There will be a special meeting of the New Milford Board of Education beginning at 5:00 on the afternoon of Monday, June 13, 2022 for the purpose of conducting a student disciplinary hearing, followed by an unrelated student-transportation hearing. At the June 13, 2022 meeting, a panel of the Board, or a hearing officer serving on behalf of the Board, will move to convene in executive session during which matters concerning the personal privacy of the student who is the subject of the first, student disciplinary hearing are likely to be discussed. Should the parents request that the hearing be held in public session, the Board panel or hearing officer will do so unless it is determined that an open session will implicate the protected confidentiality and personal privacy of other New Milford Public School students. The Board panel or hearing officer may take action upon return to open session following the first hearing.

Following the conclusion of the first hearing, but as part of the same special meeting, a second, student-transportation hearing will be held regarding a different student. Prior to the commencement of such second hearing, a panel of the Board or hearing officer will move to convene in executive session during which matters concerning the personal privacy of the student who is the subject of the second hearing are likely to be discussed. Should the parents request that the hearing be held in public session, the Board panel or hearing officer will do so unless it is determined that an open session will implicate the protected confidentiality and personal privacy of other New Milford Public School students. The Board panel or hearing officer may take action upon returning to open session following the second hearing.
