QUICK REMINDER

TRANSPORTATION

Hello Parents! Please call the front office to make bus changes on routes etc. A safety message and protocols for you and your child's safety. We kindly ask parents to park in the gravel parking area (south of main parking) to pick up your child afterschool at 3pm. Students with out proper bus pass will be require a sign out by their parent at the front office. The buses loading zone poses danger by creating potential blind spots, it is a designated area, staff assisting students boarding the buses. Your patience and understanding is greatly appreciated as we board the students and bring your child home.
