## Facilities Subcommittee Report

**October 8, 2024**

### **Items for Information and Discussion**

#### **A. NMHS Roof**

K&S Property Holdings has repaired approximately panels on 90% of the project. They are currently working on the upper auditorium roof. They are on schedule, weather permitting, to be finished by November 1.

#### **B. NES Roof**

An RFP will be rewarded at Operations for A&E services for a roof study on the Northville Elementary School roof. This study would provide a cost estimate which will be used to determine the amount of money that would be bonded for a roof replacement. This work will take place over the next month and should be provided sometime in November.

#### **C. 5 year Capital Projects**

The Town has approved funding for the Capital improvement projects we have submitted for 2024/25. Several projects such as the Hill and Plain gutters, the Northville roof study, camera system upgrades and the theater improvements are already underway.
