### **Advisory Board/School Council Minutes November 12, 2024**

The School Council/Advisory Board met on 11-12-2024. Dr. Rush reported the following:

Profits from the Step it Up fundraiser were used to provide shaded areas on the school playground. More funds will be used soon for benches on the school playground, and possibly benches in front of the school.

Our School Improvement Visit was a success! We scored a Proficient rating. The SIP team was highly encouraging during their visit and our feedback was exceptional.

WMAZ news visited LRPS to interview Mrs. Scannell, a second-grade teacher who was selected for this week's My Teacher Tops! Mrs. Scannell does an exceptional job with instruction and student motivation.
