# Superintendent Welcome

Dear Parents and Guardians:

I am so happy that you have chosen Rainier School District as your child's school district! The district's leadership team, faculty, and staff welcome you to a new and exciting school year. *The 2022-2023 Student/Family Handbook* is designed as a guide for you, your child and our school community. Please spend some time to thoroughly read this handbook and discuss it with your child.

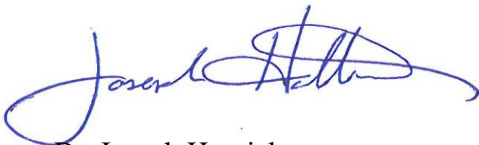

The Rainier handbook has been developed in a way to provide families with one document regardless of your child's grade level. This District Student/Family Handbook presents all general information followed by a section devoted to students at Hudson Park Elementary and ends with a section for Rainier Junior Senior High. Our hope is that through one, unified handbook all families in the district will be informed of the procedures and expectations.

Parents play a critical role in the success of their children. They are their child's first teacher and take the role of the school's team member with the collective goal of educating our diverse community. This handbook includes contact information for the School's leadership team, general information about our academic program, and specific School policies and procedures which, if followed consistently, will contribute to the development of a strong community and assist us in becoming an excelling school district. The handbook also describes the specific policies and procedures that will be implemented to encourage appropriate conduct and ensure a safe learning environment for all students. This handbook acts as an extension of our school board policies which can be found at [rainier.k12.or.us](http://rainier.k12.or.us). If there are any inconsistencies within this handbook, the district policy will serve as the guide.

It is our intent to provide all families with general information regarding our policies, procedures and practices to better inform you about your child(ren's) rigorous and safe learning environment. Should you have a question that is not answered within these pages, please feel free to contact me, another member of our school leadership team, or your child's teacher.

At Rainier School District, we recognize that educating children requires a team effort, and we look forward to joining you in this vital pursuit. Working together, we can realize our shared vision of excellence in public education.

Sincerely,

Dr. Joseph Hatrick  
Superintendent

# Rights and Responsibilities

## *Students*

All students are held responsible for knowing and abiding by the regulations in this handbook. All rules and regulations apply to students during the school day, anytime a student is on school grounds, and at any school-sponsored activities, home or away. School rules and the authority of the District to administer discipline apply whenever the interest of the school is involved on or off school grounds in conjunction with or independent of classes and school-sponsored activities. Also, in order to maintain a safe and orderly environment, school personnel have the authority and responsibility to question students regarding their conduct and conduct of others. Discipline will be designed to correct the misconduct and to encourage all students to adhere to their responsibilities as citizens of the school community.

## *Parents*

All students must have current emergency contact information on file within the first week of attendance. Please notify the office immediately of any changes in address, phone number, contacts, etc.

If parents are legally separated or divorced, each parent has equal rights to the custody of the child/children unless a parent has a court order that indicates which parent has custody of the child/children. The school must have a copy of the court order on file, otherwise, either parent, with proper identification, may check the child out of the school. If a parent comes to the school with a current court order stating that they have custody, then by law that parent may check the child/children out of school.

We ask parents to get involved. Education succeeds best when there is a strong partnership between home and school. The school/parent partnership thrives on effective communication. We ask families to:

1. Encourage their child to put a high priority on their education.
2. Stay informed about school activities and issues.
3. Consider serving on a committee as needed.
4. Become a volunteer.

## Building Security/Student Safety

### *Building Security*

To ensure that the building remains a safe and secure place for your child to attend School, the following procedures will be enforced. Your cooperation and understanding are greatly appreciated.

1. Students are not allowed to be on campus earlier than 15 minutes prior to the start of school.
2. All visitors must check into the office as soon as they enter one of the buildings. Visitors tags will be issued and must be worn in a visible place at all times to help students and staff recognize them as authorized visitors. *Visitors are limited this year due to the pandemic.*
3. All doors will be locked except when being used by groups of students to pass to and from activities.

4. Anyone on school property unknown to staff will be questioned if they do not have the appropriate tag/badge. We recognize that these procedures may cause some inconvenience, but for the safety of our students is our main concern.

### *Restricted Areas*

Without school personnel supervision, the following areas are restricted from student use during the school day:

- Parking lots and access roads
- All areas beyond the driveways (to include ponds)
- Athletic fields, dugouts and trails
- Teachers lounges and work areas
- Locked areas (without school personnel supervision)
- Roof areas
- Columbian Room
- Greenhouse & surrounding areas
- Entire athletic complex

No school facility or property is to be used without clearance through the school administration.

### *Emergency Procedures*

#### **Notification**

Safety and security are a top priority for the Rainier School District. In the event of a school closure, delay, or emergency, there are 4 ways we'll communicate information.

To get information as quickly as possible, please connect with us in the following ways:

1. Blackboard - Receive automated phone calls for any child enrolled in RSD.
2. Social Media - Follow our school pages on Facebook.
3. Rainier Jr./Sr. High School & Hudson Park Elementary Website - We'll post information on the District home page @ <http://www.rainier.k12.or.us/>
4. Flash Alert - Subscribe to FlashAlert notifications @ <http://flashalert.net/news.html?id=52>

\*You may also check local radio stations and Portland television stations (Channels 2, 6, 8 and 12). We get this information out as quickly as possible once the decision has been made. Students will be dropped at their usual bus stops unless we have announced snow routes or other arrangements have been made.

### *Emergency Drills*

Fire drills are conducted monthly and students are expected to follow staff directions quickly and quietly and in an orderly fashion. At least two earthquake drills will be conducted each year.

Other emergency drills, including lock-down drills, will be held from time to time throughout the year.

