PARENT DEFINITIONS IN PARENT VUE

- New Parent Definition

A new parent is one who has never enrolled a student into any of our schools.

If your child has an enrollment history in Coffee County Schools, then you will be defined as an existing parent. At this point, you should contact the school registrar for assistance with enrollment at which time an activation key letter will be given or sent to you by the registrar.

- Existing Parent Definition

An existing parent is one with an established PVUE account or a parent whose child has a previous enrollment history with our school system. If you are an existing parent and have never used PVUE, then contact the registrar for an activation key letter.

Only one parent completes the enrollment update. The other custodial parent will have a unique activation key letter. PVUE allows parents to view discipline, grades, and attendance in real time.

STUDENT DEFINITIONS IN PARENT VUE (PVUE)

- New Student

A new student is one who has never attended any Coffee County School from Pre-K onward. Parents of new student will choose “New Student Registration”.

Parents may add new students to existing accounts. The online registration system will then directly send you to the new student registration module. *Caution*---If your new student has attended our schools before, contact the registrar before attempting to add the student. In this case, your student has enrollment history with our system.

STUDENT DEFINITIONS IN PARENT VUE (PVUE) CONT'D

- Enrolled Student

Any student who is enrolled in our schools on the LAST day of school, is automatically enrolled in the next school year. Parents will choose “Enrollment Update” in this situation.

All Manchester City Schools 8th grade students enrolled at Westwood Middle school on the LAST day of school are automatically enrolled in Coffee County Schools at the Raider Academy. City schools will transfer records. However, former City parents will be required to complete the “Enrollment Update” for the new year. Parents of Manchester City 8th grade students will contact the Raider Academy Registrar for an activation key letter.

- Immunization record on official Tennessee form which can be obtained at the local health department or your health care provider. The health department can easily convert to TN form if coming from out of state. Exceptions, in the absence of an epidemic or immediate threat thereof, will be granted to any child whose parent or guardian shall file with school authorities a signed, written statement that such measures conflict with his/her religious tenets and practices; or due to medical reasons if such child has a written statement from his/her doctor excusing him from such immunization.
- Parenting plan if parents are divorced. (more on this on the next slide)

CUSTODY EXPLAINED

- Tennessee uses a “PARENTING PLAN” to define custody. The word custody has been replaced with “PRIMARY RESIDENTIAL PARENT”. The primary residential parent is the parent whom the student resides. Naturally, it is possible for both parents to have custody but one is defined as primary residential. ALL parenting plans must be signed by a Judge from a court indicating the plan is valid. An attorney only signature is not official.
- A POWER OF ATTORNEY (POA) is not a custodial document. A POA is only allowed in hardship cases as defined by (1) parent is jailed (2) parent is deceased or (3) parent is in long-term rehab or long-term hospitalization. POAs will not be used to designate custody unless one of the aforementioned conditions exist.
- Birth Certificates---In TN, if the father is on the birth certificate and NOT married to the mother, for the father to have any legal custody, a parenting plan heard by and signed by a Judge must be in effect and a copy provided.
