February

NEWSLETTER

From the Desk of the Principal: This is the month of LOVVVVVE, and for JDPS it is the month to celebrate the “LOVE” OF READING”. Students and staff look forward to the month of February because we celebrate a week dedicated and focused on helping students find the joy that comes from reading. We will be having many different events during the “Love of Reading” week to help inspire students. We will have special guests, fieldtrips, performances, and lots and lots of reading for the pleasure of reading. Please be looking for the parent fliers and messages on ways you can volunteer to read in the classroom from your student’s teacher. I would be amiss if I didn’t say how much I love your students. They come to school with happy smiles and warm personalities. Being with them makes the teachers, support staff, and my self’s efforts worth it. We also thank you parents for the support you lend to us each day. Have a great month of LOVE!

Mr. Lin Gifford-JDPS Principal

PTO: It’s Candy Gram Time! The PTO will be selling Candy Grams in the office for \$1.00 for Valentine’s Day. This will take place from January 27th-Feb. 7th.

Our book vending machine has been a real hit with our students. Each student can choose a free book of their choice when they earn an “**EAGLE SOAR AWARD**”. If you would like to be a contributor and help supply new books for our book vending machine you can donate **your tax credit money** to our school. Please go to the TUSD District Office for more information.

KINDERGARTEN: February is finally here! What an exciting month filled with several fun activities! We will be participating in our annual LOVE OF READING week (February 10th-February 13th) which will be filled with fun things to do and tons of READING! :) Please be on the lookout for messages from your child’s teacher about the details of that week. On February 13th we will celebrate our 100th day of school! We cannot believe we are already at our 100th day! Also, Valentine’s Day will be celebrated during our Love of Reading festivities. Another great time to check for notes from teachers to be in the loop about those details. We want to thank you for supporting our students and classrooms. Keep up the great daily reading! Gerber, Gutierrez, Vining, Taylor, Hatch and Barney
