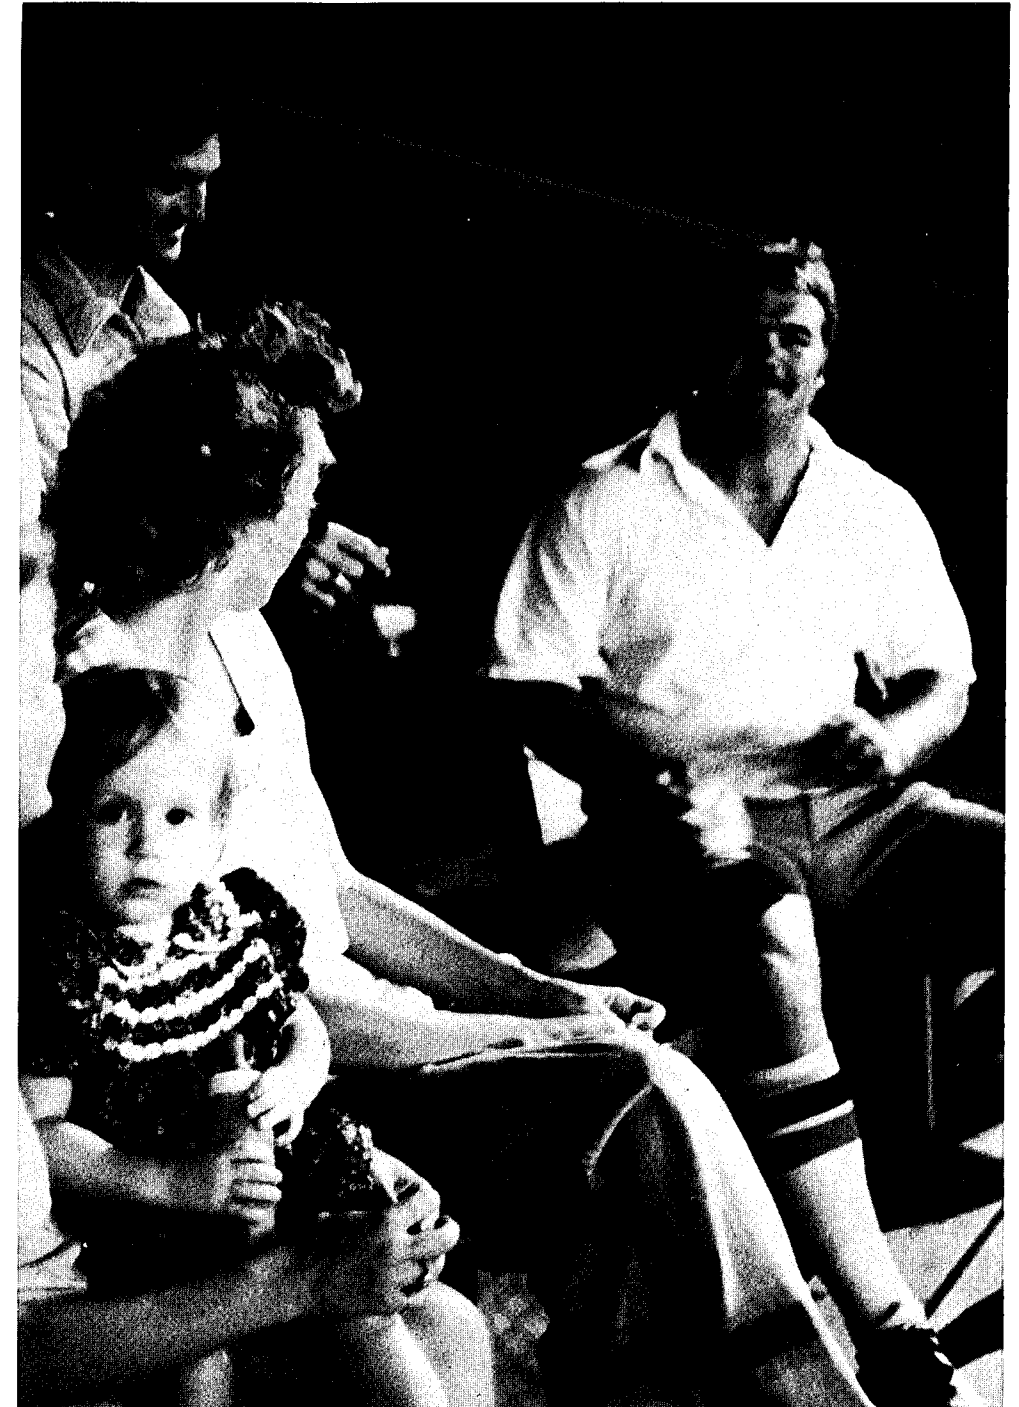

With a new sponsor, Coach Bondurant, Lettermen started their year with a car wash in which they splashed and soaped themselves more than they did the cars! But don't take these young people too lightly. They are hard working, talented people. To be in Lettermen Club you must have either lettered in a varsity sport or lettered in band. Band members do not receive their letters until the end of their junior year so only senior band members are eligible. Keep up the good work Lettermen. We're proud of you.

ROW 1: Coach Bondurant, B. Hayes, J. Klutterman, M. Albritton, M. Wetmore, D. Burton. ROW 2: E. Miller, D. Smith, D. Wells, J. Williams, E. Davis, E. Farr, J. Hamrick, J. Polston.

