

Library Discipline Policy

Students are expected to follow our school-wide discipline policy (PAWS). In addition to those rules, while in the Library Media Center, students are expected to:

Promote respect by using a level 1 voice, enter/exit quietly, waiting patiently, and listening attentively.

Act responsibly by using the computer/keyboard correctly, taking care of and turning in my books when they are due, and walking at all times.

Work cooperatively by sharing my findings and helping others with teacher permission.

Strive for success by bringing the appropriate materials to the library, and keeping my area clean.

Step 1 - verbal warning

Step 2 - loss of recess

Step 3 - office referral
