## **\*\* PROPOSALS REQUESTED FOR MANUFACTURER AS LISTED OR EQUIVALENT \*\***

Applicant is seeking proposals for the items listed below and estimated quantities shown. The Applicant will work with the awarded offeror to specify items per site within the Applicant's E-Rate category two budget for E-Rate FY27 (2024-2025). The Applicant reserves the right to purchase some, all, or none of the products and services awarded under this contract for E-Rate FY27 (2024-2025) and subsequent E-Rate funding years covered by the agreement.

- Offerors are requested to include all necessary installation and configuration (if applicable), cabling, licenses, connectors, components, shipping and handling, taxes and any other applicable fees.
- The applicant is requesting basic maintenance for new equipment including manufacturer maintenance support services (MSS) and bundled warranty only for equipment listed on this request.
- The applicant will consider proposals for managed internal broadband services (MIBS) for any remote management components necessary for a fully operational solution.
- Licensing may often be considered to include Basic Maintenance of Internal Connections (BMIC) or Managed Internal Broadband Service (MIBS) components.
- Partial/incomplete proposals will not be considered.

**SPECIAL NOTE:** It is the expectation of Ada Independent School District that any respondent to this solicitation familiarize themselves with the impact that any as yet unknown tariff(s) imposed upon particular manufacturer's products and are appropriately accounted for in the respondent's fee proposal. Ada Independent School District presumes a 25% tariff will be imposed on any manufacturer's networking equipment manufactured abroad and will be applicable at the time of purchase throughout the term of any agreement resulting from this solicitation (including any mutually agreed upon extensions). PLEASE INCLUDE THIS 25% TARIFF AS A SEPARATE LINE ITEM WHEN COMPLETING THE PRICING ATTACHMENT AS PRESENTED. It is also the expectation of Ada Independent School District that should the presumed tariff be LESS than 25% or not ultimately be imposed upon the manufacturer's product, the cost saving will be passed along to Ada Independent School District and, in turn, the FCC's E-Rate program as well. It should also be presumed by respondents that should any tariff imposed upon a particular manufacturer's product be higher than 25% at the time of purchase, Ada Independent School District will appropriately compensate the service provider for the full cost incurred at the time of purchase without regard to E-Rate eligible invoicing.

# LIST OF REQUESTED EQUIPMENT

## New Internal Connections Equipment (IC)

Ada Independent School District is also looking to purchase network equipment as detailed below. Proposals must include all necessary software and/or licensing for equipment to operate at full capacity. Proposals should include 1 YR, 3 YR and 5 YR options. The district will only move forward with one of the three options.

Installation Required:  Yes Install                       No Install

**Basic Maintenance of Internal Connections (BMIC) and MIBS for new equipment** – Licenses that include services such as software upgrades and patches, (including bug fixes and security patches), and online and telephone-based technical assistance and tools that are typically standard fixed priced offerings or manufacturer maintenance support services (MSS) are sometimes classified as Managed Internal Broadband (MIBS) or Basic Maintenance of Internal Connections (BMIC) by USAC. MIBS and BMIC have been included in the 470 for new equipment requests for this purpose.

The applicant will reserve the right to extend or abbreviate the contract period if such extension or abbreviation is necessary to make the Contract term coincide with an E- Rate “program year” or an extended service end date for an E-Rate program year pursuant to a “service delivery deadline extension,” as those terms are defined by the Federal Communications Commission (FCC) and/or the Universal Service Administrative Company (USAC).

15. **Description of Proposal.** Offeror will provide a description of their proposal for all services and solutions.