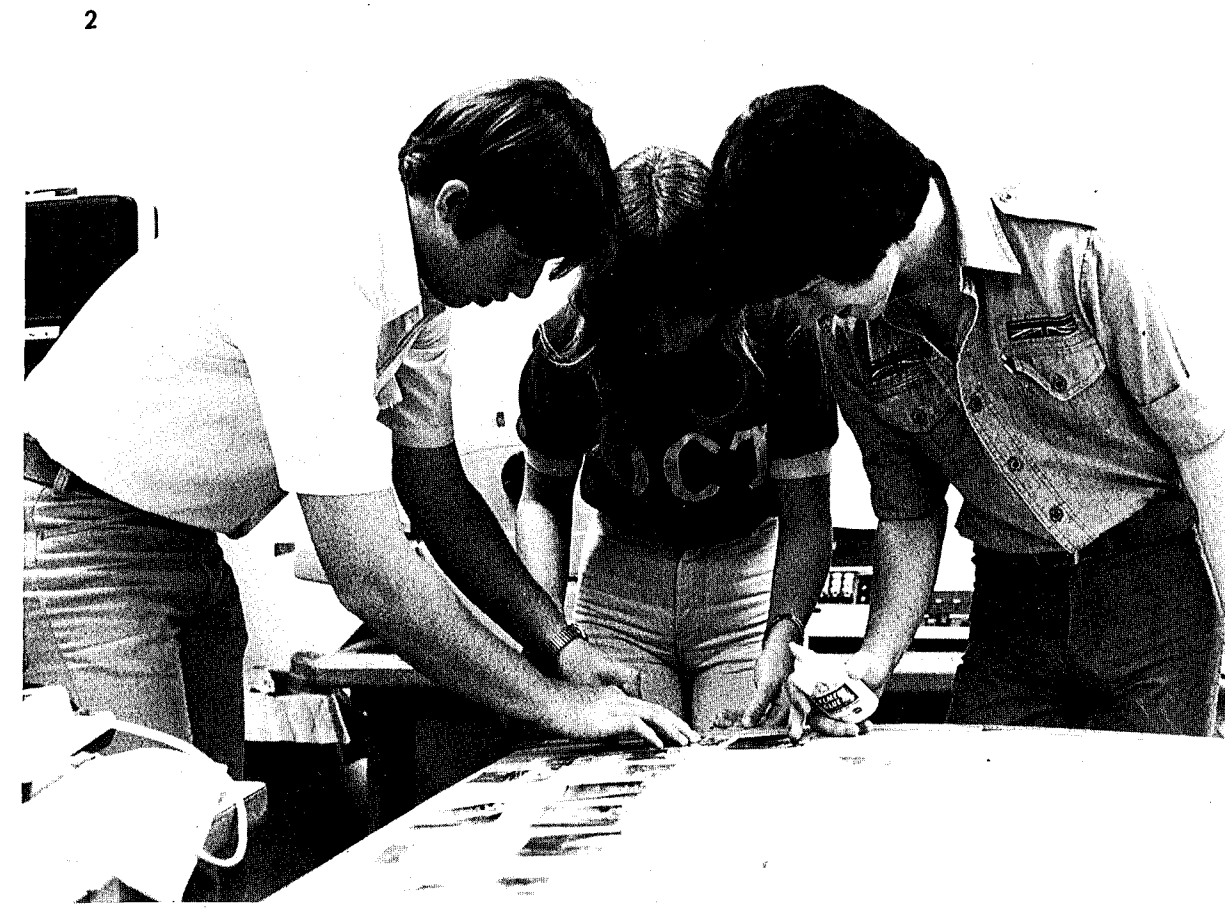

1. Coach Fletcher and Mrs. Jack.
2. Mary Wetmore, officer.
3. Coach Bondurant working hard.

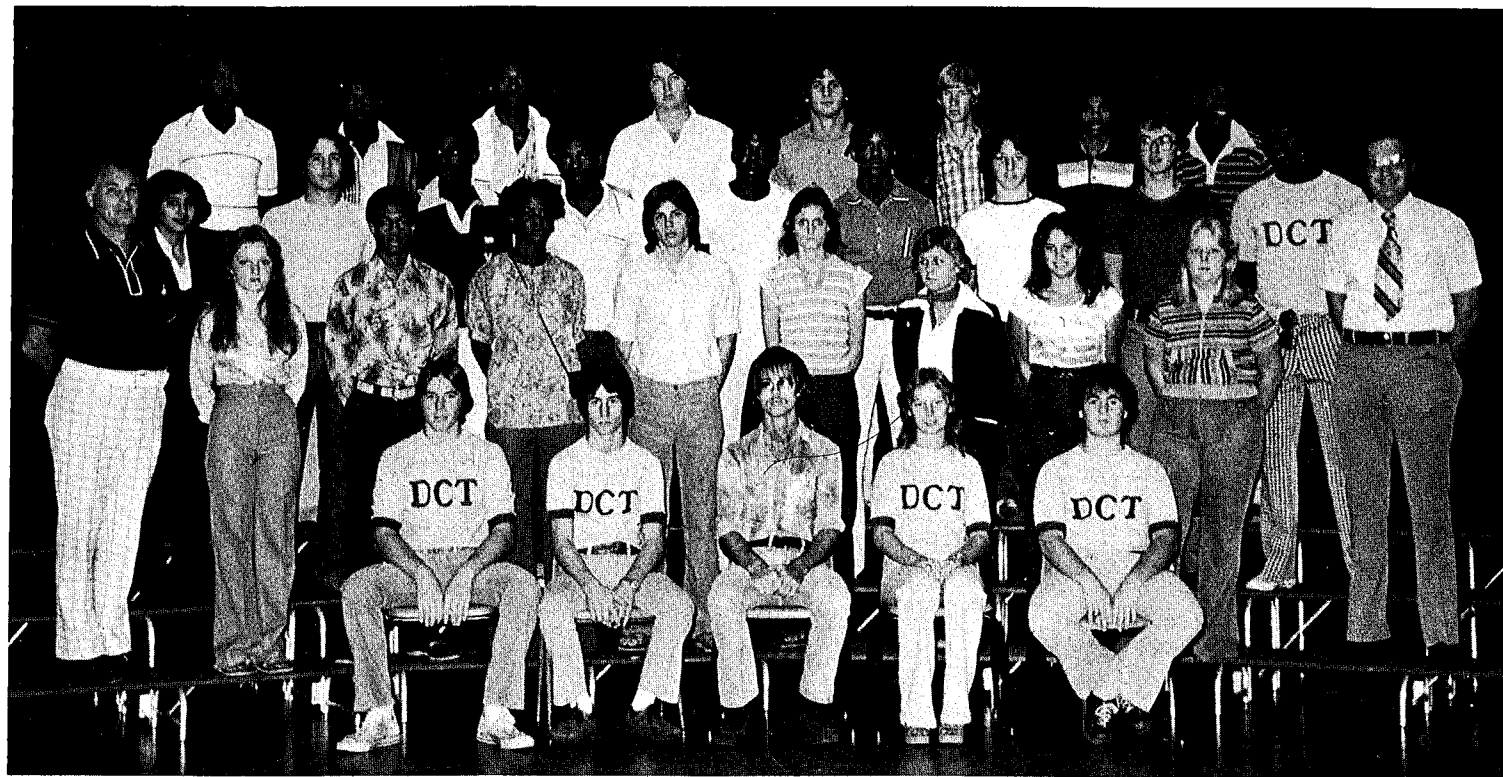

DCT Honors Seniors

Members of D.C.T. enjoyed an exciting and successful year. They went to State Conference in Orlando and tried a trip to Busch Gardens, but due to tornadoes, they had to spend the day at the mall. However, they did have a successful trip to Walt Disney World, a bit cold though. They held an Employee-Employer banquet and also held a picnic to honor senior members.