## Transportation

Mid-Columbia Bus Company provides the transportation services for our district. If you need bus route information, please see our website, [rainier.k12.or.us](http://rainier.k12.or.us) or contact MidCo at 503-556-9140.

### *Violations*

Rainier's rules follow state guidelines and types of violations are listed on the back of conduct reports. They are categorized in three classes (A, B, C) based on the severity of misconduct. In order to assure that discipline is progressive, the following guidelines are used. Bus drivers may use their own judgement in determining the severity of each situation as well as the appropriate consequence.

#### **Class A Violations** (Less Severe)

1st violation - Oral Warning

2nd - Written Oral Warning

3rd - Written Warning

4th - 3 Day Suspension

5th - 5 Day Suspension

6th - 10 Day Suspension

Further violations may result in a semester bus expulsion

#### **Class B Violations** (More Severe)

1st violation - 3 Day Suspension

2nd - 5 Day Suspension

3rd - 10 Day Suspension

Further violations may result in a semester bus expulsion

**Class C Violations** (Very Severe)

1st violation - 5 Day Suspension

2nd - 10 Day Suspension

Further violations may result in a semester bus expulsion

At the end of each semester, each student's disciplinary record may be cleared. However, discipline may be carried over into the next semester or school year if the violation occurs within the last three weeks of the period prior.

To resume riding a bus after a conduct report has been issued, the white copy **must be signed by a parent or guardian** and returned to either the bus driver or directly to the Transportation Office.

Please note that the main offices cannot make bus changes over the phone. Students are to bring a written note, issued by their legal parent/guardian to the main office by 12:30 pm on the day in which they are changing their bus routine. Students who do not bring in a note by the specified time will not be allowed to ride a different bus after school.

## Student & Family Information

### *Progress Reports and Report Cards*

Written reports of student grade, progress and absences shall be issued to parents quarterly at Hudson Park and after the conclusion of each semester at RJSHS. The reports will be emailed to parents. If you have questions or concerns, please contact your student's teacher(s).

Incomplete grades are given to RJSHS students who, for unusual circumstances, are unable to complete course work in the allotted grading period. All incomplete grades not removed **within nine weeks** will be changed to an F unless prior written arrangements are agreed upon with the teacher.

### *Conferences*

Will be held twice during the school year. The first is held in November and the second is held in April. You will be notified prior to dates of any scheduled times or requests to schedule.

A parent who wishes to confer with a teacher may call the respective building office or email the teacher(s) directly for an appointment.

### *Promotion and Retention of Students*

The general policy of the District is to encourage and assist each pupil to move along in a continuous growth pattern of academic achievement in harmony with his/her normal educational, social and emotional development. The guiding philosophy for determining acceleration, promotion, or retention will be what is in the best interest of the student.

In arriving at a decision for either the acceleration or retention of a student, the teachers, principal and counselor(s) will assess many factors. The student's grades in core classes (English, Social Studies, Math and Science) are considered. Grade level expectations are that a student must earn at least a "C" to be on track. Other standards, which are part of this decision, include, emotional maturity, acceptable behavior, truancy, and scores earned on standardized tests such as the state assessment exams.

The school will be in contact with the parent/guardian of students who are experiencing serious academic difficulties. This communication will begin as soon as academic difficulties become apparent. The goal is to plan and implement strategies that will help the student. Parents will be notified in writing of concerns and will be provided an opportunity to meet with staff as these decisions are reached.

#### *Residency - Refer to Board Policies - JECA, JECB, JECBA*

Students of school age who reside within the Rainier attendance area may attend school without paying tuition. Residents over age 21 may be admitted with the approval of the superintendent.

Nonresident students may be admitted to Rainier School District No. 13 with permission of the Superintendent. Any student who becomes a nonresident will be permitted to remain in school until the end of the school year.

#### *Registration*

During registration the following should occur:

- Emergency Contact information is updated and Immunization form is completed
- Review of transcript if available/needed
- Review of Handbook and policies by administration, if enrolling after first week of school year
- Class schedule designed/Teacher assigned
- Tour of the building

#### *Directory Information*

School district policy allows for the release of certain personally identifying information known as "directory information." Directory information includes, but is not limited to: the student's name, address, telephone listing, photograph, date of attendance, and most recent previous educational agency or institution attended.

The district may release directory information for use in school publications, other media and for such purposes as deemed appropriate by the principal or superintendent.

Parents who object to the release of any or all information have fifteen school days from the date this handbook is distributed to notify the District Office of their request.

#### *Attendance*

Under Oregon law, (ORS, Chapter 339), all children between the ages of 6 and 18, who have not completed grade 12, are required to attend school regularly unless otherwise exempted by law. Staff will monitor and report violations of the state compulsory attendance law. All students, five or six years of age, who have been enrolled in a public school are required to attend regularly.

Any parent who fails to send a student to school within 3 days of notification by the district that their student is not complying with compulsory attendance requirements may be issued a citation by the district

for the student's failure to attend school. Failure to send a student to school is a Class C violation of the law and is punishable by a court-imposed fine as provided by ORS 339.925. Additionally, a parent/guardian, or other person lawfully charged with the care of custody of a student under 15 years of age, may, under ORS 163.577(1)(c), be found by the courts to have committed the offense of failing to supervise a child who has not attended school as required.

1. Excused Absences-

An absence may be excused by the administration for:

- Student Illness
- A serious family emergency
- A medical appointment which cannot be scheduled after school
- An authorized religious holiday
- A pre-arranged absence
- Family vacations during school days are highly discouraged.

2. Pre-Arranged Absences-

Pre-arranged absences require advance notice in writing. Failure to follow proper procedures may result in unexcused absence(s).

