- B. Teachers returning from a leave of absence shall return to a position for which they are certified unless the teacher is laid off pursuant to Article XII of this Agreement. Insurance coverage shall be continued during the period of leave at the teacher's expense. Extended leaves under this Section shall not count toward accrued time.
- C. Failure to return to employment upon expiration of the leave of absence shall be deemed to be a resignation and the teacher shall forfeit all rights under this Agreement.

#### 4.05 Sabbatical Leave

- A. After seven (7) years of continuous service in the New Milford Public School System, a teacher with a standard certificate may apply for a sabbatical leave of one year at three-quarters (3/4) annual salary prevailing at the time of sabbatical leave. As a condition to the granting of a sabbatical leave, a teacher shall agree in writing to return to employment in the New Milford School System for a period of three (3) school years upon the conclusion of the sabbatical leave, or, in the alternative, to reimburse the Board of Education for all payments made by the Board during the sabbatical leave. Further, the teacher shall execute a promissory note payable to the New Milford Board of Education in an amount equal to the total payments the teacher will receive while on such leave. The terms of the note will state that if a teacher chooses not to return to employment for three (3) school years upon expiration of the leave, the teacher shall be financially responsible to reimburse the Board all monies received while on sabbatical leave on a pro-rata basis, that is, one-third for each year of the three-year commitment.

- B. One-half (1/2) of such sabbatical leave salary shall be paid on the regular pay days during the period of leave, the balance shall be paid in installments on the first four (4) regular pay days after return to duty.
- C. A teacher whose employment is terminated by the Board prior to complete payment of the sabbatical leave pay shall be entitled to receive only those installments of such pay as become payable prior to the date of such termination. The teacher's contract may, at the discretion of the Board, be terminated if the terms of the sabbatical are not fulfilled.
- D. Such leave shall be for study or travel sponsored by the college or university for which it gives course credit and will directly benefit the teacher in the performance of his or her assignment in New Milford. If travel be proposed, an itinerary must be presented with specific learning experiences cited to be acquired from the travel, and subsequent presentation to the school system in the form of lectures, films and/or discussions by which the system will benefit.
- E. Applicants will be screened by a committee of three (3) teachers from the Superintendent's Advisory Council, chosen by that committee, and two (2) administrators chosen by the Superintendent. The Board will take the committee's recommendation into consideration. Granting of applications for sabbatical leave shall be at the discretion of the Board. Generally (but not necessarily), preference shall be given to applications of those teachers with the longest service in the New Milford School System. In no event shall leave be granted to more than two (2) teachers during any one year.

- A. Childrearing leave for teachers, without pay, may be granted by the Board of Education for the purpose of childrearing after the birth or adoption of a child.

- B. Childrearing leaves associated with the birth of a child shall be applied for, in writing, to the Superintendent's office, no later than three (3) months prior to the anticipated date of birth of the child, unless emergency conditions exist. Such leave shall commence within three (3) months of the birth of the child or, in the event the teacher is on disability leave due to pregnancy, at the termination of the disability leave.
- C. Childrearing leaves associated with the adoption of a child shall be applied for, in writing, to the Superintendent's office, as far in advance as possible. Such leave shall commence within three (3) months of placement.
- D. Childrearing leaves shall be scheduled and provide for a return at a breakpoint convenient to the district, i.e., the end of the school year, semester, marking period, or other agreed upon natural division. For childrearing leaves which begin in the second half of the school year, the teacher may, prior to May 1, request that the leave be extended for the following school year.
- E. Insurance coverage shall be continued during the period of the leave at the teacher's expense. Leaves under this Section shall not count toward accrued time.

