## NICOLE HUMMEL

Please welcome Nicki Hummel as our new Middle School Art teacher. Nicki grew up in the Chicago suburbs, graduating from the University of Illinois in 2006 in Art Education. Since then she has taught Art in several school districts around the western suburbs, but always dreamed of escaping Illinois and moving to the Pacific Northwest. In 2021 Nicki and her family decided to go for it- moving to Nehalem with their 2 kids (ages 9 & 11), a couple dogs and a cat. A year later everyone is settled in and absolutely loving life on the coast.

In her free time Nicki enjoys oil painting, reading, gardening and hiking with her family. All 4 of them are avid backpackers and love traveling the world.

Nicki is thrilled to start the Art program at Seaside Middle School. She loves teaching her students all media- drawing, painting, sculpture, ceramics, etc., and sharing with them new techniques and experiences in Art. She cannot wait to fill the halls with artwork! When you see Mrs. Hummel in the halls please give her a warm welcome!

## SHELBY GAGNON

Please welcome Shelby Gagnon to her new role as one of our Student Success TOSAs. As the TOSA she will be focusing on school culture, student voice, and staff connectedness. She formerly taught 8<sup>th</sup> grade English Language Arts at Broadway/Seaside Middle School for the past four years, as well as taught one year at Astoria High School and two years in the middle school ELA department for the Portland Archdiocese. This will be her 8<sup>th</sup> year in education.

She is sad to be leaving the Language Arts classroom but is excited to create more opportunities for students outside the classroom. She looks forward to working with them to make school what they want it to be and helping students be successful.

When Mrs. Gagnon is not in school she is hanging out with her husband, two sons and their dog, Henry. She enjoys nature walks, beach time, Mexican food, yoga, adventures, and reading through audiobooks. So give Mrs. Gagnon a warm welcome in her new role.

## JACKLYN MARCHIORO

Please welcome our new Choir Director, Jacklyn Marchioro. This will be Jacklyn's first year teaching and she is very thankful to be in a community like Seaside. She did her student teaching at West Linn High School as a choral music educator this past Spring. She graduated from Pacific University in 2021 with a Bachelor's of Arts in Music Education and Vocal Performance. She was a section leader in her university Chamber Choir and frequently performed as a soloist in operas, musicals, and concerts. While attending graduate school she was a transgender voice coach for a private studio. While at Pacific she pioneered an afterschool program called "Choir Project" to provide music education to students and as her senior capstone she created a choral curriculum for K-12. She is very excited to have found a position where she gets to teach both middle and high school students.

Something Jacklyn loves about teaching is interacting with students, hearing about their interests and ideas and helping them achieve their dreams. When not teaching she enjoys cooking, reading, taking care of her plants and going on hikes with her partner, Luke, and her dog, Buddy. Favorite snacks include tofu pad thai, cold brew and salt water taffy. Jacklyn is also excited to be making an impact as our new assistant coach for Cross Country!

## AMBER SCHWEGMAN

Please welcome the new High School Spanish Teacher, Amber Schwegman. Amber has been teaching for 23 years. She has previously taught Choir in Burns, OR, Spanish in Alsea, OR, Spanish and ESL in Marsing, ID, adjunct Spanish professor in Nampa, ID and ELD (ESL) in Caldwell, ID. Amber has a Bachelor's in Music Education with an emphasis in Spanish from Northwest Nazarene University, a Masters in Adolescent Literacy from Concordia University and is certified in Spanish, Music, ENL (English as a new language) and English. She decided to make the move to Seaside because her family has always loved vacationing at the coast, so why not live there?

The things that Amber loves most about teaching are getting to be creative, that no two days are the same but mostly she loves helping students discover new ideas and finding new ways of seeing the world. When Amber was in middle and high school she lived in Mexico for two and a half years and that is where her love of languages and cultures stems from.

Amber has moved to the Coast with her husband, who is teaching 5<sup>th</sup> Grade at Warrenton Grade School, their son, who just turned 5 and is going to be starting Kindergarten at Pacific Ridge, and their black pug named Lucy. They are looking forward to exploring more in the area and trying out kayaking and paddle boarding. So please give Amber and her family a warm welcome to the Coast!