3. Unexcused Absences-

Any absences which do not fall into excused or pre-arranged categories qualify as unexcused absences. Ten days of consecutive absence will result in a student being withdrawn from enrollment.

4. Tardiness-

Tardiness interrupts the learning process in the classroom. School begins at 8:00 a.m. and any student not in their class at that time will need to get a tardy slip from the office first. It is the parent's responsibility to explain in writing any tardiness to school. Failure to provide a written explanation will automatically be considered unexcused tardiness. Student illness and family emergencies are excused tardies. If your child is ill, he/she should be kept at home.

Any student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension, expulsion, or ineligibility to participate in athletics or other activities. Habitual absences and unexcused absences may be considered truancy.

*Withdrawal from School - Refer to Board Policy - JECE*

To begin the withdrawal process, a parent/guardian (unless of legal age or emancipated) must notify the registrar indicating the purpose for withdrawing. The office staff will supply the necessary forms to complete the withdrawal process. An official transcript will be sent to the receiving school upon receipt of notification of the student's enrollment.

As part of the withdrawal process all school fines MUST be paid and all school property must be returned prior to official information being exchanged with the new school.

*Lunch/Meal Time*

Free or reduced priced meals are available to families based on federal guidelines. Applications are available in the office and are available online. Law prohibits the sharing or giving away of free and

reduced-price meals. If a student qualifies for free or reduced priced meals, and brings a lunch from home, they do not qualify for free milk. The student must take a complete meal to get a free milk. Please make sure your account is kept current. Families will receive an automated phone call when the account has a negative balance.

Payments can be made in person or online (check My Meal Time for online payments). If you have questions please contact the Nutrition services Assistant, Melissa Pratt or Nutrition Director, Debby Webster at 503-556-4215.

### *Check Acceptance Policy*

For a check to be an acceptable form of payment it must include your current, full and accurate name, address, and telephone number. In the event your check is returned for non-payment, the face value may be recovered electronically along with a state allowed recovery fee. In the event your check is returned for non-payment, checks may no longer be an acceptable form of payment for the remainder of the school year. Alternative forms of payment may be used instead of a check payment (cash or online payment).

### *Fundraising*

Groups, clubs and classes often raise money for their treasuries by conducting promotional sales of candy, candles, hoodies, t-shirts, etc. The following are the rules governing such sales:

1. All promotional sales campaigns must be cleared with the Principal's office prior to starting.
2. Sales may take place before or after school, during lunchtime, or on weekends.
3. Sales are not permitted during class time.
4. Food items may not be sold during lunchtime

### *Pets/Animals on Campus*

Animals are not permitted on campus. If bringing an animal on campus is part of a class assignment, contact with an administrator must be made by the teacher prior to the animal's arrival to the school's premises.

### *Visitors*

Parents/Guardians are encouraged to visit the school. All visitors must check in with the school office and be issued a visitor's pass, which must be visible at all times. Passes will also be issued to other individuals having an educationally justifiable reason for visiting the building. Unauthorized persons found on campus (trespassing) may be referred to the local sheriff's office with a notice of trespass and may be charged.

### *Signs/Posters*

ALL signs/posters must be approved and have an administrator initial before being posted. The group/individual placing the signs is responsible for their removal within 3 school days after use.

### *Textbooks*

Textbooks provided to students become the student's responsibility. Failure to maintain condition or return to the school will result in a bill placed in the student's file.

Books are not to be written in for any reason other than the writing of the student's name in space provided.

Students are responsible to pay for any damage or replacement of lost books. These books can be very expensive, so students are encouraged to keep track of their books by not lending them to friends. Students are required to turn books in or pay replacement cost prior to the end of the year. Students are required to return the exact books that were issued to them. Fines that are not paid will remain on record until cleared, report cards and a student's diploma will be held until the final bill is paid.

### *Internet Rules for Students*

Internet usage, electronic mail transmissions and other use of electronic communications systems by students shall not be considered confidential and may be monitored at any time by designated District staff to ensure appropriate use for educational purposes.

Your rights can be limited in school though. If you post something via email or on a school web page that disturbs the learning environment in your school, your right of speech may be limited. School websites and forums are for educational use and are not considered public forums for debating ideas. This means that a school has the right to limit student speech that disturbs the learning process in these areas.

You do have substantial freedom of speech when you publish materials on a non-school website. For more information on your First Amendment rights see <http://www.hb-rights.org/2speech/>

## Student Chromebook Agreement

- All existing computer use policies and procedures of RSD apply for students using Chromebooks both on and off campus.
- Chromebooks must be turned in before the end of the school year (June).
- Chromebooks or Chromebook components should not be loaned to anyone other than the assigned student.
- Inappropriate use of Chromebooks will be dealt with through standard disciplinary practices.
- Removal of a student's Chromebook will only occur at the decision of the school administration or network administrator.
- Using or attempting to use sites that bypass the school filtering is against District Policies and will be dealt with through corrective procedures.
- Students must never attempt to tamper with, physically disassemble or service their Chromebook. All issues must be reported to the District.
- If a student or teacher questions whether a specific piece of software is allowed or appropriate for use on the Chromebook, they should contact the District.

### *Laptops that are Lost, Stolen or Damaged.*

There will be a \$200 fee for Chromebooks that must be replaced because they are lost, stolen or damaged. Situations where a family cannot afford the replacement fee will be reviewed on a case-by-case basis by the District.

*Parental Permission:*

Each parent will sign this agreement prior to taking the Chromebook out of the building.

## Health and Safety

*District Nurse*

The primary responsibility for a child's health rests with the family, but our district nurse will assist with health planning, medication administration and staff training as needed to ensure all students receive the best care possible while at school.

