Dear Friend of Education,

The Regional Office of Education would like to thank you for your contributions to the youth of LaSalle, Marshall, and Putnam Counties. Approximately 19,000 students are educated in our schools. The work of all school personnel—bus drivers, aides, volunteers, teachers, school support staff, administrators, coaches, school board members—is important to successfully educate our students. The Regional Office of Education is here to serve you as we work together to best prepare our students. Please contact our office as needed. A listing of Regional Office staff and area of expertise is available on our website: www.roe35.org

We hope that this directory is of value to you in accessing teacher and school information as well as providing valuable business details and contacts. Through the generosity of the individuals and businesses that purchased advertisements, the 2022-2023 LaSalle, Marshall, and Putnam Counties School Directory is available to you at no cost. We encourage you to patronize these businesses for their support.

If you would like to advertise in next year's directory, please contact our office for details; Hannah DeBernardi (hdebernardi@roe35.org) is responsible for directory ads. Funds raised from the directory support the recognition of those that serve our students. After a two year pause, we were able to hold our annual Excellence in Education celebration; we hosted an open house style recognition event at the Ottawa Knights of Columbus on May 5, 2022. Over 400 people helped celebrate over 150 award winners. We also showcased the work of our educators and students with a special production titled "All Hands on Deck: Teaching in an Educator Shortage" available on YouTube at ROE 35 Presents or at this link: <https://www.youtube.com/watch?v=vFiJqYOGuAQ>

Thank you for your consideration in assisting us to celebrate our region's outstanding education programming.

Sincerely,
Christopher B. Dvorak