**ARTICLE V**  
**GROUP INSURANCE AND RETIREMENT BENEFITS**

- B. The health plan benefits shall be as set forth in the SPP effective on July 1, 2021, including any subsequent amendments or modifications made to the SPP by the State and its employee representatives. The administration of the SPP, including open enrollment, beneficiary eligibility and changes, and other administration provisions shall be as established by the SPP. For informational purposes, a summary of SPP benefits is set forth in Appendix K.
- C. The premium rates shall be set by the SPP. The parties acknowledge that the rate set by the SPP will be adjusted to achieve a blended rate to provide retired certified employees with insurance coverage at the same rate offered to active employees, as required by statute.
- D. Individual Comprehensive Dental Plan providing coverage for preventive services at 100%, general services at 80%, and major services at 50%, subject to an annual

deductible for general and major services of \$50 per individual and a maximum benefit of \$1,000 per calendar year. The annual family deductible for general and major services is \$150. Members shall elect family coverage pursuant to this subparagraph by the first week of any school year.

- E. Vision Care Plan as outlined in Appendix L.
- F. Premium Sharing. Full-time teachers who elect to enroll in Board-provided insurance shall be responsible for paying the following premium equivalent/allocation rate percentages for the cost of individual, two person & family coverage:

  - Effective July 1, 2023, the teacher shall pay 24% of the premium cost for health, Rx, vision and dental insurance coverage;
  - Effective July 1, 2024, the teacher shall pay 24.5% of the premium cost for health, Rx, vision and dental insurance coverage;
  - Effective July 1, 2025, the teacher shall pay 25% of the premium cost for health, Rx, vision and dental insurance coverage.
- G. The SPP contains a Health Enhancement Plan (HEP) component. All employees participating in the SPP are subject to the terms and provisions of the HEP. In the event SPP administrators impose the HEP non-participation or noncompliance \$100 per month premium cost increase or the \$350 per participant to a maximum of \$1,400 family annual deductible those sums shall be paid 100% in their entirety by the non-participating or non-compliant employee. No portion or percentage shall be paid by the Board. The \$100 per month premium cost increase shall be implemented through payroll deduction, and the \$350/\$1,400 annual deductible shall be implemented through claims administration.
- H. In the event any of the following occur, the Board or the Association may reopen negotiations in accordance with mid-stream negotiation and arbitration provisions contained in the Connecticut General Statutes as to the sole issue of health insurance, including plan design and plan funding, premium cost share and/or introduction of replacement medical insurance in whole or in part:
- i. If the SPP in its current form is no longer available; or if the benefit plan design of the SPP is modified as a result of a change to the State's collective bargaining agreement with SEBAC, if such modifications would substantially increase the cost of the medical insurance plan offered herein; and/or
  - ii. If Conn. Gen. Stat. Section 3-123rrr et seq. is amended, or if there are any changes to the administration of the SPP, or if additional fees and/or charges for the SPP are imposed so as to affect the

Employer, any of which amendments, changes, fees or charges (individually or collectively) would substantially increase the cost of the medical insurance plan offered herein; and/or

- iii. If there is any material amendment to The Patient Protection and Affordable Care Act (ACA; P.L. 111-148), as amended, inter alia, by the Consolidated Appropriations Act of 2016 (P.L. 114-113) that would substantially increase the cost of the medical insurance plan offered herein.
  - iv. If the cost of the entire premium for health insurance applicable to the Board through the SPP effective July 1, 2025 increases by more than 15% over the July 1, 2024 SPP rates.
- I. In any negotiations triggered under subparagraph "H" above, as well as negotiations for a successor to this collective bargaining agreement, the parties shall consider the health insurance set forth in Article V of the parties' 2018-2021 collective bargaining agreement to be the baseline for such negotiations, and the parties shall consider the following additional factors:
- Trends in health insurance plan design outside of the SPP;
  - The costs of different plan designs, including a high deductible health plan structure.

Should such negotiations be submitted to arbitration for resolution, the arbitration panel shall consider the foregoing when applying the statutory criteria in making its ruling.

