

Call Out for May 24, 2022

This is Richard Dennis, Superintendent of Elmore County Public Schools.

The 2021-2022 School Year is over and it's time for a good long summer break! To finish up the year high schools are distributing report cards this week; dates and times for distribution will be posted on each school's website.

Additionally, the Elmore County Child Nutrition Program Curbside Meal Service will begin today from 5 - 6:30PM at the following locations: HMS, EMS, CES, WMS and RES. Once you arrive onsite meal tags will be provided to be completed for meal program registration. Curbside Meal Service is scheduled for every Tuesday through June 28, 2022.

This past year has provided numerous challenges and we appreciate your patience and support as accommodations were made. With that being said the end of school is at hand, so relax have a great Summer!
