

Brockton School District
Safe Return to School and Continuity of Services Plan

Date of Original Adoption: March 17, 2020. Date Plan was Last Revised: March 8, 2022
Next Regularly Scheduled Month for Consideration (At least quarterly): July. 12, 2022
Dates Reviewed and/or Revised: August 6, 2020; August 19, 2020; October 13, 2020;
November 5, 2020; February 17, 2021; March 9, 2021; April 13, 2021; Aug. 10, 2021;
Oct. 12, 2021; Oct. 27, 2021, Feb. 8, 2022, March 8, 2022, June 9, 2022, April 4, 2023,
June 14, 2023

March 2020 – June 2021

1. The Brockton School District was ordered to close to in person instruction on March 15, 2020, under an executive order issued by then Governor Bullock. Districts were provided a two-week period of time during which they could remain fully closed to instruction of any kind while developing a plan for remote instruction required by the Governor.

Although our district was authorized to remain closed, we quickly mobilized and began remote instruction during the timeframe when we were authorized to remain closed. Thereafter, our district continued pursuant to a reopening plan approved by the Governor beginning March 30, 2020.

2. On April 22, 2020, then-Governor Bullock lifted his Stay at Home Order, and Announced a Plan to Begin Phased Reopening of Montana. As part of that plan, effective May 7, 2020, all schools were provided the option to return to in-classroom teaching at the discretion of local school boards. Our school district finished the 2020-21 school year through remote instruction. During the 2020-21 school year, our means of operation have included:

- In person, hybrid, and remote. Students were allowed to choose between in-person or offsite instruction.
- Offsite —A couple of times, we had to close due to multiple COVID cases, quarantines, etc.

3. Our district developed a plan for reopening to in person instruction, with contingencies, and we implemented that plan for the 2020-21 school year. The reopening plan, details regarding which are provided below, included adoption of various model policies provided by the Montana School Boards Association under its 1900 Series, including model policies aligned with CDC guidance regarding

mitigation strategies to limit exposure to and transmission of COVID-19 in school settings.

4. Our district finished the 2020-21 school year strong, having provided high quality learning opportunities to the students in our community in safe and effective learning environments.
5. We embraced a fundamental principle of providing extensive transparency to our community throughout the above timeframe. We publicly noticed, held meetings regarding, and provided extensive opportunities for our community to provide us with feedback regarding the School District's plans and we carefully considered such feedback in developing and refining the School District's plans throughout the last year and a half.

Safe Return to Schools and Continuity of Services Plan Contents:

March 2020 – March 2022

Part I: Documentation of Meaningful Consultation in Developing and Refining the School District's plan from March 2020 through Dec. 2021:

We noticed, held, and invited public comment on our evolving plans for a safe return to school and continuity of services on the following dates since March 2020:

1. April 13, 2020
2. August 6, 2020
3. August 19, 2020
4. October 13, 2020
5. November 5, 2020
6. February 17, 2021
7. March 9, 2021
8. April 13, 2021
9. July 13, 2021
10. Aug 6, 2021
11. Aug 10, 2021
12. Oct 12, 2021
13. Oct 27, 2021
14. Dec. 14, 2021
15. March 8, 2022
16. June 9, 2022
17. April 4, 2023
18. June 14, 2023

Our invitation for public input included a general opportunity for the public to provide input and was provided to everyone interested, including:

- Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and
- Tribes; stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, and other underserved students.

Part II: Contents of The School District's plan for Safe Return to In-Person Instruction and Continuity of Services:

1. A description of how the district will maintain the health and safety of students, educators, and other staff:

Following the lifting of the Stay-at-Home Order and subsequent reopening of the state on April 22, 2020, Brockton School District utilized the Montana Public Education Center Roadmap for Safely Reopening Montana's Public Schools Using Emergency School District Policies and accompanying MTSBA Model Emergency Policies. Utilizing these resources supported our district's continued service to students with transparency and accountability while ensuring the operations of the school district reflected the circumstances in our community.

The policies ensured our Board of Trustees and school leaders honored the following priorities: quality instruction to students; a healthy and safe setting for students, staff, and the community; needed support of teachers and staff; and responsible financial and operational procedures. The policies provided an actionable plan for completing the 2020-2021 school fiscal year in a manner that met these priorities and secured district funding while providing an operational platform for considering long term innovations in the delivery of education services.

Brockton School District implemented policy options that facilitated collaboration between the Board of Trustees, administrative team, employees, parents, students, health officials, and community as we established protocols aligned with CDC guidance addressing how instruction was to be delivered to students; how gatherings and events would take place on school property; how the health and safety of staff and students would be protected and preserved while schools were open; and how financial and operational functions of the school district would continue during the period of public health emergency.