- J. The Board shall maintain a "Section 125" Salary Reduction Agreement for the purpose of enabling eligible Teachers to divert a portion of their gross salaries, prior to reduction for federal income or social security taxes, by a minimum of \$250 to a maximum of \$1,000 per Plan Year for Health Reimbursement, and by a minimum of \$250 to a maximum of \$5,000 per Plan Year for Dependent Care, into an account from which, during the course of the Plan Year, they can be reimbursed for Health Care costs and Dependent Care costs they or their covered dependents incur that are not covered by the Health Insurance Plans described in the Agreement between the Board and the Association, including, but not limited to, their share of the premium costs for such Plans. The Board makes no representations or guarantees as to the initial or continued viability of such a Salary Reduction Agreement, and shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax exempt status of employee insurance premium contributions. So long as the Board makes a good faith effort to comply with this paragraph, neither the Association nor any Teacher covered by this Agreement shall make any claim or demand, nor maintain any action against the Board or any of its members or agents for taxes, penalties, interest or other cost or loss arising from a flaw or defect in the Salary Reduction Agreement, or from a change in law which

may reduce or eliminate the employee tax benefits to be derived therefrom. This waiver on the part of the Association shall not extend to acts which may be committed by the Board or its agent(s) other than acts in furtherance of the I.R.C. Section 125 plan.

- K. The Board shall contribute to the cost of insurance for bargaining unit members who are employed by the Board on a half-time or greater but less than full-time basis in a manner that corresponds to their less than full-time equivalent status. For instance, for an employee who is employed on a .5 FTE basis the Board shall only be responsible for 50% of its full-time employee insurance premium cost share with the remaining percentage paid for by the employee if he or she elects to secure insurance benefits. Similarly, for an employee who is employed on a .8 FTE basis the Board shall only be responsible for 80% of its full-time employee insurance premium cost share with the remaining percentage paid for by the employee if he or she elects to secure insurance benefits. Premium cost share payments for eligible less than full-time employees shall be made through automatic payroll deduction. In providing such coverage the Board must adhere to all policy guidelines based on carrier requirements and policy.

The Board of Education agrees to continue to make reasonable efforts to follow state guidelines concerning organization patterns for special needs classes.

**ARTICLE X**  
**PROMOTIONS**

10.01 Definition of Promotion

- A. Promotion is hereby defined as a move of a teacher by the Board from a position in the bargaining unit to a position paying an annual salary which is higher than or in addition to the teacher's salary schedule but does not require an administrator's certificate. Extra-curricular positions and positions where extra pay is earned principally as a result of an expenditure of additional time, such as work done either prior to the opening or after the closing of the school year are not included.

10.02 Notification of Vacancies

- A. Permanent vacancies in positions described in 10.01 A. (above) which the Board desires to fill will be publicized in every school as far in advance as possible and ordinarily at least two (2) weeks in advance of filling the vacancy on a permanent basis. Such notice will be dated and will include position title, salary range, a brief description of position duties and the minimum qualifications for filing an application for such vacancy. Nothing herein will prevent the Board from filling the vacancy on a temporary basis from any source. Teachers interested in receiving notification of promotional positions which open during the summer months shall so notify the Superintendent's office and provide the office his/her summer address.

10.03 Application for Vacancies

- A. Teachers desiring to be considered for promotion to the vacancy must submit a written application to the Superintendent or designee within two (2) weeks following the date of the notice referred to in 10.02 Notification hereof. **ARTICLE XI**  
**SEPARATION AND RECALL**

11.01 Reduction in Number

Third:	Tenured teachers

#### 11.02 Criteria for Determining Qualifications

- A. Nothing in this section is intended to abrogate the Board's right to dismiss or not re-employ teachers under Section 10-151 of the General Statutes. This section is limited to situations that require reduction in staff. The Board will provide the Association with an updated seniority list by January 1 of each school year. Said list will include all teachers, the date the initial contract was signed, including all leaves of absences, and areas of certification.

#### 11.04 Termination of Tenured Teacher

- A. If a contract of a tenured teacher is terminated because of the elimination of a position, the name of that teacher shall be placed on the reappointment list and shall remain on such list for a period of three (3) years. If a teaching position becomes available, the Board shall determine the qualifications for that position. The Superintendent shall notify all persons on the rehire list who, at the time of termination, held a position comparable in hours (e.g., part-time/full-time) and certification with the available position, by mailing notice thereof to the most recent address furnished by such persons to the Superintendent.
- B. The persons so notified who wish to be considered for the available position shall, within ten (10) days of delivery of such notice, submit an application for the position. Failure or refusal by a person to apply for such position shall result in that person's name being removed from the reappointment list.
- C. The Board will offer an available position to qualified applicants for the position in the reverse order of termination of such qualified applicants. The teachers shall accept or reject the offer of appointment within ten (10) calendar days after receipt of such notification. If the individual rejects the appointment offer or does not

respond according to this procedure, that name will be removed from the reappointment list.

