Read-A-Thon Assembly

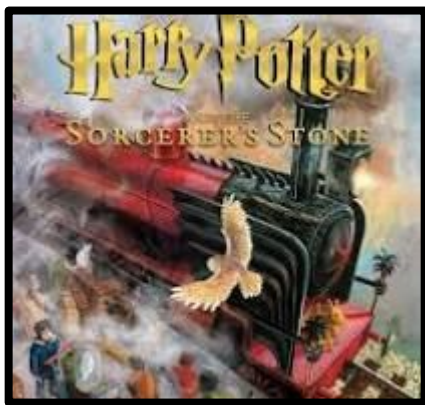

Thursday, January 16th was a very exciting morning at CRS & LLE! Our students kicked off the Read-A-Thon with a special visit from our very own Wildcat. The children left the assembly very excited to start reading at night. Good luck to everyone and have fun enjoying all of the new reading adventures!

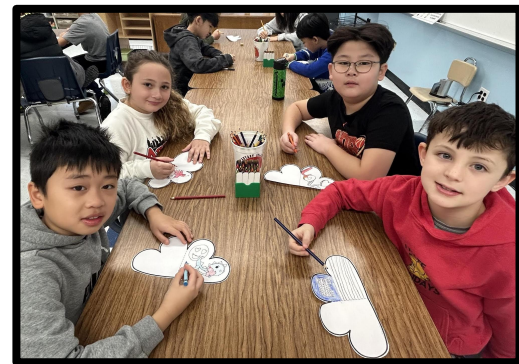

Spotlight on 4th Grade

Our 4th graders are diving into exciting new topics this month! In Language Arts, they've begun a magical journey with *Harry Potter and the Sorcerer's Stone* as part of their fantasy unit. In Math, they're mastering the art of long division, building essential problem-solving skills. Meanwhile, in Social Studies, they are exploring immigration history with a focus on Ellis Island, learning about the experiences of those who came to America seeking new opportunities. It's an exciting time filled with learning, discovery, and growth for our 4th graders!

Art Class with Mrs. Stokes

Mrs. Stokes' art classes have been hard at work exploring different forms of art and experimenting with a variety of creative mediums. In addition, the students are thoughtfully crafting Valentine's cards to honor and show appreciation for our Veterans.

Dear CRS and LLE Families,

Please note the items below:

- **One School, One Book**-Each year we choose a book for CRS and one for LLE where all students read along with a schedule at home. This can be done independently or as a family. In the past, many families have used these books to read together each night and discuss this book. It is a great family event! More information regarding this will be forthcoming.
- **Preschool/Kindergarten Registration:**
 - **Preschool:** If you are interested in enrolling your child in the preschool program for the 2025-2026 school year please contact Mrs. Rraci at CRS at 201-768-6060 ext. 51535.
