

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Thanksgiving Feast Gratitude

We had a wonderful time sharing a meal with the patrons of the Olequa Senior Center! We would like to thank the Senior Center for hosting the event and our wonderful cook Ms. Annie for all her hard work on the beautiful meal. Our volunteers and the senior center volunteers were top notch and we are so thankful for all their help with meal preparations, service and clean up! It was heartwarming to see a community come together and enjoy each other's company! Evaline staff and students are so grateful to have had this experience!

Thank you Hope Grange

A BIG "Thank You" to Hope Grange for their continued annual support of our students with supplying each third grader with their own dictionary through the National Grange Words for Thirds program. Dictionaries were presented to students by Adele Carlson this year.

Evaline's Winter Concert 12/8 1:30pm

Hope you can join us for our Winter Concert next Thursday, December 8th, Beginning at 1:30 pm. Please use the front entrance where the bus drops off to enter the main building for the concert!

Winter Food Drive Delivery

Students in grades 1-4 delivered donations to the Winlock Food Bank today. K and 5-6 students will have an opportunity to do a delivery in the spring as we plan on doing another food drive around Easter. Thank you to everyone that helped support our community!!

Inclement Weather

School changes are posted to flashalert.net by 6:30 am. An email will also be sent to everyone that is on the newsletter list. If you are not receiving the email weekly, please call the office or email cbradshaw@evalinesd.k12.wa.us. It is extremely important that we have up to date contact information for you on file.

To purchase tickets go to centraliaballet.com

Important!!!

Announcements for the Winter Play

We're getting close to opening night for our winter play duo: "North Pole's Got Talent!" and "The Nutcracker." The show will take place Wednesday, December 14th at 1pm, and on Thursday, December 15th at 7pm.

Matinee

Please encourage family members that are able to join us during the afternoon to come to the matinee.

Seating at the pm performance is limited.

Costumes

Last week a green slip of paper went home with each student outlining the costume items to be brought from home specific to their role. We have tried to make these items very simple and the school will be supplying further items to complement clothes from home. The items brought from home will be kept at school until after the evening show. **Please have these clothes at school no later than Monday, December 5th.** If you have any questions please don't hesitate to email Ms. Leanne at lgravette@evalinesd.k12.wa.us.

Volunteers

We will be needing a few adult volunteers to help with hair and makeup for the hour prior to each performance. If you are interested, please call or stop by the office to sign up for one or both dates. All supplies are provided by the school. **Please let us know if you'd like to help by Friday, December 9th.**

Thank you for all your support! We can't wait to show you what we've been working on!

Kindergarten

Mrs. Tinnin

We are finishing up our unit for ELA. Students are learning how to put a finger space in between words when they write and draw a picture that matches the phrase. Students are also learning about fiction stories. After we read a story, students identify if the story is fiction and can state how they know the story is fiction.

We are also finishing up our chapter learning about the number 10. Students can find number pairs that make ten, compare numbers to identify what number is greater and what number is lesser. Next, students will learn how to add! Thank you for returning the turkeys for our at home Turkey Disguise art project. Everyone is so creative. I wish I had room to share them all.

First and Second Grade Explorers

Mrs. Mittge

This week we studied conifers, or evergreen trees. We researched their features and dissected Douglas fir cones. One of our students discovered a critter I had never seen before, so of course we had to investigate further. We found out the critter was a pseudoscorpion!

We also kicked off the first day of December by putting up our class Christmas tree! Students will be making their own ornaments for our little conifer throughout December as an early finisher task.

In math, first graders will be wrapping up Chapter 5 on addition and subtraction relationships. Second graders are working through Chapter 4 on 2-digit addition. As you read aloud for 20 minutes each night, try completing a couple addition and subtraction problems too.

Third and Fourth Grade Classroom

Mrs. Mars

Students are enjoying getting prepared for all the upcoming holiday activities. In music they have been preparing for their caroling and their Winter Concert. In the afternoon students have been working hard to learn their lines and roles in this year's play. Our class will be taking part in a new play, North Pole's Got Talent. In class we are starting to work on Christmas presents for our families.

While we do have lots of upcoming fun, please remember we are also having core curriculum every day and it is important that your child is in class ready to learn each and every day.

Fifth and Sixth Grade Classroom

Mr. Burlingame

Please join us next week for our Winter Concert. It's been a few years since we've been able to perform music at Evaline and next **Thursday at 1:30** we bring back the music. All our students have been working really hard learning their songs and instruments so please come on down and show them your support!