  - 1. A teacher with a grievance, which grievance results from a decision by such teacher's principal or supervisor shall file the grievance in written form, using Grievance Form A, with the principal or immediate supervisor within thirty (30) days after the grievant knew or should have known of the act or conditions on which the grievance is based. If the teacher fails to file the grievance within the time limit set forth in this section, then the grievance shall be considered to have been waived. The written appeal shall contain a statement setting forth the provisions of the agreement claimed to have been misinterpreted.
  - 2. Within ten (10) days after receipt of the written grievance, the principal or supervisor shall meet with the aggrieved teacher in an effort to resolve the

grievance. The principal or supervisor will, within ten (10) days of the meeting, give an answer to the teacher involved.

B. Level Two - Superintendent of Schools

1. If a grievance filed at Level One is not satisfactorily settled at that level or in the event that no decision has been rendered within ten (10) days after the presentation of the grievance, the teacher may make a written appeal to the Superintendent within fourteen (14) days thereafter.

If the grievance results from a decision by the Superintendent of Schools, the grievance will be filed initially at this level. The teacher shall use Grievance Form A and the written appeal to the Superintendent must be filed within thirty (30) days after the grievant knew or should have known of the act or conditions on which the grievance is based. Otherwise the grievance shall be considered to have been waived. The written appeal shall contain a statement setting forth the provisions of the agreement claimed to have been misinterpreted.

2. The Superintendent will review the appeal or initial grievance and, at his or her discretion, schedule a hearing or meeting, at a mutually agreed upon date and time, to consider the grievance. Within fifteen (15) days of the Superintendent's receipt of the request or of the hearing or meeting to consider the grievance, whichever is later, the Superintendent will render a decision. A copy of the decision will be sent to the teacher.

C. Class Grievance

Within a thirty (30) calendar day time limit after receipt of the Board's decision, the Association may appeal the decision of the Board to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association. The Board and the Association will share the cost of the arbitrator equally. The decision of the arbitrator shall be binding unless the same is contrary to the law.
- B. No grievance will be submitted to arbitration and no grievance will be arbitrable, unless it actually involves the interpretation or application of an express and specific provision of this Agreement. Further, the arbitrator will only have authority to determine whether the Board violated an express and specific provision of this Agreement and will not have authority to add to, detract from or modify any such provision of this Agreement.

#### 12.05 Time Limits

- A. Since it is important that grievances or disputes be processed as rapidly as possible, the number of days indicated at each level should be considered as the maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement. Failure on the part of the grievant or the Association to process the grievance to the next level within the time limit specified shall terminate the grievance.

- A. All teachers employed by the New Milford Board of Education may voluntarily join the Association. The Board agrees to deduct an amount equal to the Association membership dues by means of payroll deduction from the salary of each teacher who voluntarily and in writing submits to the Board a written authorization for such deductions. Said authorization shall continue in effect from year to year unless such teacher shall notify the Board of Education and the Association in the month of August of any year. If said notice is timely delivered, it shall mean that in the coming year said teacher shall no longer be a member of the Association. Deduction for Association membership dues shall occur according to a mutually agreeable schedule. The amount of Association membership dues shall be certified to the Board prior to the opening of school each year.

- A. The Board agrees to forward to the CEA-New Milford each month all monies deducted during that month for dues and service fee deduction.

15.04 List of Bargaining Unit Members

15.05 Authorization of Deductions

- A. The right to refund the employee's monies deducted from their salaries under such above authorization shall lie solely with the Association. The Association agrees to reimburse any employee for the amount of any dues deducted by the Board and paid to the Association, which deduction is by error in excess of the proper deduction, and agrees to hold the Board harmless from any claims of excess deductions.