*Immunizations*

A student must be fully immunized against certain diseases or must present a certificate of statement that, for medical or religious reasons, the student should not be immunized. Proof of immunization may be personal records from a licensed physician or public health clinic.

Any student not in compliance with Oregon statutes and rules related to immunizations will be excluded from school until he/she meets the requirements.

Parents will be notified of the reason for exclusion. Exclusion day annually in Oregon is approximately the second week in February.

*Medications at School*

Students may be permitted to take prescription or non-prescription medications at school or at school-sponsored activities on a temporary or regular basis when necessary (See policy JHCD/JHCD-AR).

1. Requests for the District Nurse to administer medication shall be made by the parent in writing. All medication to be administered by the District is to be brought to the school by the parent in its original container.
2. Written instructions from an Oregon licensed physician are required for all requests to administer prescription medication. Such instructions must include the following information: name of student, name of medication, route, dosage and frequency, and any special instructions. A prescription label meets the requirement for written instructions from the physician, if the above information is included.
3. All over-the-counter medications brought to school must be accompanied by the school's medication form from the parent or guardian including the name of student, name of medication, dosage, route and frequency of administration. An Oregon licensed physician's written order is required if medication is to be given other than as the package directs. This form must be on file with the school nurse.
4. Over-the-counter medication shall be limited to eye, ear, nose, and cough drops, cough suppressants, analgesics (pain relievers), decongestants, antihistamines, topical antibiotics, anti-inflammatory, and antacids. No dietary supplements can be administered at school unless prescribed by a physician.
5. Medication not picked up by the parent within 5 school days of the end of medication period or at the end of the school year, whichever occurs first, will be disposed of by the District.

### *Head Lice*

Students will be checked for head lice with a parent or district referral only. If live lice are found, parents will be notified and treatment instructions will be provided. Students will be allowed to remain at school at the discretion of school staff. It is advisable that parents remove all nits from their student's hair to prevent re-infestation, although this will not be a reason to exclude a child from school.

### *Communicable Diseases*

Parents of a student with a communicable or contagious disease are asked to contact the school office so that other students who have been exposed to the disease can be alerted. A student with certain school restricted diseases will not be allowed to come to school while the disease is contagious. Qualified medical personnel confirming that the disease is no longer communicable to others in the school setting may be required to remove this restriction. This can include, but is not limited to: chicken pox, diphtheria, measles, meningitis, mumps, whooping cough, plaque, scabies, strep infections and tuberculosis. Parents with questions should contact the office.

### *Emergency Medical Treatment*

A student who becomes ill or injured at school must notify his/her teacher or another staff member as soon as possible. In the case of a serious illness/injury, parents will be notified according to information provided on the student registration form. Parents are encouraged to update this information as often as necessary.

If the student(s) are too ill to remain at school, the student will be released to the student's parents or to another person as directed by parents on the student registration form. Under no circumstances will a child be left at home unattended.

School staff may administer emergency or minor first aid, if possible.

### *Accident/Emergency*

None of us likes to think about our children being hurt or ill, but we all know that those things happen from time to time. Please be sure that the school office has CURRENT information regarding how parents and other emergency contacts can be reached. If you work, be sure that we have your current work telephone number, and please let us know immediately if your telephone numbers change during the year. Students should report all accidents or injuries immediately to the supervisor on duty. In cases of serious accident or illness, we make every reasonable effort to reach the parents as soon as possible. If the injury or illness is, in our opinion, serious enough that immediate treatment is necessary and parents cannot be reached, we will either summon emergency assistance, transport to the hospital, or contact the physician listed on the enrollment card. The parent/guardian will be notified of the emergency at the earliest possible time.

### *Insurance*

At the beginning of the school year, the district will make available to students and parents a low-cost student accident insurance program. Parents are responsible for paying premiums (if coverage is desired) and for submitting claims through the district office. The district shall not be responsible for costs of treating injuries or assume liability for any other costs associated with an injury.

Before participating in a school-sponsored trip outside the district or in school-sponsored athletics, students and parents must have: (1) purchased the accident insurance; (2) show proof of insurance; or (3) signed a form rejecting the insurance offer.

# Code of Conduct

We expect all students to **be safe, responsible, respectful, and kind at all times.**

The District has authority and control over a student at school during the regular school day, at any school related activity, regardless of time or location and while being transported in district provided transportation.

Students will be subject to discipline up to and including detention, suspension, expulsion, denial and/or loss of awards and privileges and/or referral to law enforcement officials depending on infraction and grade level.

*Harassment/Intimidation/Bullying/Cyber Bullying/Horseplay -Refer to Board Policies –ACB, JCF*

Harassment of any kind is not permitted. Students must not engage in unwanted or unwelcome verbal or physical conduct of sexual/harassment nature directed at another student or district employee. All students are expected to treat others with courtesy and respect; to avoid any behavior known to be offensive; and stop these behaviors when asked or told to stop. This prohibition applies whether conduct is by word, gesture, or sexual conduct including request for sexual favors. A substantiated complaint against a student will result in appropriate disciplinary action up to and including suspension (maximum of 10 days) and expulsion (maximum of 1 year).

Students are asked to be kind and respectful to each other. The following behaviors will not be tolerated, as it is not acceptable to:

- Call names
- Push, poke, trip or hit others
- Stare, glare or give mean looks with intent to intimidate or provoke
- Make a threatening gesture or statement
- Take or destroy someone's property

Any time a student is made to feel uncomfortable, they are asked to let an adult know immediately. Staff are to report this to an administrator. Students who choose to harass others may be subject to disciplinary action.

