The mission of Guardian Catholic School is to help students attain their potential through high quality Catholic education in a Christ-centered environment that inspires each of us to think, learn, achieve, pray and serve our communities.

## Wearing of Masks

Students are welcome to wear masks for health reasons and are reminded that the mask must cover the nose to provide protection; these students will also observe social distancing during lunch to support their health needs. However, some older students are choosing to wear masks so that they can chew gum and eat candy during classes. Parents please discuss the proper use of masks with your children and address these concerns with them. Gum is not allowed on the school campus; food may only be eaten in the cafeteria. Thanks for your cooperation!
