

Student Name: _____

Prattville High School Dual Enrollment Planning Form

Prattville High School is pleased to offer the opportunity for students to earn dual credit during the school day through CACC and AUM. Students who take advantage of these opportunities will be enrolled as a student at the college as well as at PHS, and the credits/grades that they earn will become part of their official college transcript as well as their high school transcript. While Autauga County does offer an additional GPA quality point to the high school transcript grade, the student's college transcript will not reflect the same GPA weight; please see the GPA policy at the partner college for more information.

Registration for Dual Enrollment courses takes place directly with the partner college. It is the student's responsibility to complete all components of the application and registration process with that college and must take place before the first day of the upcoming school year. Students will also be held to the partner college's policies regarding attendance, drop/add periods, and mandatory communication platforms, all of which are independent of PHS policies and procedures.

Because dual enrollment classes are not held daily, students taking them on campus will serve as teacher aides on the non-class days. We cannot guarantee placement with a particular teacher due to scheduling/class size. Please list two teachers below and request their signatures. We will try our best to accommodate your request.