*Violent Language*

Statements or threats to kill someone, bringing a weapon, bomb, or fireworks to school, or any violent act, will be taken seriously. Making comments of this nature will usually result in suspension until an investigation by the school and police proves that no real threat exists. Students who make a threat may be required to see a therapist outside of the school system, at the student's parent's expense, before you can return to school. Students who know of a student who speaks of violence, makes threats, or seems intent on hurting someone or themselves, are encouraged to let a responsible adult know immediately.

*Gangs*

The presence of gangs and the violent activities and drug abuse that often accompany gang involvement, can cause a substantial disruption of school, district activities and a student's ability to meet curriculum and attendance requirements. A gang is defined as any group that identifies itself through the use of a

name, unique appearance or language, including hand signs, the claiming of geographical territory or the espousing of a distinctive belief system that frequently results in criminal activity. Students in violation of the District's gang policy will be subject to discipline in accordance with the district's Student Code of Conduct.

### *Restitution*

Damaging someone else's property will result in restitution. This means payment for damaged or ruined property. This includes school property as well and fines follow the student until payment is made.

### *Fighting*

Students are not allowed to fight, encourage others to fight, or physically intervene during a fight. Students who see a fight about to start are encouraged to do the right thing by notifying an adult immediately. There are no good reasons for fighting and there are consequences. Students who feel they are getting picked on and their only option is to fight are encouraged to refrain from doing so. Students are required to remove themselves from the situation and notify school staff immediately. Rainier School District policy does not allow fighting. Recording a fight with an electronic device (cell phones etc..) is not permitted and students who attempt to record such an act will also face disciplinary action.

*Theft*

Students are encouraged to be careful with their things. The school takes no responsibility or liability for lost, stolen or damaged property. Marking all property with a permanent marker helps students refrain from losing their belongings including backpacks, clothes, shoes, personal calculators, and sports equipment. Many students leave their bags and binders unattended in the hall and at after school events which can lead to vandalism and theft. All students are encouraged to lock up their belongings in their locker or other safe area. Students who are found to have another student's property in their possession will be disciplined and all serious thefts will be reported to the police. Taking another student's schoolwork and turning it in as one's own is also considered theft. Damaging someone else's property will result in restitution. This means payment for damaged or ruined property. This also includes the school's property as well, like desks, books, walls, chairs, and athletic equipment. Fines also follow the student until payment is made.

*Electronic Devices*

Phones, pagers, iPods, MP3 players, radios, game systems, speakers, etc. can create a substantial disruption to the education process and are only allowed during non-classroom time for JRSR High School Students (HPE students can only use devices before and after school, at all other times **they must be "Off and away"** \*This means, all electronics must be kept in student's backpack and not on their person). In the event a student is caught using a cell phone, the phone will be confiscated and turned into the office to be picked up by the student at the end of the day on the first offense. On the second and subsequent offenses, a parent/guardian will be required to pick up the phone. In addition to being

disruptive, these items pose an extreme theft problem. The school strongly encourages these items be left at home as the school district is not responsible for their loss or damage. Students refusing to give up their cell phone or electronic device will be disciplined for defiance and insubordination. Students may receive a detention, an in-school suspension or an out of school suspension. Teachers that use the cell phone for an in-class assignment will clearly communicate when it is appropriate to use and when it is no longer appropriate. The school recommends these items should be left at home as the school district is not responsible for their loss.

Students are responsible for all items issued by the District, such as textbooks, instructional materials, musical instruments, library materials, technology materials and sports equipment (uniforms, helmets, etc.). Payment is required if items are lost or damaged. Simply returning items does not constitute clearance. Returned items must be the actual items issued. Fines must be paid by students to the office for loss of or damage to school property. These charges can be cleared at any time; however, failure to pay fines will result in the withholding of the student's report card or the diploma being held at the time of graduation. The assigning staff member must clear bills for returned items.

#### *Provision for Students Served on IEP's and 504's*

Students served on an IEP or 504 are subject to the same rules and disciplinary procedures. Certain provisions may be provided through the IEP or 504 process and are listed in the Parental Rights for Special Education–Notice of Procedural Safeguards brochure. This brochure is available to all families through the district website under the Special Education tab. The 504 procedural safeguards are available through school counselors.

#### *Right of Due Process*

All students are entitled to due process. This means no action will be taken against a student until the facts have been presented and a judgment has been made. There are certain procedures, which school officials must follow prior to taking appropriate disciplinary action. There are also procedures, which students must follow if they do not agree with the school's actions.

When a disciplinary action results in suspension or expulsion, due process of law involves three procedures.

1. Prior notification – The student and/or legal guardian is informed of school policies and procedures regarding disciplinary consequences. Prior notification includes but is not limited to education of the handbook, both formal instruction and self-discovery.
2. Specification of charges – The student and/or legal guardian is made aware of the misconduct for which the student is being accused.
3. Opportunity to respond – The student and/or legal guardian is allowed to present his/her view of the accusations and of the disciplinary action to be taken within a reasonable time frame.

#### *Searches*

District officials may search the student, his/her personal property and property assigned by the district for the student's use at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable suspicion to believe evidence of a violation of a law, Board policy, administration regulation or school rule or the Student Code of Conduct is present in a particular place.

District officials may also search when they have reasonable information that emergency/dangerous circumstances exist. District-owned storage areas assigned for student use, such as lockers and desks, may be routinely inspected at any time. District Officials may, at their discretion, use drug-detecting canines.

#### *Student Interviews from Outside Authorities*

Special governmental agencies have the legal authority to come to school and interview our students during the school day. These agencies, most often either the police or Services to Children and Families, control this interview process. They may interview the student without school district employees present, and they may interview the student without first contacting the parents. At the school, our responsibility is to ask the representative if they are going to contact the parent, or if they wish us to contact the parent. In either instance, we will follow their direction.

