Dear 3rd Grade Parents and Guardians,

This year is your scholar's last academic year at Premier Arts and Science Charter School (PASCS). We thoroughly enjoyed educating your scholar(s), and watching them grow up before our eyes. It is time for them to take their next step towards excellence. The next step in your scholar's journey will be to choose a learning environment best suited for you and your scholar. PASCS would like to aid in the process, by way of providing information and a Meet and Greet event which will feature local school representatives who serve 4th grade students.

**PASCS will be hosting a Meet and Greet event on May 23, 2023 from 5:30 pm until 7:30pm.** There will be a host of neighboring schools for parents to share with and provide needed information about their school, to assist you in making an informed decision as to where your scholar will continue their educational journey.
