WCSD DUAL ENROLLMENT STUDENTS HONORED AT RECENT BOARD MEETING

Williamsburg County School District (WCSD) proudly recognized its Dual Enrollment students during a recent Board of Trustees meeting. These outstanding students were honored for their academic achievements and dedication to advancing their education through the district's Dual Enrollment program.

Dual Enrollment allows high school students to take college-level courses and earn college credits while completing their high school education. By participating in this program, WCSD students demonstrate exceptional initiative, time management skills, and a strong commitment to their future academic and career goals.

The Board and district leadership celebrated the students' achievements, presenting them with certificates of recognition during the meeting. This acknowledgment reflects WCSD's ongoing commitment to preparing students for college, career, and lifelong success.
