

Rhyme Time

Play a game to match rhyming picture cards (provided):

1. Cut apart the picture cards and organize them by pairs of words that rhyme (for example, fox and box). Play with a set of six words at a time.
2. Place the Rhyme cards in the top row and the Time cards in the bottom row, in random order.
3. Ask your child to name each picture. Provide picture names when needed.
4. Have your child select any top-row card and try to find its rhyming match in the bottom row. If the words rhyme, your child says, "Rhyme Time!" and keeps the pair. If the words do not rhyme, help your child say each word to listen for the rhyme.
5. Your child continues until three rhyming pairs are collected.
6. Continue playing with another set of six cards.

"Yes, fox and box rhyme! Rhyme Time!"

"No, dog and hat do not rhyme!"