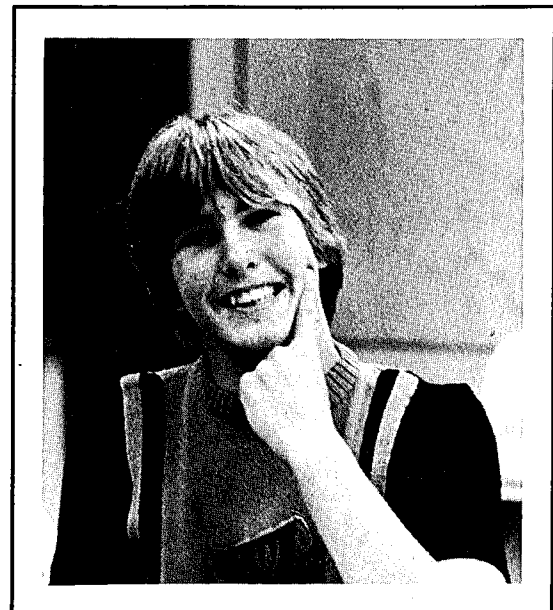

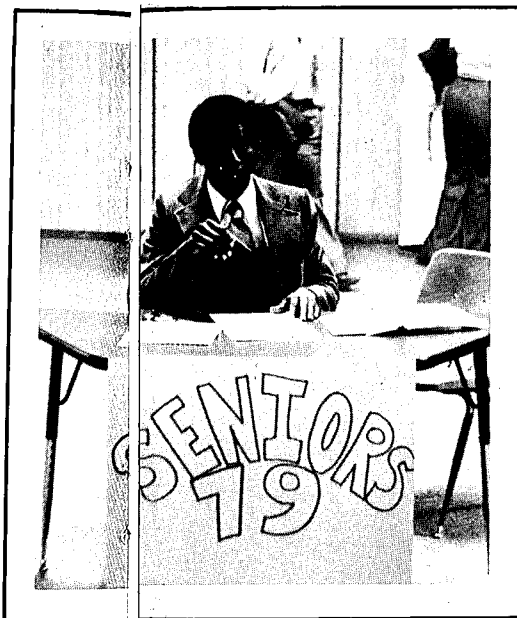

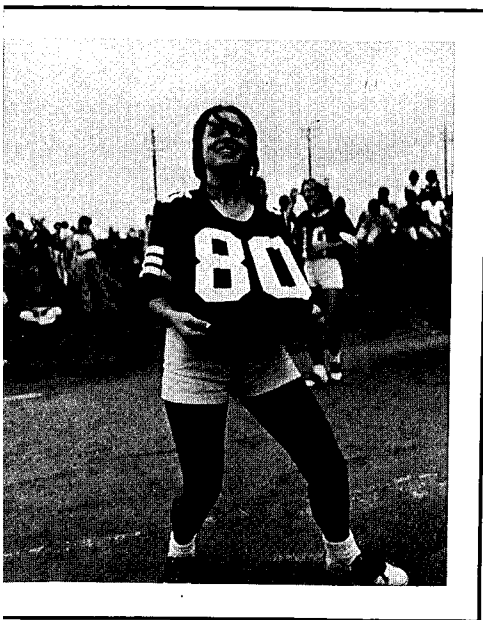

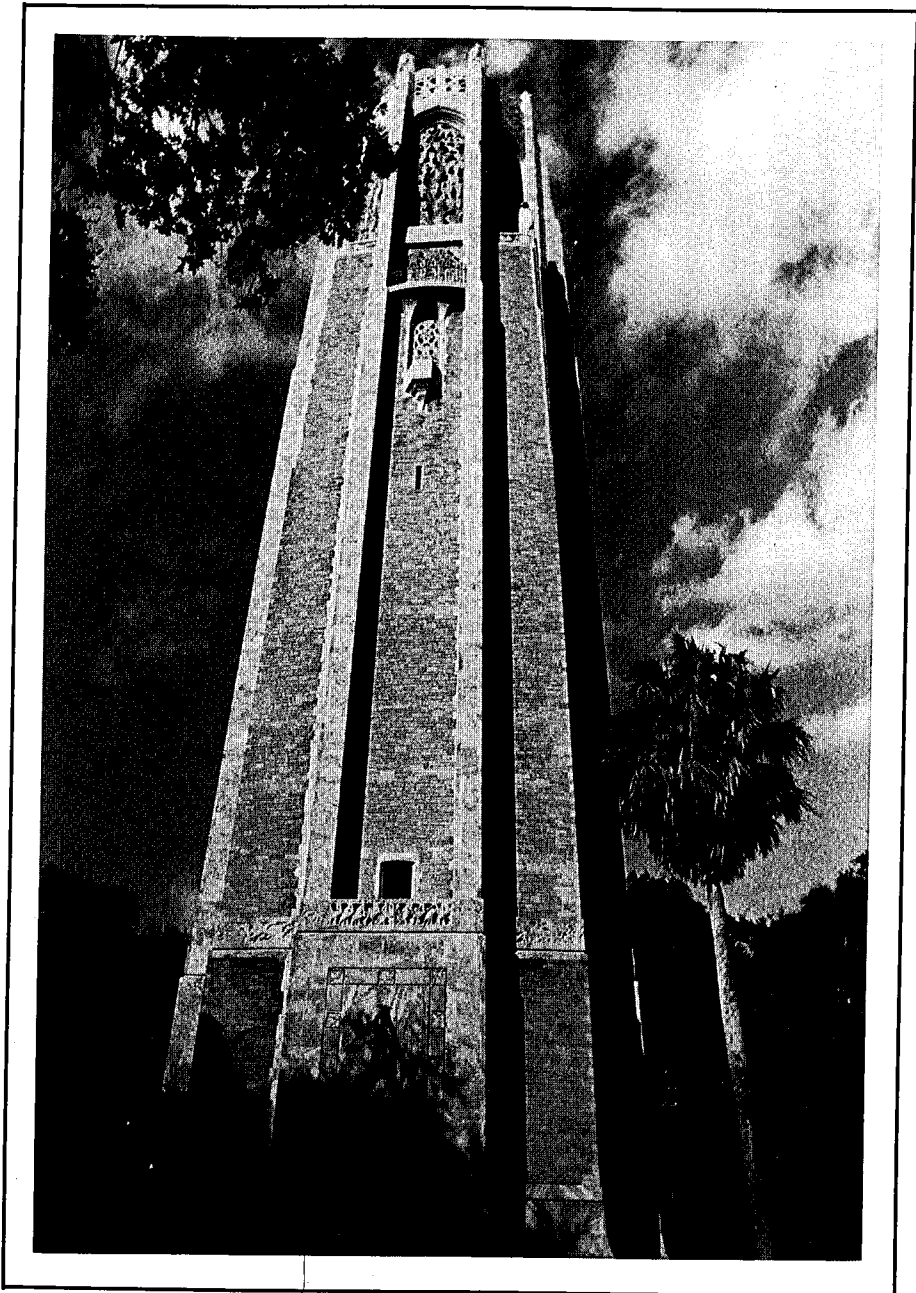

1. D. Hoak at Tylers office supplies. 2. J. Franklin, S. Dotson, and K. Massey work on D.C.T. poster. 3. D.C.T. officers, J. Franklin, K. Massey, D. Hoak, S. Dotson, and S. Fisher.

