Agenda:

- Update:
 - **180 Degree Program**
 - The Middle and High school will continue to use the 180 degrees human sexuality program which is abstinence based.
 - The counselors have given good feedback on the program
 - Parent Meeting was Wednesday 1-21-26
 - Program presented to MS & HS on 1-22-26
 - The Middle School & High both had 0 parents in attendance
 - The Middle School had 68 students and the High School had 58 students to participate
 - The students were required to be “opted in” by parents in order to participate
 - Plan to continue with 180 Degree program for now
 - Will look into potentially having a different program for 12th graders, 5th & 3rd grade that are more geared toward their age groups.
 - The counselors mentioned that instead of having a formal Parent Meeting, they may change and offer to send a video ahead of time with information to the parents and allow enough time to email with any questions.
 - Sharps containers: We were able to dispose of containers with the local EMS station. Heather Redder was able to pick up and take the 2 full containers that we had. I have since been purchasing the “mail-in” types. They are more expensive, but you are able to dispose of them through the mail and we don’t use many and it takes a long time to fill one.
 - Next Meeting will be in March 25th, 2026 @ 4pm
 - Adjourn
