☀ Future Leaders in the Making! ☀

Tri-Township Schools would like to congratulate Cole Frank! Cole is one of 15 outstanding high school juniors selected to participate in the KV REMC Junior Board Program, representing 11 area schools!

Over the next eight months, these students will have the opportunity to develop leadership and career skills, connect with local business leaders, visit the Statehouse, explore the electrical industry, and work together on a community service project.

What a wonderful opportunity for these young leaders to learn, grow, and make a positive impact in our communities!

Congratulations to all the students selected for this exciting opportunity! We wish you a fantastic year ahead!

We're so proud of you, Cole!