Brockton School District reviewed, considered, and addressed numerous areas of operation in our reopening process. On the topic of school district policy and procedures, the district considered emergency policies and procedures, adoption and amendment of policies, suspension of policies, and administrative procedures. To support students' academic, mental, social and emotional

success, the district considered alternative grading, counseling, extended school year, student instruction proficiency determinations and declarations, support for particularly vulnerable students, transportation services, access to internet for students, food preparation and service, summer school and additional student instruction resources. To ensure the health and safety of students, teachers, and staff, the district considered cleaning and disinfection, community use of facilities, county board of health orders, diagnosis and confidentiality, hand washing and related hygiene protocols, telework, school closure orders, stay at home orders, symptom monitoring and isolation, travel quarantines, visitors, volunteers, vulnerable individuals, masks and personal protective equipment, and physical distancing.

The Brockton School District has remained in compliance with guidance and best practices provided by federal, state, or local health officials by following the Roadmap for Safely Reopening Montana's Public Schools and by utilizing Emergency School District Policies. Our school district has continued to adapt and adjust our policies as new and updated guidance and best practices have become available.

Further, the policies provide options for consideration through input from our board of trustees, administrative team, employees, parents, students health officials, and community as collaborative partners as we have worked our way through ever evolving changes due to the pandemic. By considering all possible perspectives and factors when making the decisions to adopt or adjust a policy, or to implement a policy, we focused on the health and safety of our students, staff, and community for delivery of learning and services to our students. The policies have enabled us to adjust our procedures and practices during different phases in compliance with guidance and best practices provided by federal, state, and local agencies.

Brockton School District will continue to follow the policies noted below while engaging in a quarterly reevaluation process to continue to ensure the health, safety and wellbeing of our students, teachers, staff, and community through 2024.

Montana Governor Greg Gianforte lifted the state's mask mandate on February 12th, 2021 and the state's COVID emergency declaration on June 30th, 2021. In light of these actions, the declining rate of daily COVID cases, and in consideration of the high percentage of students, staff, parents, and community members having received COVID vaccinations, the Brockton School Board took action on Aug 10, 2021 with regard to the District's COVID related policies. Policy 1900, 1901, 1907, 1910, 1910F1, 1910F2, 1911, and

1912 remain as previously approved. However, policy 1902, 1903, 1903F, 1906, 1906P, 1908, 1908F, and 1909P were suspended. In addition, all 1900 series policies were amended to reflect the current fiscal year (FY 21); except when transported by a school bus, 1905 was amended to reduce the mandatory mask requirement to optional, suspend requirements for physical distancing, and suspend provisions for vulnerable individuals (notably telework for district employees); 1905P was amended to suspend requirements for physical barriers and guides; and 1909 was amended to suspend emergency procedures for staff evaluations. The 2021-2022 Brockton School District Reopening Plan reflect these changes in policy.

Due to an increase of COVID cases and subsequent quarantine of students and staff and at the recommendation of the Superintendent, the Brockton School Board implemented a campus-wide mandatory mask mandate for all students, staff, and visitors on October 12th, 2021. The Board agreed to impose the mask mandate as long as there were 3 or more active COVID cases among students and/or staff. If the active number fell below 3, the Board agreed to allow masks to become optional again.

Although there were no active COVID cases among students and staff of Brockton School District, the Superintendent requested and the Board subsequently agreed to continue the Mandatory Mask Mandate on October 27th, 2021 due to increasingly high COVID numbers in the County.

At the Feb. 8, 2022 regular Board meeting, the Superintendent recommended and the Board subsequently agreed to suspend policies 1910 and 1910F as well as make changes in policy 1905 striking the phrase “EPA registered disposable wipes” and replacing it with “adequate cleaning supplies.” The “Vulnerable Individuals” section of policy 1905 was also removed. The School District Reopening plan was revised to reflect these changes.

With cases in the single digits county-wide, the Superintendent requested and the Board subsequently agreed to lift the District-wide Mandatory Mask Mandate on March 8th, 2022 and return to a masks optional policy. The School District Reopening plan was revised to reflect these changes.

