As we are planning for the 24-25 school year, your child's safety is of utmost importance. One area that we feel that we could improve is by streamlining our drop-off and pickup procedures. We respectfully ask that unless you have a meeting at the school, please remain in your vehicle and proceed through the line. This allows us to focus our attention on assisting and monitoring students. If you have any questions or concerns, please give me a call at 912-359-2391.

Thanks,
Tina Sapp