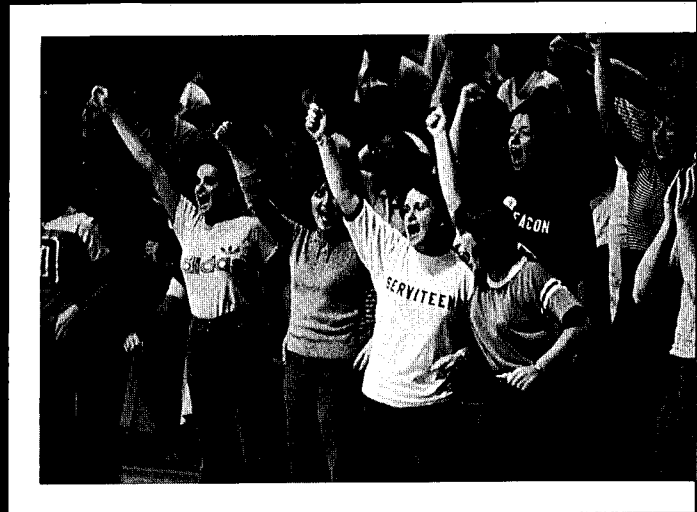

ROW 1: J. Franklin, pres.; K. Massey, 1st v. pres.; D. Hoak, 2nd v. pres.; S. Dotson, sec.; S. Fisher, treas. ROW 2: Mr. Mann, sponsor, A. Jefferies, F. Taylor, P. Harmon, J. Gilmore, C. Black, R. Guy, L. Britt, R. Angold, Mr. Blasco, sponsor ROW 3: F. Martinez, M. Charette, J. Jackson, B. Andrews, A. Smith, M. Smith, K. Edwards, J. Stewart, M. Swan. ROW 4: J. Jackson, A. Johnson, J. Taylor, M. Baerhold, R. Dotson, S. Bohner, A. Blocker, J. Daniels.

PRIDE

IN CLASSES

Freshmen Explore With Spirit

The Class of '82 entered the halls of the Senior High with an open mind and willingness to learn: Not only to learn, but also to become a part of Lake Wales tradition and participate in the Homecoming Festivities. They enjoyed making their float with the theme of "Plow the Bucs" and were given an honorable mention for their efforts and newly discovered skill.

The freshmen selected Laura McGill and Pat Borders to represent them at the Homecoming activities.

Freshmen not only joined in the tradition of Lake Wales but also took an active part in the pep rallies. They were quick to learn the chants, and the music would get them going. Many times it was said that the Freshmen had the most spirit of the classes.

Freshmen were asked to pay a dollar for their class dues in return for 1982 key chains made by their advisor Mr. Chastine and some freshmen students.

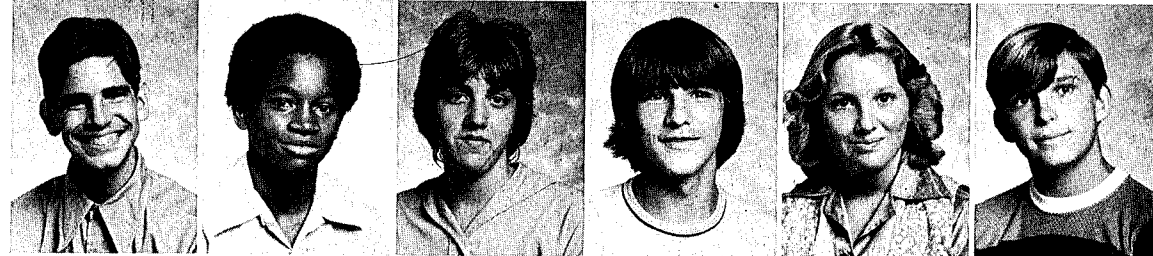

Freshmen get ready for the next cheer at the pep rally.