On March 17th, 2023, the Montana School Boards Association (MTSBA) recommended the termination of all COVID related polices, those known as the 1900 series polices, in anticipation of the end of the Federally declared

national emergency related to COVID-19. At the April 4th, 2023 regular School Board meeting, the Superintendent recommended and the Board subsequently agreed to terminate all remaining 1900 series policies. To ensure preparation for future emergencies, the MTSBA recommended updated revisions to several previously existing School Board policies to cover the areas of student instruction (policies 2167-Correspondence Courses, 2168-Online and Distance Learning, 3121-Enrollment and Attendance Records), student health and safety (policies 3413-Student Immunization and 3417-Communicable Diseases), staff absences/conduct/health/safety (policies 5130-Staff Health, 5223-Personal Conduct, 5321-Leaves of Absence), and district operations (policies 2221-School Emergencies and Closures, 4330-Community Use of Facilities, and 8301-District Safety,). The Superintendent recommended and the Board subsequently adopted each of these policy updates on or before June 14th, 2023.

In May of 2023, the President of the United States officially ended the national emergency related to COVID-19.

2. The extent to which the district has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:

| Topic | School District Policy Reference | Description of Policy (All referenced polices can be found at the end of this document.) | Adopted and Revised Date(s) |
|---|----------------------------------|--|---|
| Universal and correct wearing of masks. | 1905 1909 | The School District has adopted the protocols outlined in this policy during the term of the declared public health emergency to ensure the safe and healthy delivery of education services provided to students on school property in accordance with Policy 1905, and a safe workplace when staff are present on school property in accordance with Policy 1909, and the safety, health and well-being of parents and community members. The supervising teacher, principal, superintendent or designated personnel are authorized to implement the protocols in | <ol style="list-style-type: none"> 1. 3/17/2020 2. 8/06/2020 3. 10/13/2020 4. 2/17/2021 5. 4/13/2021 6. 8/10/2021 7. 3/8/2022 8. 4/4/2023 |

| | <p>school counseling services whether their instruction is provided in an onsite, offsite or online setting. Staff shall promptly report any suspected student distress or concern to their supervisor for review and referral. Students receiving instruction in an offsite setting are governed by the staff obligation to report suspected child abuse or neglect. This policy in no way limits or adjusts the School District's obligations to homeless students or students in foster care. Applicable District policies serving these students, or this population of students remain in full effect.</p> <p>1906P: Proficiency or satisfying aggregate hours of instruction can be achieved through an on-site, offsite, or blended learning model as outlined in Policy 1906. Best practices will assist districts in facilitating quality learning for each student regardless of background or circumstance. Best practices include but are not limited to, planning and communication, clear expectations, differentiated instruction and learning models, and flexible demonstrations of learning.</p> <p>2050: The School District has adopted the protocols outlined in this policy to ensure the delivery of education services to students onsite at the school, offsite at other locations using available resources. The District</p> | |

July - Dec. 2021

Part III — Updated Compliance for the District's Previously Adopted Plan for the Safe Return to In-person Instruction and Continuity of Services:

Section 2001 (i)(3) of the ARP Act states that a school district that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001 (i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The School District's plan meets the requirements of Section 2001 (i)(1) and (i)(2) of the ARP Act. The School District's plan is available on our website and, as noted above, was developed through a process that included extensive public comment. Further, we have, as part of the organization of the School District's plan for purposes of the ARP Act, reviewed the core policies essential to the School District's plan at meetings held on July 13, 2021, Aug 05, 2021, and again on Aug 10, 2021. The meeting on Aug. 5th, 2021 included not just a notice of opportunity for public input but specifically invited meaningful consultation with and input from:

- Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and
- Tribes; stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, and other underserved students.

In addition, drafts of suggested plan revisions were hand delivered to the Director of Tribal Education for the Fort Peck Tribes on July 19th, 2021 and follow-up emails, including copy of Board minutes pertaining to COVID policy discussion, sent on July, 20th and 28th, 2021. We have considered the input of all affected parties and have carefully deliberated regarding the best possible means by which our district can provide safe effective learning environments for each of our students.

July 2021 - September 30, 2024

Part IV — Schedule for Future Review and Updates:

Regular communication between the Director of Education for the Fort Peck Tribes and the Superintendent of Brockton School District will continue when considering

any revisions to the plan. Consideration of this Safe Return to Schools and Continuity of Services Plan shall be added to the Board agenda as needed. The agenda item shall, at a minimum, include notice of any changes to the plan recommended by the administration with an invitation for input, notice of opportunity for public input, and consultation with:

- Students; families; school and district administrators (including special education administrators); teachers, principals, school leaders, other educators, school staff, and their unions; and
- Tribes; stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, and other underserved students.

Appendix — Attach and/or provide a website URL for the school district's adopted 1900 policies in their entirety.

In anticipation of the end of the Federally declared national emergency related to COVID-19, scheduled for May of 2023, these policies were terminated by the Board of Trustees on April 4th, 2023 and are no longer available to view.