Should law enforcement officials find it necessary to question students during the school day or during periods of extra-curricular activities, the principal or designee will be present, when possible. An effort will be made to notify the parent of the situation.

## *School Day*

The school office is open for business from 7:30 a.m. to 4:00 p.m. Monday through Friday.

The school day begins at 8:00 am and ends at 2:45 pm, with early release on Wednesdays at 12:45 p.m.

## *Registration*

All new students must register before beginning classes. Please see our online registration on our district website: <https://www.rainier.k12.or.us/onlineregistration>

In order to enroll in kindergarten children are required to be five years of age on or before September 1. State law requires children to be 6 years of age on or before September 1 to enter the first grade. Students entering school for the first time should have a physical examination and the law requires immunization (see section on “Required Immunizations”). Every school and most doctors’ offices have the necessary form, which must be completed by the examining physician.

## *Parking*

It is important that you use the Parent/Visitor parking lot. The upper lot is reserved for staff parking and bussing when needed.

## *Drop Off/ Pick Up*

Parents/Guardians picking up students after school will need to sign their child out. If you need to pick your child up before the day is over, please report to the HPE office window. Otherwise please report to the Parent Pick-Up area located under the covered area. ID is required.

If someone else will be picking up your child, please send written notification to the school in advance. Identification is required for the person picking up your child(ren).

## *Toys at School*

Toys are not allowed at school unless the teacher notifies you of a special activity in which students are requested to bring them (e.g., Show and Tell or a class party).

\*Please note items misused or disruptive to the educational environment will be taken away.

## *Lost and Found*

Lost and found articles are usually taken to a designated area near the office. An attempt to return items to the rightful owner is made. You can help this process by clearly marking all articles your child brings to school. You can call the school to inquire about any lost item.

## *PE Participation*

A student may be excused from participating in a required PE class by a daily note from a parent/guardian. If a long-term excuse is needed, a physician must issue it.

### *Library*

The HPE library is open to all HPE students. Students typically visit the library once a week with their class according to the assigned library schedule. Students may, with teacher permission, visit at other times during the week.

It is a privilege to check books out from the library. Failure to return books in good condition may result in suspended library privileges and student fines.

HPE coordinates loans from the RJSHS library. There is a library-to-library form that requires signatures from a parent/guardian, teacher, and a librarian. These forms are available upon request from the HPE library.

### *Staying After School*

Staff monitor the bus and car loading area until all busses have left. Once the last bus has left, there is no adult supervision. Therefore, unless a student has a supervised activity after school, that student must plan to leave the school grounds at 2:45pm Monday, Tuesday, Thursday and Fridays and 12:45pm on Wednesdays.

If a student is attending an after-school event or activity, he or she must stay in the location of the event or activity, where supervision is maintained. All school rules apply whenever a student is on District property.

### *Homework Policy*

Homework provides students with opportunities to apply learning and experience necessary practice. It is also designed to develop a certain amount of independence among students and provide an opportunity for them to take personal responsibility for their own achievement. This also promotes a home to school connection.

This being stated, however, Hudson Park Elementary fully realizes that homework activities are but one source of student learning experiences for children outside of the school day. Each extra-curricular activity (e.g., Scouts, swimming, music, Little League, etc.) provides children with educational experiences to enhance their growth and educational development.

In addition, societal influences on children must be taken into consideration. Many children at school are facing family situations dealing with unemployment, parental separation, joint custody, etc. Teachers and parents alike must be aware of the high levels of stress many children deal with on a daily basis. Homework tasks must be assigned with this in mind.

Teachers at Hudson Park Elementary also fully realize the uniqueness of each child. Whereas the guidelines in this policy are based on the typical primary and intermediate child, individual differences among children must be expected. The importance of clear and concise communication between home and school cannot be over-emphasized especially in these situations.

*Recommended Nightly Reading Minutes*

Kindergarten	15-20 minutes
1 <sup>st</sup> Grade	15-20 minutes
2 <sup>nd</sup> Grade	15-20 minutes
3 <sup>rd</sup> Grade	30+ minutes
4 <sup>th</sup> Grade	30+ minutes
5 <sup>th</sup> Grade	30+ minutes
6 <sup>th</sup> Grade	30+ minutes

Teachers should be flexible in these assignments. Children should not be required to complete the maximum amount of time each school night. On the other hand, parents need to understand that children who are off-task in class may be bringing homework that could have been completed in class, which is separate from the recommended daily reading.

*Teacher Responsibilities:*

- Promote homework activities following the guidelines stated above
- Explain and clarify assignments and provide appropriate materials when needed - Provide timely feedback for students concerning assignments
- Maintain open communication with parents and students

*Student Responsibilities:*

- Organize, complete and submit assignments on time
- Gather needed materials for homework assignments
- Plan time for completion of long-term assignments

- Encourage his or her child to complete and turn in assignments on time - Provide a suitable place of study
- Help students develop routine home study habits
- Assist and correct but not do the actual work and notify the teacher if student experiences extreme difficulty
- Contact the teacher if he/she observes an absence of homework
- Make-up work will be provided for students at the request of a parent. All homework requests will be honored within two business days. Students will have the number of days missed to complete the homework assignments. (Example: Three days missed equals three days to submit homework after a student returns to school.) (Disclaimer: Please understand not all schoolwork can be made up.)

- If the family is planning a vacation during the school year, let us know in writing at least a week in advance. We will work with the student in making up classwork, or sending along some appropriate assignments.

Failure to meet these requirements will result in no credit being issued. Prior approval must be obtained to receive high school credit.

