School-Parent Compact

School Year: 2025-2026 Revision Date: June 12, 2025

Dear Parent/Guardian,

J. D. Dickerson Primary School, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

The parents, students, and staff of J. D. Dickerson Primary School partnered together to develop this school-parent compact as a commitment to supporting the academic achievement of all students. Teachers suggested ways parents can support their child's learning at home. Parent input included how the school can support them as they help them meet their child's academic goals. Students were encouraged to provide feedback about what they need to meet their own learning goals. Parents are encouraged to attend annual revision meetings held during the fall of each year to review the compact and make suggestions based on student needs and school improvement goals. During the spring of each year, parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.
