### SHARING INFORMATION WITH MEDICAID/SOONERCARE

### Dear Parent/Guardian:

If your children get free or reduced-price school meals, they MAY also be able to get free or low-cost health insurance through Medicaid or SoonerCare. Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and SoonerCare that your children are eligible for free and reduced-price school meals unless you tell us not to. Medicaid and SoonerCare only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Application for Free and Reduced-Price Meals does not automatically enroll your children in health insurance.