*Grade Level Placement*

To be considered for the next grade placement, freshmen must earn six credits to be considered sophomores. Sophomores need a total of thirteen credits for junior placement, and juniors must have earned a total of nineteen credits for senior status. Students will remain with the grade level and advisor for which they qualify. In many cases, individuals will “skip” a grade level placement when making up a year’s credits. The grade status will be reviewed at the beginning of each school year to determine grade placement for the entire academic year. On occasion, junior review to determine senior placement may occur at midyear. All requirements, including assigned detention, must be satisfied before placement into the next grade level.

Students are not supervised before 7:45 am and should not be in the building before that time. If you arrive prior to that time you should be in the commons.

*Library*

The Rainier Jr/Sr High School library serves a variety of functions, not only as the library book collection, but also as a research and resource center. As with all libraries, a quiet atmosphere should be maintained so as not to disrupt others. It is a privilege to check books out from the collection. Failure to return library books in good condition to the library can suspend library privileges and lead to student fines.

*Lockers*

Students will be assigned a locker when they first enroll at Rainier Jr/Sr High School and are expected to remain with this locker unless officially changed by the office. Since the lockers are school property, the school retains the right to periodically conduct locker checks and remove any contents which do not belong to the student, or which may be deemed unlawful or harmful in any way to the welfare of that student or other students. The district reserves the right to inspect all lockers. Students do not need to be present for a locker search to occur.

Students are cautioned not to store valuables or money in the lockers since the student assumes all risks for items not in their personal possession. Students are strongly cautioned not to share combinations or lockers with others and must remain in their assigned locker. The assigned student is responsible and liable for the locker contents and condition of the interior and exterior of the locker. Any locker damage or jammed combination will result in a fine (\$20 minimum).

- District officials may, at their discretion, use drug detecting canines.

### *Make-up Work Procedure*

On the third consecutive day of a student's absence, a homework request may be made to the office if the parent/guardian indicates that the absence will continue. Homework will be made available the day after the request is made. If the student is absent for fewer than three days, he/she must make his or her own arrangements for homework. Doing classwork and homework is crucial for academic progress, therefore students have the opportunity to complete make-up work for all excused absences. If an absence remains unexcused, the student will not be allowed to make up assignments. Students who fail to make up their work will receive no credit.

### *National Honor Society (RHS Chapter) Selection Criteria*

Selection into the National Honor Society occurs on a yearly basis. To be considered for selection, a student shall meet the following criteria:

The District may impose campus, classroom or club/organization rules in addition to those found in the student code of conduct.

### Objective

- All co-curricular participants are eligible for athletic participation until:
  - They fail to meet OSAA scholarship standards and all OSAA rules pertaining to participation.

  - They fail one or more classes.
  - They are not on track for graduation with the required credits based on OSAA guidelines at the beginning of each school year.
    - Student’s grades will be checked at every four-week grading period. Students failing any classes will be placed on academic probation for the next four weeks. While on academic probation students will be required to attend a coach sponsored after school study session until the student is no longer failing. Students will be allowed to attend practice and participate in competitions. Students not passing after the probationary period will be ineligible to participate until grade is out of the failing status. Coaches will continue to monitor. Middle school students’ grades will be checked every three weeks.
- To be scholastically eligible, a student must be making satisfactory progress towards the school's graduation requirements by earning a minimum of the quantity of credits indicated on the chart below *prior to the start of the specified year*.

The Objective:

Further, the participants in any music activity shall conduct themselves in such a way as to bring credit upon their school, their performing group, and themselves.

Competitions:

All co-curricular participants are eligible for participation in music competitions until:

- They fail to meet OSAA scholarship standards and all OSAA rules pertaining to participation.
- They have been temporarily suspended by the director or administration for OSAA policy violations.
- They have been dropped from the class by the director or administration for OSAA policy violations.
- A student is not on track for graduation with the required credits based on OSAA guidelines at the beginning of each school year and enrolled in previously required classes that the student has failed.

## Middle School Athletic Eligibility

Middle School students who want to join an athletic team must meet academic requirements to participate. A student's grades from the preceding grade report will be used to determine eligibility. Students must be passing all classes and maintain those grades in order to participate. Grade checks will take place every three weeks; those students with failing classes will be ineligible until grades are no longer in a failing status.

Team rosters will be sent out to teachers to assist in monitoring participants' grades. Teachers are expected to keep grades updated weekly to ensure that student's grades are current. The following dates will be used for grade checks:

Volleyball, Football, Cross-Country, Soccer	Report card from prior year, Sept 30, & Oct 21
Basketball, Wrestling, Cheer, Choir/Band	Nov 4, 25, Dec 9, Jan 23, & Feb 20
Track, Baseball, Softball, Cheer, Choir/Band	April 2, 30, & May 28

An eligible student-athlete is one who is enrolled in school (in at least five classes), attending regularly and maintaining passing grades in all classes and or who is currently on academic probation.

To participate in either practices or games on a particular day, the high school athlete must have attended school for that entire day. Students need to be in school all day following an activity on the previous day. Exceptions may be made in the following cases: Nurses office clearance for no more than one period;

Absences associated with the school schedule; Pre-arrangements made by the parent through the attendance office no later than 8:30 a.m. on the day of the event; Family emergency (needs Athletic Director okay). Students who participate when restricted will be required to miss the next two like-kind activities.

Coaches will maintain communication with classroom teachers to ensure that the athlete is maintaining acceptable standards in scholarship, as well as conduct, effort, and citizenship. Coaches and/or supervisors have the right to make additional rules for their activity.

