Please post information only in the designated “red” areas around campus. Thank you.

**\*Picture retake date has been changed** from September 20<sup>th</sup> to **October 11<sup>th</sup>**. (This was due to Life Touch not being able to hold their originally scheduled date..... not our fault!)

**Kudos:**

Kudos this week go to our senior athletes and their coaches. Over the next couple of weeks our sports will be holding their Senior Nights to acknowledge our seniors wrapping up their last fall season (Tues Girls Tennis, Wed Girls Golf, Thurs girls/boys water polo, Friday football). Participation in athletics is up from past years and back to (and in most sports beyond) the numbers we were seeing before COVID. If you have a chance to get out to see one of these events, it is a lot of fun and I know it means a lot to our student athletes.

## **Message from Administration:**

We have two events coming up during the next couple of weeks that I'd to explain more clearly. Because both of these events are district initiatives, we did not have these events on the year's school calendar until fairly recently.

First, is next week's Orenda site visit. Last night I sent out an email about this upcoming visit (Oct 11-15<sup>th</sup>). The visit is being conducted at each of our four schools to examine our district's practices/procedures under the lens of equity. This site visit should not have a large effect on our daily classroom routines and will hopefully yield some valuable insights in making our campus as equitable as possible. Details of this event are spelled out above in our "reminders" section, and also in the forementioned email from me yesterday, October 6<sup>th</sup>.

Another survey event is coming up that might easily be confused with Orenda. This survey is conducted by Panorama. You may remember doing the Panorama survey last year. We were recently given a window of time in which the survey needed to be conducted between Oct. 11<sup>th</sup> and Oct. 21<sup>st</sup>. In an effort to NOT conflict with the Orenda visit, we selected October 18<sup>th</sup>, 2<sup>nd</sup> pd. for this survey. There will be more details to follow from Mr. Manfreda's office next week, but we wanted to get the dates to you as early as possible. The survey should only take about 15 minutes to complete that day.

I think both of these events can tell us valuable information in our constant effort to improve our school. It is also our intent to execute these events with minimal disruption to daily instruction. Thank you in advance for your help with these projects and I look forward to sharing the results from all this soon. Have a great weekend!