15.06 Save Harmless

- A. The Association shall indemnify and save the Board and/or the Town harmless against all claims, demands, suits, or other forms of liability, including all costs and reasonable attorney fees which may arise by reason of any action taken in making deductions and remitting same to the Association pursuant to this Article.

### *A Great Opportunity for Very Valuable Healthcare Coverage*

---

Welcome to the Connecticut (CT) Partnership Plan—a low-/no-deductible Point of Service (POS) plan now available to you (and your eligible dependents up to age 26) and other non-state public employees who work for municipalities, boards of education, quasi-public agencies, and public libraries.

*The CT Partnership Plan is the same POS plan currently offered to State of Connecticut employees. You get the same great healthcare benefits that state employees get, including \$15 in-network office visits (average actual cost in CT: \$150\*), free preventive care, and \$5 or \$10 generic drug copays for your maintenance drugs. You can see any provider (e.g., doctors, hospitals, other medical facilities) you want—in- or out-of-network. But, when you see in-network providers, you pay less. That's because they contract with Anthem Blue Cross and Blue Shield (Anthem)—the plan's administrator—to charge lower rates for their services. You have access to Anthem's State Bluecare POS network in Connecticut, and access to doctors and hospitals across the country through the BlueCard® program.*

When you join the CT Partnership Plan, the state's Health Enhancement Program (HEP) is included. HEP encourages you to get preventive care screenings, routine wellness visits, and chronic disease education and counseling. When you remain compliant with the specific HEP requirements on page 5, you get to keep the financial incentives of the HEP program!

Look inside for a summary of medical benefits, and visit [www.anthem.com/statect](http://www.anthem.com/statect) to find out if your doctor, hospital or other medical provider is in Anthem's network. Information about the dental plan offered where you work, and the amount you'll pay for healthcare and dental coverage, will be provided by your employer.

## Need a doctor? Choose a State of Connecticut preferred doctor and save

When you see a Primary Care Physician (PCP) or specialist in your State of Connecticut preferred network (also referred to as Tier 1 in your health plan), there's no office visit copay. These doctors cost less than doctors outside of your plan.

- Visit [anthem.com/statect](http://anthem.com/statect) and choose **Find a Doctor**.
- Call the Enhanced Member Service Unit at 1-800-922-2232, for more information or to find out if your doctor is in Tier 1.

## Use Site-of-Service providers to get 100% coverage for lab tests, X-rays, and high-cost imaging

Site-of-Service (SOS) providers give you 100% coverage with a \$0 copay. Your plan will cover only 80% of the cost when you get these services from other providers.

- Call the Enhanced Member Service Unit at 1-800-922-2232 to learn more.

## Find support for mental health issues

If you or a family member needs mental health or substance use care or treatment, we have specialists and designated programs that can help and/or direct you to the type of care that you need.

- Call an Anthem Behavioral Health Care Manager at 1-888-605-0580.
- Visit [anthem.com/statect](http://anthem.com/statect).

## See a doctor, psychologist or therapist from home or work with LiveHealth Online

With LiveHealth Online you can see a board-certified doctor on your smartphone, tablet or computer with a webcam. Doctors can assess your health, provide treatment options and send a prescription to the pharmacy of your choice, if needed.<sup>2</sup> If you're feeling stressed, worried or having a tough time, you can see a licensed psychologist or therapist through LiveHealth Online Psychology. It's private and in most cases you can see a therapist within 4 days or less.<sup>3</sup>

- Learn more and enroll at [livehealthonline.com](http://livehealthonline.com) or use the free mobile app.

## How to find care right away when it's not an emergency

The emergency room shouldn't be your first stop — unless it's a true emergency (then, call 911 or go to the ER). Depending on the situation, there are different types of providers you can see if your doctor isn't available.

- Visit a walk-in doctor's office, retail health clinic or urgent care center.
- Have a video visit with a doctor through LiveHealth Online.
- Call 24/7 NurseLine at 1-800-711-5947 to speak with a nurse about symptoms or get help finding the right care.

## Get access to care wherever you go

If you travel out of Connecticut, but are in the U.S., you have access to doctors and hospitals across the country with the BlueCard® program. If you travel out of the U.S., you have access to providers in nearly 200 countries with the Blue Cross and Blue Shield Global Core® program.

