East Hickman Intermediate School
Week of November 10th

NOTE FROM MRS. DICK

It was a great week at EHIS! Students were learning about motion in 5th grade, reading a book written in verse in 4th grade, and working on their writing and communication skills in 3rd grade. Your students continue to amaze me with their willingness to try difficult tasks and be resilient in the face of those difficulties.

This week we have our Veteran's Day Program for 4th grade parents and veterans. We could never say thank you enough to the families that have sacrificed for our country.

We also have the book fair, and we have Stream Night. It's a busy week, but a good one with lots of opportunities to connect and learn. Please let us know if you have any questions.
