

The Sleuth Scoop

WHAT'S UP IN...

Mrs. Chesser's Class: Students celebrated August birthdays with a special snack. They also had a visit from Bo, a support animal! He was a big hit!

Billingsley School: New flooring is being installed in the E wing classrooms and the Media Center. The carpet that was installed when the school was constructed is being removed after many years of service.

Attendance Challenge for the month of September kicks off on Friday, September 1. Homerooms are challenged to have perfect attendance for the month of September = every student at school every day, all day (no check-ins or check-outs). Treats will be provided!

Granola with the Grands will be Wednesday, September 20...a time for grandparents to enjoy snack with their little Bears (PreK-3)! Details will be coming soon.

Rock Your School will be Friday, September 29! This is a day filled with fun learning activities...be sure to ask your student what they learned and how they learned it.

Bragging on Our Bears...

Five Beta Club students served as Student Ambassadors at the ACS Symposium on Professional Learning on August 4. They are: Ada Willis, Mallory Shanholtzer, Mason Truesdale, Kayden Bland, and Wyatt Longcrier.

Thank You!

Many individuals and groups in our Billingsley community have donated bottled water to be distributed to the students who ride a bus home in the afternoons. This has made a really HOT ride a little easier.
