

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

**Thank you
 to all our parents and
 guardians for
 attending your
 student's conference**

**this week. It was great to see you all
 and it is a joy to have your student(s)
 here at Evaline school!**

**Sun. Nov. 5th:
 Daylight Saving
 Time ends,
 set clocks back
 one hour**

Inclement Weather Conditions

In the event of snow, ice or other inclement weather conditions it may be necessary to adjust school starting time or cancel classes. In these kinds of situations please listen to your local radio stations and News Channels. We try very hard to make decisions by

6:30a.m. Once the decision is made it is posted to the Flash Alert website and they send it out to all local TV and Radio Stations. You can also go onto flashalert.net and check for delays and closures there. If the alert states that we will be on snow routes, this means that there are roads the bus will not go down **(Please see attached flier for our snow routes and info)**. If you DO NOT hear any information regarding Evaline School you must assume school will be in session as usual. In the case of unplanned early dismissals due to emergencies students will either be transported home on the bus or will need to be picked up by their parent/guardian right away. This would include instances of sudden loss of power, water, or accumulation of snow. ***In the event of a late start, these days will always be two hours late. Therefore school will start at 10:30am and the bus will be picking up students two hours later than the normally scheduled pick up time. There will be no breakfast served on late start days.***

Important Dates!!

NOV.

Fri. 3rd: Lion Pride Day! 11:30 Dismissal

Sun. 5th: Daylight Saving Time ends, set clocks back one hour

Wed. 8th: Veterans Day Ceremony at Boistfort School

Thurs. 9th: Wreath Orders Due

Thurs. 9th: 140th Apparel Store Closes

Fri. 10th: No School, Veterans Day

Tues. 14th: 3rd-6th grade, Tree Planting Field Trip Goodrich Rd, Centralia

Thurs. 16th: Title 1 / LAP Annual Parent/Family Meeting, 3:10pm

Students will be traveling over to Boistfort School for their Veterans Day Ceremony on 11/8/23. The bus will depart at 8:45am for the 9:30 ceremony and will return before lunch time. Please have your student(s) dress in their nice clothes if possible.

Evaline Families

We are asking for all of our students to bring in a picture of themselves with their grandparent(s) for a display we are putting together for our Thanksgiving Feast. If you could send in a picture for us to use that would be very much appreciated!

Title 1 / LAP Annual Parent/Family Meeting

Parents who received information at student conferences on our Title 1 and Lap Programs are invited to join us at our annual Title/LAP Parent/Family Meeting on November 16th at 3:10 in the library.

Wreath Orders ASB Wreath Fundraiser

Evaline Associated Student Body is selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Each family's fundraiser packet was sent home in last week's newsletter envelope. Please read the letter in the fundraiser packet for full details. ***All orders MUST be turned in with money by November 9th.** Pick up will be the week of the 20th.

140th Evaline Apparel Order

140th Evaline Store Link(click here)

Evaline is celebrating its 140th year! To commemorate this the booster club has put together a special 140th edition of their annual apparel order. To order, click the RED link above. It can also be found on our website. All orders must be placed and paid for through this online store. **The deadline to order is November 9th.** The Booster Club will pick up all orders when they are done and have them at the school to distribute. Email evalineboosterclub@gmail.com if you have questions.

TK and Kindergarten

Mrs. Tinnin

This week kindergarten learned the letters n, h, s, and f. Your child should also know the sounds for a, c, d, g, i, m, o, and t. We are working on sounding out words with the letters we have already learned.

TK started their unit about Families. They started out by discussing who is in their family and about the different houses and homes that families live in.

Kindergarten is learning about the number 10. They are learning ways to make ten and comparing numbers to ten. TK students are working with the numbers 1-5.

It was fun meeting with everyone to discuss all the learning and growth that is happening so far this year. Thank you for taking the time out of your busy schedules to meet with me.

First and Second Grade Explorers

Mrs. Mittge

Thank you families for joining me for conferences this week! It is such a gift to partner with you and your child this school year! I am eager to resume a regular learning week next week!

Despite the changed schedule, students completed ELA and spelling lessons. First grade students also practiced strategies to add three addends while second graders explored bar models.

Third and Fourth Grade Classroom

Mrs. Mars

It was so great to see everyone at conferences. I am so glad I can partner with you to help your child grow!

With the shortened days this week our class focussed on continuing our learning in math in addition to having intervention time. Intervention time is an hour a day where Mrs. Zoey and myself are able to meet with students in small groups and one on one to work on skills that they could use extra practice on. This looks different for each student. Some examples of the interventions you might see during this time are working on reading comprehension, reading one on one, academic vocabulary practice, working with math manipulatives, and playing learning games.

Fifth and Sixth Grade Classroom

Mr. Burlingame

This week started with a hugely successful Halloween party that the kids really enjoyed. They played games, did crafts, decorated cookies, and watched some cool science videos. A big thank you from Mr. B's 5th and 6th grade class to the boosters for putting this event on. We are really thankful that we can take a break and get to be together as a class and have so much fun.

As we head into winter one of our focuses will be the school play. Mrs. Duren and Ms. Leanne are organizing the play again this year and will be pulling students during ELA to practice. Please encourage your students to learn their lines and be prepared. Parents please check your newsletter folders for more information as it becomes available.

Thank you to all the parents and grandparents that came to conferences this week. It is great to be able to chat with you about the progress so far of the student you entrust to us every day.

3rd Annual Evaline Holiday Food Drive

As we enter the month of November we are turning our focus from the character traits of Respect and Responsibility, to the character trait of Gratitude in SEL. While participating in our annual fall food drives, our classes have enjoyed applying the skills and knowledge learned regarding these first three character traits toward their own community. Each year we have set a goal for each class to donate a minimum of one item per student, and our students were subsequently excited each year to not only have every class make that goal, but to have several classes surpass it! After collecting our donations, 1-2 of our classes then delivered them to the local food bank, and had the opportunity to tour the food bank and learn more about the role a food bank plays in a community.

With students already asking this fall not "if" but "when" we were going to be having our annual food drive, we contacted the Winlock Vader food bank to see if we could partner with them once again this year to donate much needed items to members of our community this fall.

As a result, we are excited to announce that we will be holding our 3rd annual food drive beginning Monday, November 13 through Thursday November 30th. Donations will be delivered by our 3rd - 6th graders on Friday, December 1st, just in time to help refill the Food Bank shelves from having met the community needs related to one holiday, to helping meet the community needs related to the next one.

We will be accepting nonperishable food items in each classroom which are in their original labeled boxes/cans prior to their expiration dates. Though they will gladly accept all types of food, we are particularly wanting to provide some of the items that the food bank has shared they tend to run low on which includes the following: personal hygiene items such as shampoo, soap, toothpaste and deodorant, cat food, and "easy meal makers" such as hamburger helper kits, as well as canned meat. We have also challenged our students to help pick out some of their favorite meal items to include in their donation if possible, since these might appeal to other students just like them whose families may currently be relying on the food bank to help meet their added needs during the holiday season.

When each classroom reaches their goal, each student will earn a special prize as a thank you and a reminder for their hard work, generosity, and kindness. So, as we enter this season of being thankful, let us also consider how we can give back and lend a helping hand in our community.
