['God Was Exalted': 4,500 Students Seek Jesus at Purdue University, Thousands Saved](#)

Thousands of college students are giving Jesus their "Yes" once again after making decisions to accept Christ as their Savior, a college campus ministry reports. The third UniteUS event of 2025 took place at Purdue University Wednesday night and more than 4,500 students gathered to hear the gospel and be transformed.

[Should the Ten Commandments be displayed in Alabama schools](#)

Sen. Keith Kelley (R-Anniston) wants schools to put these commandments where students can see them. His bill would require the Ten Commandments to be displayed in common areas of public schools. He said the display pays homage to our nation's foundation.

[America is turning against transgenderism](#)

The latest poll from the Pew Research Center finds support for laws that limit transgender behavior is growing.

66% of adults say males should not be allowed to play sports against females — up from 58% that felt that way three years ago.

[Maryland school children dodge a bullet](#)

A state Senate committee has killed a bill that would have allowed contraceptives to be sold in vending machines in the public schools. The legislation actually passed the Maryland House of

Representatives with a big push by Democrats.

However, Senate Republicans managed to derail the measure, and it is unlikely to be introduced again this year.

Highlights from Letters to Power 88

- Thank-you for your commitment to our city of Mobile and others cities on the Gulf Coast. Your radio station is such an inspiration to my daily walk as a servant of the Lord. I pray for you all and will support you now. I pray that others will do the same. I have only a couple of Christians friends and find myself alone much of the time. You are a light in my loneliness and help me stay joyful in praise." In Jesus, God bless you all.
