Dear Parents and Guardians,

During the week of October 7th, Tri-Township Schools will be conducting a brief Lockdown Drill at Tri-Township Jr-Sr High School and Tri-Township Elementary School. This drill will be conducted in accordance with Indiana Code 20-34-3-20. Students and staff will be informed prior to the drill beginning and reassured that the lockdown is only a drill.

According to a recent update to Indiana law, schools are now required to notify parents prior to conducting an intruder-type drill.

At Tri-Township Schools, the safety and security of our students and staff is always our top priority. Please feel free to contact your school's principal with any questions or concerns regarding the drill.
