

## Veterans Day Ceremony November 11, 2024

Dear Families,

Temple Middle School is excited to once again honor our Veterans at our annual Veterans Day Ceremony. The program will be hosted in the gym. We will have refreshments in the media center for our Veterans and their families beginning at 1:30p.m. Our Veteran's Day program will begin at 2:00 p.m. Students who have family members of the Veterans may come and sit with the Veterans during the ceremony. **ALL** of our students will be able to participate in celebrating our Veterans. We hope to see all our Veterans from years past, and ones that are new to us, come and be honored.

*We are asking that all veterans send in a picture of themselves in uniform. You may attach a picture to this note, or you can send a picture to [jessica.speer@carrollcountyschools.com](mailto:jessica.speer@carrollcountyschools.com) Please be sure the following is attached to all pictures sent in: the name of the Veteran; the name of the student attending TMS; and the student's homeroom teacher. If you cannot find a picture in uniform we will gladly take one in regular clothes. We will return the pictures after the ceremony. **Please submit the completed form and pictures no later than Wednesday, November 6, 2024.** We are creating a new power point this year. Even if you have sent in pictures in the past few years, make sure to send them in again this year. We want all Veterans to come and be honored.*

Thank you,  
Temple Middle School
