What's Happening This Month....

Can you believe we have made it through a month of school already! All our returning students are already getting back into the routine of things. While our new littles are growing by leaps and bounds and are getting the hang of things fairly quickly.

We want to thank everyone who attended our Back to School Breakfast. We had such a great turn out and hope you enjoyed being able to eat with your student(s) during school hours. We know our students sure enjoyed it!

Last month's event may have been for our parents, but this month is all about the grandparents. Our annual Grandparent's/Special Person's day is September 12th from 1pm to 2pm. Student's will be able to spend time with their grandparents, show them their classrooms and what they have been learning so far. The students truly enjoy this day and getting to spend it with those who are so special and precious to them.

In other news, Girls on the Run will begin on September 2nd. Meeting times for this year will be Tuesdays and Thursdays after school until 4:10pm. Girls on the Run inspires individuals of all abilities to discover, build, and grow their self-confidence. Together, they experience a sense of belonging and connection as a team. Volunteer coaches facilitate lessons that blend physical activity with life skill development, including managing emotions, fostering friendships, and expressing empathy. At the end of the season, the team completes a Community Impact Project and a 5K together, which provides a tangible sense of accomplishment and sets a confident mindset into motion.

Clothing Program

Laurel Elementary has a clothing closet to help families that may need a little extra help. We are able to send home clothes, hygiene products, shoes and backpacks. If you are interested in signing up for this, please let your students teacher know. We will begin sending these packages home with students this month for those signed up.

Snacks

The LES cafeteria offers a snack option to our 3rd through 6th graders. Snacks are able to be purchased during lunch time. Parents are able to put money on their students lunch account for this purpose using the meal magic portal at <https://franklincounty.familyportal.cloud/>
All lunch accounts must be current to purchase snacks.

Protect Your School Issued Device

Once again, Franklin County Community Schools have partnered with Worth Ave Group to offer affordable insurance for student mobile devices. All students in grades K-1 will be issued an iPad and all students in grades 2-12 will be issued a Chromebook. Accidents do happen and when they do, it can be costly. A cracked iPad screen alone can cost \$100 to repair. However, if you purchase coverage the cost would be \$0.

Although not required, we highly recommend purchasing coverage for the device provided to your child. Coverage is only \$13 and is good for unlimited claims with no deductible throughout the school year. Click the link below to purchase coverage.