- Call 1-800-810-BLUE (2583) to learn more about both programs. If you're outside the U.S., call collect at 1-804-673-1177.<sup>5</sup>

PRESCRIPTION DRUGS	Maintenance* (31-10-90-day supply)	Non-Maintenance (up to 30-day supply)	HEP Chronic Conditions
Generic (preferred/non-preferred)**	\$5/\$10	\$5/\$10	\$0
Preferred/Listed Brand Name Drugs	\$25	\$25	\$5
Non-Preferred/Non-Listed Brand Name Drugs	\$40	\$40	\$12.50
Annual Out-of-Pocket Maximum	\$4,600 Individual/\$9,200 Family		

+ Initial 30-day supply at retail pharmacy is permitted. Thereafter, 90-day supply is required—through mail-order or at a retail pharmacy participating in the State of Connecticut Maintenance Drug Network.

\*\* Prescriptions are filled automatically with a generic drug if one is available, unless the prescribing physician submits a Coverage Exception Request attesting that the brand name drug is medically necessary.

**Preferred and Non-Preferred Brand-Name Drugs**

A drug's tier placement is determined by Caremark's Pharmacy and Therapeutics Committee, which reviews tier placement each quarter. If new generics have become available, new clinical studies have been released, new brand-name drugs have become available, etc., the Pharmacy and Therapeutics Committee may change the tier placement of a drug.

If your doctor believes a non-preferred brand-name drug is medically necessary for you, they will need to complete the Coverage Exception Request form (available at [www.osc.ct.gov/ctpartner](http://www.osc.ct.gov/ctpartner)) and fax it to Caremark. If approved, you will pay the preferred brand co-pay amount.

**If You Choose a Brand Name When a Generic Is Available**

Prescriptions will be automatically filled with a generic drug if one is available, unless your doctor completes Caremark's Coverage Exception Request form and it is approved. (It is not enough for your doctor to note "dispense as written" on your prescription; a separate

form is required.) If you request a brand-name drug over a generic alternative without obtaining a coverage exception, you will pay the generic drug co-pay PLUS the difference in cost between the brand and generic drug.

**Mandatory 90-day Supply for Maintenance Medications**

If you or your family member takes a maintenance medication, you are required to get your maintenance prescriptions as 90-day fills. You will be able to get your first 30-day fill of that medication at any participating pharmacy. After that your two choices are:

- Receive your medication through the Caremark mail-order pharmacy, or
- Fill your medication at a pharmacy that participates in the State's Maintenance Drug Network (see the list of participating pharmacies on the Comptroller's website at [www.osc.ct.gov](http://www.osc.ct.gov)).

The Health Enhancement Program (HEP) is a component of the medical plan and has several important benefits. First, it helps you and your family work with your medical providers to get and stay healthy. Second, it saves you money on your healthcare. Third, it will save money for the Partnership Plan long term by focusing healthcare dollars on prevention.

*Health Enhancement Program Requirements*

You and your enrolled family members must get age-appropriate wellness exams, early diagnosis screenings (such as colorectal cancer screenings, Pap tests, mammograms, and vision exams). Here are the 2021 HEP Requirements:

*The Health Enhancement Program features an easy-to-use website to keep you up to date on your requirements.*

*Additional Requirements for Those With Certain Conditions*

If you or any enrolled family member has 1) Diabetes (Type 1 or 2), 2) asthma or COPD, 3) heart disease/heart failure, 4) hyperlipidemia (high cholesterol), or 5) hypertension (high blood pressure), you and/or that family member will be required to participate in a disease education and counseling program for that particular condition. You will receive free office visits and reduced pharmacy copays for treatments related to your condition.

These particular conditions are targeted because they account for a large part of our total healthcare costs and have been shown to respond particularly well to education and counseling programs. By participating in these programs, affected employees and family members will be given additional resources to improve their health.

*If You Do Not Comply with the requirements of HEP*

If you or any enrolled dependent becomes non-compliant in HEP, your premiums will be \$100 per month higher and you will have an annual \$350 per individual (\$1,400 per family) in-network medical deductible.
