Parents and Guardians:

In an effort to give families as much advance notice as possible, please mark your calendars for our 2022-2023 PSSA/Keystone Testing Dates.

It is with the utmost importance that students are on-time to school during the testing window. We ask for your assistance to schedule any appointments around our testing window to avoid a need for a makeup session for your child. We want to give your child the best chance at being successful as possible. Thank you in advance for your attention to this important matter. If you have any questions or concerns, please contact the school office.
