This is a great site for grades 6-8 and includes some powerful videos and valuable safety activities.

http://digitalcitizenshiped.com/
The Digital Citizenship and Creative Content program is a free, turnkey instructional program. The goal is to create an awareness of the rights connected with creative content. Because only through education can students gain an understanding of the relevance of and a personal respect for creative rights and grow to become good digital citizens.

Are you "playing it safe" in the Digital World?
Take this Quiz to find out!
