

Youth Nicotine and Vape Use:

Trends & Concerns

Free Zoom Presentation for Parents and Caretakers of Adolescents

Hosted by the Blue Ridge Poison Center

Discussion:

- **What is the problem?** We'll explain the health risks of nicotine on youth, and share recent data on youth use trends.
- **How is nicotine use changing?** We'll show some new types of vaping and nicotine products popular today among youth.
- **How can I help?** We will outline prevention strategies proven to help reduce youth vaping and nicotine use.

Date: Thursday Jan. 29th, 2026*