Students have the responsibility of attending all practice sessions in their sport unless they have made prior arrangements with their coach. Continued absence or skipping of practice may result in suspension or dismissal from the team. Coaches will determine whether an absence is excused or unexcused. Absences because of physical disability shall be excused (but an athlete who is absent from school because of illness or injury shall also be absent from practice or athletic activity occurring on the same day. If the student is too sick and/or injured to come to school, that student is too sick and/or injured to practice or play.) Truancy shall be considered unexcused and a participant is ineligible to participate in any contest or practice until all time and work is made up. A student who is suspended may not practice or participate in any activity.

The student/athlete must ride to a school-sponsored event with his/her associated group. (Exception: In the case of a recognized family emergency, the student/athlete may be transported by the parent/guardian. The parent/guardian must inform the Principal and/or Athletic Director by direct verbal and written request.) The student/athlete must be signed out with the coach from a school-sponsored event by a parent/guardian. The student/athlete may be transported by another parent after an away event. Parents of the student/athlete must inform the Principal and/or Athletic Director by verbal and written request before departure. The student/athlete may be dropped off at the Goble Landing or at the Alston Mayger Store upon returning to Rainier High School. The student/athlete will be transferred from the bus to the parent/legal guardian only.

*Training and Behavior*

- Use or possession of alcohol, illegal drugs, tobacco, or their look-a likes in any form is prohibited at anytime, anywhere while participating in a sport or activity.
- Making a willing decision to remain on the premises where drugs or alcohol are being illegally consumed by minors is prohibited.
- Purposely displaying personal anatomical parts is prohibited.
- Stealing or purposely destroying school equipment or property is prohibited.
- Any misconduct, disregard of good sportsmanship guidelines, or action, which brings discredit to the school, team, or individual, may subject the violator to the conditions of this code.

Violations of any of the above rules may result in immediate suspension. If an infraction has occurred the following discipline will result:

1st Offense	Suspension from interscholastic competition for three calendar weeks from the date of the infraction. NOTE: After a first offense, a contract between the athlete, parent and school will be initiated.
----------------	--

2nd Offense	Suspension from interscholastic competition for six calendar weeks from the date of the infraction. If the second offense occurs during the same sport season as the first infraction, the athlete will be suspended from that sport for the remainder of the season. His/her six-calendar week suspension will begin when he/she next turns out for a Rainier Jr/Sr High School team.
3rd Offense	The student will be suspended from participating in athletics for one calendar year.
4th Offense	The athlete will not be allowed to compete in interscholastic athletics at Rainier Jr/Sr High School for the remainder of his/her enrollment at Rainier Jr/Sr High School.

Any suspension will be carried out until completed. Suspensions from a previous athletic season will carry over to the next athletic season of participation even if the season of participation occurs within a different school year. Carry-over suspensions will be fulfilled as stated by District Handbook and OSAA guidelines. To fulfill a carry-over suspension from a previous participating season, an athlete must participate for 50 percent of the next participating sports season.

*Appeal Process:*

Code violators may appeal to the Athletic Appeals Board consisting of the Athletic Director, the head coach of the sports involved (as a non-voting member), and at least three other head coaches. For any violation during an athlete’s enrollment at Rainier Jr/Sr High School, the Appeals Board shall have the authority if deemed appropriate to waive the designated suspension and substitute the following disciplinary action:

- The violator will not be allowed to compete in interscholastic contests for the first two weeks in which contests occur following the infraction. If the infraction occurs during the last two weeks of a sport season, any awards earned will be forfeited and the participation and practice penalty will carry over into the next season in which the violator participates.
- The violator must attend all practice sessions and must complete ten hours of “eligibility opportunity sessions.” Additional conditioning requirements may be established by the coach and shall continue until the violator is eligible to participate in interscholastic contests.
- For any violation of the Athletic policy during an athlete’s enrollment, the Appeals Board shall have the authority, if deemed appropriate to require the completion of a Chemical Awareness and Rehabilitation program outlined by the Appeals Board and/or participation in an appropriate counseling program.

If the appeal is not granted and/or the athlete chooses not to comply with the penalty as prescribed in the appeals process, the suspension is for the designated term.

Letters and awards will be withheld when a student is suspended from participation, quits participation or does not complete any sport season. If he/she is suspended at such time as to allow the appeal process and normal penalties to occur before the end of a particular season, letters and awards may be earned and received.

### *Accidents and Injuries*

All injuries during practices or games must be reported to the coach in charge. Coaches shall not administer internal medicine and shall exercise due care in administering first aid to an injured player. All coaches are required to notify the administration of an injury as soon as possible and to file the District form within 48 hours. Parents shall be notified immediately of any injury requiring medical attention. The parents, when possible, will make the decisions concerning what course of action to follow. Only in emergencies will the coach or administrator assume responsibility. Any participant who has been to the doctor for an athletic injury must report this to the school office the following school day. Once a participant has suffered an injury that needs a doctor's attention he or she will not be considered for active participation until the doctor has signed a release form.

### *Athletic Equipment*

Generally, all competitive equipment is supplied by the school district with the exception of personal items and shoes. No equipment is to be used or worn off the school campus unless officially competing or practicing. Jerseys, jackets, etc. may be worn to school on game days to help bolster school spirit. Competition uniforms are not to be worn for physical education classes. Proper return of all equipment will be at the end of the sport season. Equipment lost by the player will be paid for by the individual at the replacement value of the lost item.

### *Athletic Age Eligibility*

A student who becomes nineteen (19) before August 15 is ineligible for interscholastic competition. A student who becomes nineteen (19) on or after August 15 shall remain eligible for that entire school year.

### *Drug Testing*

All students participating in athletics may be drug tested at the beginning of each season and may be asked to participate in a random drug test during the season. Athletes will be subject to the current district drug testing policy (JFCIA).
