

Please Join Us This Saturday

May 18th, 12:30pm -2:30pm

as we Celebrate 140 years of Evaline School!

The program will begin at 1:00pm in the cafeteria.

Everyone is invited!

We can't wait to see all of our Evaline family from PAST and PRESENT!

We encourage you to stop by Hope Grange after our event to continue to celebrate our community and their 120th Anniversary - beginning at 2pm

THANK YOU!

The Booster Club would like to thank everyone who helped make this year's **Dessert Auction** a huge success. The once a year event provides funding to enhance the kid's experience at school and provide so many fun activities. We are humbled by all of the support we received this year from the community through donations, families making desserts, and everyone who attended the auction. We are happy to announce that we raised just over \$4,000 from this event! **THANK YOU!**

End Of Year Field Trip, May 30th

All Evaline students will be attending our End of the Year Field Trip to **Fort Nisqually on May 30th**. The bus will be leaving at 8:45 am SHARP. Please have your child arrive at school ON TIME, dressed for the weather, and ready for an all day, historical experience. A snack will be provided by the Booster Club.

Field Trip!

Sack lunch will be provided by the school for students who do not bring one from home. We plan to return by the end of our school day for the regular p.m. bus run and pick up.

23-24 school year calendar

Attached to this newsletter you will find our 23-24 school year calendar

Important Dates!!

MAY

Thurs. 13th: Graduation, 6:30pm

Fri. 14th: Last day of school/park day, dismiss at 12:30pm

Tues. 18th: School Board Meeting, 6:30pm

SBAC State Testing for 3rd-6th Grade

We are still going strong!

Thank you parents/guardians for making sure your student(s) have a good night's sleep and a good breakfast. Please continue to do so. Snacks are provided for students during testing. **Attendance is very important on testing days**, please have your student(s) to school on time as we are doing all testing in the mornings. Testing will go until May 24th.

Library Books

As summer approaches, it is time for students to return all their library books. We must have all books accounted for before the end of the school year, please encourage your student(s) to find and return anything they have borrowed. Ms. Leanne will be sending home reminders next week for any books that are missing. Please let Ms. Leanne know if you have any questions lgravette@evalinesd.k12.wa.us Thank you!

BELL Photos

If you ordered photos from BELL they are in and will go home with your student(s) in your family newsletter envelope.

Choice Forms

If your student(s) choiced into Evaline this last school year, it's time to fill out forms again. For those who need choice forms, you will find them in this week's newsletter envelope. Thank you!

EOY Kitchen Clean Up

Ms. Annie will begin to use food we have in stock for lunches in order to minimize waste and prepare for summer break. Daily lunches may be different than on the menu.

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

TK and Kindergarten

Mrs. Tinnin

Kindergarten just finished their last chapter in math. They learned about classifying and sorting items based on different criteria. Tk is finishing up learning how to write numbers 1 through 5 and solving simple story problems.

Kindergarteners are learning tricky words. They should know: what, which, why, are, here, word, no, they, when, where, were, my, by, and to. Kindergarteners are also learning how to read words with e. TK just finished their habitat unit. They are adding the finishing touches to their habitat projects. They have been working on this habitat unit for a couple of months. TK will bring home their final projects next week.

Our caterpillars arrived! Students get to observe as they change into butterflies.

First and Second Grade Explorers

Mrs. Mittge

Our mealworms have completed their metamorphosis! Students were sure surprised that our worm-like larva, and laidback pupa “turned into” beetles! We were also able to spend a bit of time in the garden planting some tomato starts that we grew from seeds.

We will begin our end of the year district testing next week. I am eager to see on paper the great growth displayed by this sweet, quick group of learners!

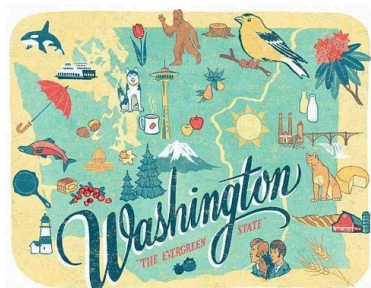

A couple things could be done at home to help students “show off what they know.” First, please try to ensure students are getting 8-10 hours of consistent sleep each night. Also, try to have them eat a healthy, balanced dinner and breakfast. Academically, the best thing families can do is to have your child read at least 30 minutes aloud each night. If you would like, have your child keep a writing journal to practice handwriting and using story elements or tackle math story problems and computation at home.

Third and Fourth Grade Classroom

Mrs. Mars

Students did the math portions of state testing in the mornings this week. We have kept the afternoons filled with their specialists like PE, Music, SEL and Art in addition to review work in ELA. Please continue helping your child to get enough rest and arrive at school on time as we continue our testing next week.

Next week students will begin a study of Washington State history that will take them through the remainder of the school year. During this unit students will use the knowledge they gain to create timelines, maps, and artwork to describe Washington state both past and present.

Fifth and Sixth Grade Classroom

Mr. Burlingame

This week we have been doing state testing in the morning. 5th and 6th grade have been testing each day in the morning during our scheduled Math time. They have been going to recess at the normal time and stopping their tests at lunch time. This means that students are still able to have PE, Music, Science, and Art in the afternoon as well as ELA. It is very important that students get a full night’s sleep, a nutritious breakfast, and arrive at school on time. Thank you for your support of Evaline and the great students of Evaline.

The past few weeks we have been doing google slide projects on the states of America. Students have researched different aspects about their chosen state including its geographical location, features, the current serving governor and senators, and state icons such as birds, flowers, songs, and apparently dirt. (I honestly didn’t know states had a state dirt!) Starting this week and going through the end of the year they will be working on projects focusing on different countries of the world.
